The Honorable Tim Neville
Chair, Senate Finance Committee
Colorado General Assembly

Dear Senators and Representatives:

The Department is proud to advise you that all Conservation Easement cases that were in dispute prior to 2011, when HB11-1300 was enacted, have been resolved. The majority of them were resolved through settlement, hearing outcome, or District Court outcome. All but eight have signed settlement agreements, and those eight have resolutions pending in District Court. Through future reports we will inform you when those final eight resolutions are formally approved.

Section 39-22-522.5(12), C.R.S., requires the Department of Revenue (Department) to submit a quarterly report to the Joint Budget Committee and the Finance Committees of the General Assembly which details specific information on the conservation easement (CE) program.

The legislation requires information about the number of "tax credits" and "cases" which may be difficult to reconcile with data from the State Court Administrator of the Judicial Department or from the Office of the Attorney General. It is important to note that "tax credits" and "cases" discussed in this report refer to CE donations rather than cases filed in any legal proceeding.

Since the inception of the CE program in 2000, the Department has reviewed over 27,000 income tax returns claiming CE tax credits. Of the 4,316 donations of conservation easements for which tax credits have been claimed the Department allowed tax credits for 3,584 donations (83 percent) and disallowed tax credits related to 733 donations (17 percent).

To assist with the understanding of the activity involving these disallowed credits and to comply with statutory reporting requirements, the Department offers the following information:

- a) For tax years prior to 2014, CE donors are statutorily required to submit an appraisal which provides a value of the CE donated with their tax returns claiming the CE tax credits. The Department received at least one appraisal for each CE donation. In many instances, the Department received multiple appraisals for the same donation.
 - The Department sent appraisals to the Conservation Easement Oversight Commission (CEOC) and the Division of Real Estate (DRE) for review of 698 of the

733 cases for which credits have been disallowed. The remaining 35 cases which were not sent for consultation were disallowed for tax compliance issues such as missing documentation (including tax returns) and/or over-claimed tax credits.

- As of March 24, 2017, the Department sent 758 appraisals (or partial appraisals) to the CEOC for review. Of these 758 appraisals, 25 were for a 2nd or 3rd review. Therefore, 733 appraisals of unique easement donations were sent to the CEOC for review.

b) In response to the request for consultation on the 758 appraisals sent to the CEOC and DRE, the Department received recommendations on 758 appraisals.

- The chart below details the recommendations of the CEOC and the DRE as well as the action taken by the Department as a result of the recommendations:

CEOC/DRE RECOMMENDATION:									TOTALS

Total Remaining Active Cases (Disallowed Donations less Final Action)	42	6	0	6	0	3	0	4	61

- If either the CEOC or the DRE (or both) made a negative recommendation on the appraisal, the Department disallowed the tax credits.
- When both the CEOC and the DRE found no issue with the appraisal, the Department allowed the tax credits.
- The CEOC and/or DRE recommendation of "No Opinion" is typically rendered when insufficient information is provided on which to make a recommendation.

c) One of the statutory options provided for resolution of taxpayer disputes of disallowed CE tax credits is through a mediation process. Due to the resolution of cases under HB11-1300, only a small number of cases were involved in mediation.

- Thirty-three cases which waived the administrative hearing and filed an appeal in District Court under the provisions of HB11-1300, requested mediation. All of these cases reached a settlement.
- NOTE: Per Regulation 39-22-522, enacted September 1, 2011, the Department will treat a request for mediation as an agreement to extend the statutory deadline to hold an administrative hearing.

d) As a result of District Court filings and requests for administrative hearings related to the CE tax credit disallowances, the Office of the Attorney General (OAG) has been involved in the resolution of a majority of the cases.

- The chart below details the number of cases sent to the Office of the Attorney General (OAG) as of March 24, 2017, under the provisions of HB11-1300 and under the provisions for formal hearings pursuant to Section 39-21-103, C.R.S. or the provisions for appeals of final agency action pursuant to Section 39-21-105, C.R.S.

Total # of Cases	543		192	732	524	512	12

- Of the 543 cases subject to the provisions of HB11-1300 8 remain active. These 8 cases involve donations made by 2 taxpayers.
- The Department and the OAG have worked diligently to resolve the disputed tax credit cases. All of the 8 remaining HB11-1300 cases are in litigation and all have either been settled in principle or await final ruling by a District Court judge. Thus, all of the original 543 HB11-1300 cases have been resolved.
- A total of 524 cases were forwarded to the OAG for resolution. These cases include both those subject to the election provisions of HB11-1300 and those outside the scope of those provisions. A total of 12 cases remain active (8 under the provisions of HB11-1300 and 4 outside that legislation).

e) The Department has resolved the majority of the disputes related to the disallowance of tax credits in the 733 cases reported above.

- As of March 24, 2017, the Department has resolved 664 cases: 33 cases were allowed the tax credits in full, 27 cases were resolved prior to input from the CEOC or DRE, and 605 cases were resolved after consultation with the CEOC and DRE.
- The Department sent Notices of Final Determination in 11 of the cases sent to the Attorney General's office.
- Tax credits totaling \$25,280,497 have been abandoned as part of the settlements reached in the cases discussed above. (These tax credits would have been used against future tax liabilities had taxpayers not agreed to abandon these credits as part of settlements reached.)
- The Department has reached settlements in principle in 8 additional cases which will result in \$2,292,239 of tax received, \$646,982 in abandoned tax credits, and

\$251,156 in tax waived. Penalty and interest are calculated as of the date payment of the settlement amount is received and therefore are not part of the numbers reported in this paragraph.

f) In administering the resolution of the cases itemized in item e) above, the Department determined the amount of deficient taxes, interest, and penalties to be owed or waived as follows:

- The 11 cases in which Notices of Final Determination were issued by the Department involved a total assessed amount of \$2,295,734 (\$1,621,360 in taxes, \$537,859 in interest, and \$136,515 in penalties); \$353,813 was waived (\$49,240 in taxes, \$266,865 in interest, and \$37,708 in penalties).
- In the 632 cases settled by the Department (605 with CEOC/DRE input and 27 prior to consultation), \$113,202,391 was determined to be owed (\$112,459,156 in taxes, \$485,146 in interest, and \$258,089 in penalties); \$95,022,788 was waived by the Department (\$39,719,858 in taxes, \$41,197,703 in interest, and \$14,105,227 in penalties).
- The chart below summarizes the Department's resolution of CE cases.

g) In some cases, after consultation with the DRE and CEOC, the Department determined that the CE tax credits disallowed and originally contested should be allowed in full.

- Of the 733 cases originally disallowed, 33 cases, consisting of \$8,250,570 in tax credits, were subsequently allowed in full.
