Source: Revenue collected monthly as posted in the Colorado state accounting system

¹ Tax remitted includes marijuana tax, license, and fee revenue received as well as penalties and other adjustments in a given month.

² State sales tax revenue from medical marijuana and retail marijuana is distributed to the Marijuana Tax Cash Fund.

³ Retail marijuana, retail marijuana products, and retail marijuana concentrates sold beginning July 1, 2017 are exempt from the 2.9% state sales tax; however, products that do not contain marijuana (i.e., accessories) are still subject to the 2.9% state sales tax. The first revenue month that reflects this exemption is August 2017.

⁴ Retail marijuana sales tax on the sale of retail marijuana and marijuana products increased from 10% to 15% beginning July 1, 2017. The first revenue month that reflects the 15% rate is August 2017.

⁵ Total includes collections not yet allocated which are receipts that have posted to the accounting system but have not yet been reconciled to the relevant sales/excise tax return.

⁶ Revenue from license fees and other fees is distributed to the Marijuana Cash Fund.
