Colorado Income Tax Withholding

Who Must Withhold Colorado Income Tax?

You must withhold Colorado income tax from any compensation paid to any employee in accordance with the tables or rates prescribed in this booklet if:

- The compensation is subject to federal withholding for income tax purposes; and
- The employee is a Colorado resident (whether working inside or outside of Colorado), or the employee is a nonresident of Colorado performing services in Colorado.

The amount to be withheld is determined by the number of withholding tax exemptions claimed for federal income tax purposes.

Generally, self-employed persons are not subject to withholding tax. They satisfy their prepayment requirements by paying estimated income tax on Form 104 ES under their own Social Security numbers.

A Colorado resident employee who works in another state may be excused from Colorado withholding on wages if income tax is withheld for the other state from those wages.

Certain agricultural and domestic employees who are exempt from federal withholding requirements are also exempt from Colorado state withholding requirements. Such employers do not have to file withholding returns with the Colorado Department of Revenue, but must file a Colorado "Transmittal of State W-2s" (DR 1093 or DR 1093A) with W-2 forms for such employees.

HB 06S-1015 Required income tax withholding -validate taxpayer identification numbers. Requires a person that makes a payment to any natural person for services performed that is not otherwise subject to state income tax withholding to deduct and withhold state income tax at the rate of 4.63% if the person who performed the services fails to provide a valid taxpayer identification number, or provides a nonresident alien taxpayer identification number issued by the internal revenue service. Makes an exception for individuals who are exempt from federal withholding. Effective July 31, 2006.

Registration as a Withholding Tax Agent

If you are required to withhold Colorado tax, you must register with the Department of Revenue as a withholding tax agent by submitting to the department a completed CR 0100 "Colorado Business Registration." You can obtain this application form and all other Department of Revenue forms from the Taxpayer Service Division by calling (303) 238-SERV (7378), or on the Colorado Taxes Web site at www.TaxColorado.com

Upon receipt of your application, the department will open a withholding tax account and (except for weekly filers) send you an "Employer's Withholding Tax Forms" coupon book. If you apply in the fourth quarter of the year, you will receive blank returns until January of the following year when the new coupon books are issued.

The coupon book contains all the forms you need for the entire calendar year:

- a supply of "Income Withholding Tax Returns" (DR 1094);
- "Transmittal of State W-2s" (DR 1093);
- "Account Change or Closure Form" (DR 1102).

Samples of all these forms are reproduced later in this booklet.

Withholding tax filing periods are normally based on the amount of tax withheld. If you have employees, estimate how much wage withholding you expect to pay for all your employees in one year. New businesses can file quarterly or can request more frequent filing if desired.

Filing periods

The department determines whether an employer will be a quarterly, monthly or weekly filer based on an annual review of the amount of Colorado withholding tax that the employer reported during the prior 12-month period of July 1 through June 30. For example, for the 2009 calendar year, DOR looks at the period July 1, 2007 through June 30, 2008 to determine how much tax the employer reported and how often the employer will file. This is called the "lookback period."

Lookback Period — The lookback period for each employer will be re-examined each year. Any changes in withholding filing status will be effective on January 1 of the following year. If an employer's filing status changes, the employer will be notified by the department prior to January 1. All changes in filing frequency must first be approved by the department.

Quarterly Filers — employers whose Colorado wage withholding reported during the lookback period was less than \$7,000. Due dates for quarterly filers will be the last day of the month following the close of the calendar quarter. Quarters end on March 31, June 30, September 30 and December 31. For example, a return for the quarter ending March 31 is due April 30.

Monthly Filers — employers whose Colorado wage withholding reported during the lookback period was at least \$7,000 but not more than \$50,000. Monthly filers must file a withholding return on or before the 15th day of the following month.

Weekly Filers — employers whose Colorado wage withholding reported during the lookback period was more than \$50,000. Weekly filers must remit any

Colorado withholding taxes accumulated as of any Friday on or before the third business day following that Friday. Always provide the department with a Friday date for the filing period ending date. **One Exception:** At the end of the year, weekly filers must make a final transmission that includes all taxes withheld for all payrolls through December 31. Therefore, December 31 will be the filing period ending date for this transmission, even if it is not a Friday. The payment transmission is due three business days after December 31.

Employers who withhold more than \$50,000 annually must file all payments by Electronic Funds Transfer (EFT). (See below.)

Seasonal Filers — employers who do not operate their business during the entire calendar year and who do not have Colorado wage withholding when the business is not operating. The employer must obtain DOR approval and inform DOR of the months in which there will be withholding. Seasonal filers must file a return on or before the 15th business day of the month following each month of operation. Returns for scheduled months must be filed even if no taxes are withheld.

