LEGISLATIVE DIGEST

Summary of recent Senate and House bills pertaining to taxes collected and/or administered by the Department of Revenue.

Bills enacted by the Forty-Seventh General Assembly (1970 - Second Regular Session):

Income Tax

H 1079 - Effective April 1, 1970 CRS 138-1-55

Taxation of banks. Subjects banks and other financial institutions to the same income and property taxes as other corporations. Formerly such banks and other financial institutions paid a franchise tax in lieu of regular income and personal property taxes. The provisions apply to all taxable years beginning after December 31, 1969.

H 1142 - Effective April 2, 1970 CRS 138-1-12 and 138-1-65(1)(b)(3)(b)

Colorado income tax - standard deduction - filing of returns. Provides that the standard deduction for the Colorado income tax shall be either the percentage standard deduction as it is presently defined or the low income allowance, whichever is greater, plus the deduction for federal income tax. The low income allowance, which may not exceed \$1,000, is defined as the sum of (a) a basic allowance of \$200 plus \$100 for each exemption, and (b) an additional allowance which equals the excess, if any, of \$800 over the sum of \$100 for each exemption plus one-half of the amount by which Colorado adjusted gross income exceeds the aggregate of \$1,000 plus \$750 for each exemption. When married taxpayers file separate returns, the basic allowance for each taxpayer equals \$100 plus \$100 for each exemption, and the low income allowance may not exceed \$500.

Raises the Colorado adjusted gross income above which an individual taxpayer must file a Colorado tax return from \$750 to \$1,750 and, if the individual is 65 or more years of age, from \$1,500 to \$2,500. A married couple filing a joint return must have a Colorado adjusted gross income of more than \$2,500 before they are required to file a return; if one of them is 65 or more, their Colorado adjusted gross income must exceed \$3,250; and if both are 65 or more, it must exceed \$4,000. A married individual filing a separate return must have a Colorado adjusted gross income exceeding \$750 before he is required to file a return; if he is 65 or more, his Colorado adjusted gross income must exceed \$1,500. A fiduciary must file a return for every individual for whom a return is required to be filed pursuant to the provisions described.

The act applies to taxable years beginning on or after January 1, 1970.

Sales and Use Tax

S 8 - Effective July 1, 1970 CRS 138-5-5(1)(a)

Sales tax - delinquent remittances. Prohibits a vendor, delinquent in remitting sales tax to the executive director of the department of revenue, from retaining any amount to cover his expenses in collecting and remitting the tax, except in unusual circumstances shown to the satisfaction of the executive director.

H 1079 - Effective April 1, 1970 CRS 138-5-44

Taxation of banks. Provides that the sales and use tax laws apply to

state and national banks, and also makes all such banks and other financial institutions subject to the same state income and property taxes as other corporations.

- H 1109 - Effective April 1, 1970 CRS 138-5-14(5)
Sales and use tax - exemption. All sales and purchases of live fish for stocking purposes are exempted from the sales and use tax.
- H 1144 - Effective July 1, 1970 CRS 138-5-14(7)
Sales tax - coin-operated vending machines. Increases sales tax exemption for items sold through coin-operated vending machines by providing that a vendor is liable for tax on sales exceeding 15 cents, instead of on sales exceeding 10 cents. Establishes a system whereby a vendor, to be eligible for the sales tax exemption, must hold a license to sell at retail or a chain store license, must secure identification numbers from the department of revenue to be affixed to each vending machine, and must maintain records of such numbers and the ownership, location, and disposition of such machines. Unregistered machines may be seized without warrant by the department of revenue, its agents, or its employees, or by other peace officers when directed by the department, but proper notice must be given to the proprietor or person in charge of the business and to any person whose name and address appear on the machine. A \$25 penalty may also be assessed and collected for each unregistered machine. The act provides for the claiming of a seized machine by the true owner, but if a machine is not reclaimed within 60 days after the date of notice, the machine and its contents may be sold at public sale.

Motor Vehicle

- H 1038 - Effective January 1, 1971 CRS 13-3-30
Motor vehicle registration fees - allocation. Extends the additional annual registration fee of \$1.50 on all motor vehicles through 1973, to be distributed between towns, cities, and counties as before, and provides that, for the years 1971 through 1973, \$2.50 of the regular full year registration fees on most vehicles will be distributed in the same manner.
- H 1040 - Effective July 1, 1970 CRS 13-2-15(1)(b), 13-2-15(1)(d), 13-2-15(2) and 13-2-15(1)(c)
Motor vehicle violations - disposition of fines. The state's share of fines from motor vehicle law violations shall be credited entirely to the highway users tax fund, rather than being apportioned between that fund and the general fund.
- H 1042 - Effective April 1, 1970 CRS 13-3-26
Motor vehicles - ton-mile and passenger-mile tax - permits. Persons who pay a ton-mile or passenger-mile tax are required to secure a permit from the department of revenue. Failure to comply results in a penalty of 25% of any tax due and payable or \$25, whichever is greater.
- H 1043 - Effective July 1, 1970 CRS 13-3-25(1)(a)
Taxes - ton-mile, passenger-mile - payment date. Changes due date of reports and payments of ton-mile and passenger-mile taxes from the 15th to the 25th of each month.
