

DR 1002 Colorado Sales/Use Tax Rates

July 2025

For the most recent version, see tax.colorado.gov

This publication, which is updated on January 1 and July 1 each year, lists Colorado Sales/Use Tax rates throughout the state. All state-collected city/county sales taxes or rate changes may become effective only on January 1 or July 1. The total tax rate for any jurisdiction must be computed by adding all taxes applicable to that jurisdiction. **Note:** Changes to this publication from the last version are denoted with an asterisk (*)

As of August 1, 2025, and moving forward, the Local Marketing District Tax (LMD), Visitor Benefit Tax (VBT), and County Lodging District Tax (CLD) will be published in the new DR 1003 Colorado Lodging Tax Rates publication.