Except for weekly filers, returns must be filed for each period even if no taxes have been withheld. Weekly accounts must file at least monthly even if no taxes have been withheld. If a due date falls on a non-business day, taxes will be considered timely paid if paid on the first business day after that.

For more information on remitting Colorado withholding tax, or to obtain forms, call (303) 238-SERV (7378). Also, you may request FYI Withholding 5, "Colorado Withholding Tax Requirements."

Withholding Tax Filing Requirements

There are two methods of filing Colorado withholding taxes. If you collect less than \$50,000 in Colorado withholding annually, you have two options. You may file "Income Withholding Tax Returns" (DR 1094) supplied in a withholding tax coupon book which is issued by the Department of Revenue. Remittance should be made by check. You have the additional option of remitting by Electronic Payment (EFT).

All Colorado employers who withhold \$50,000 or more annually are required to remit the tax by EFT. Use of EFT to remit tax eliminates the need to file a paper return with the payment and allows you to pay the tax with one phone call. To file by EFT, businesses must apply for a unique EFT identification number.

For an EFT application and information packet, call (303) 238-SERV (7378) or visit the Colorado Tax Web site at www.TaxColorado.com

Important note to EFT account applicants: You must indicate on the EFT application form whether you want to set up the account on a **credit** or a **debit** basis. The debit type of transaction is available to all EFT filers regardless of where you bank. However, very few Colorado banks will handle the credit transaction at this time, and there may be a cost to you for each credit transaction. Before you set up your account to remit via the **credit** transaction, **check with your bank** regarding its availability and cost.

Bonuses and Overtime

If you pay an employee overtime or a bonus on a separate check rather than as part of his/her regular payroll check, you must withhold Colorado tax. You may withhold 4.63% in lieu of using the withholding tax tables in this booklet.

Refunds

If you have an overpayment of tax under \$500.00, claim that amount as a credit on your subsequent return. Similarly, if your EFT payment is overpaid, you may adjust on the next EFT payment.

If the overpayment you wish to claim is larger than the tax due, you may spread the credit over several periods. However, if you are no longer in business, you will have to file a DR 0137 "Claim for Refund."

Failure to File a Return

If you have a "zero" return, you must still report the zero amount to us, either on a paper form (DR 1094) or through our online Wage Withholding ZeroFile service. See page 6 of this booklet under "Line 1" for directions.

If you fail to file a return, the Department of Revenue will send you a bill for our estimate of your tax due plus penalty and interest. The amount of tax billed will be based upon your previous filings or \$100 if you have not previously filed. You will have 10 days to report and pay the actual amount of tax withheld for the period plus penalty and interest on the amount of tax due.

Penalties and Interest

Willful failure to comply with Colorado state tax law is a felony punishable by up to \$100,000 for an individual, \$500,000 for a corporation, plus up to three years in jail upon conviction.

The penalty for late filing of a return is 5% of the tax withheld or \$5, whichever is greater, for the first month and an additional 1/2% for each month thereafter, not to exceed a total of 12%. The minimum late filing penalty is \$5.

If you are filing the return after the due date, interest is computed on the balance of the tax due at the **monthly** rate preprinted on the interest line. Interest is due at the current statutory rate for **each** month payment is received after the due date. If your payment is more than one month late, multiply the interest rate by the number of months times the amount of tax withheld to determine total interest due.

If you receive a notice of tax, penalty and/or interest due which you feel is incorrect or unwarranted, please submit a written protest including any information and documents (such as photocopies of front and back of cancelled checks, or EFT confirmation numbers) you think are pertinent. EFT filers who owe penalties and interest should pay them with a check and send a letter containing the explanation, account number, filing period ending date, and amount of penalty and interest.

A written protest and supporting documents may be sent to the department at:

Business Tax Accounting Section Denver, Colorado 80261

Transmittal of State W-2s

All employers must provide each employee with an annual statement of the amounts of money deducted and withheld from their employee's wages—

commonly known as W-2 Wage and Withholding Statements. These statements must also be filed with the Colorado Department of Revenue along with a summary that reconciles the wages paid and taxes withheld (DR 1093A Transmittal of State W-2s). W-2 statements may be submitted to The Department by one of four methods:

- · Secure electronic submission;
- · Email attachment;
- · Magnetic media; and
- · Via paper

Employers with more than 250 employees are required to submit electronically or by magnetic media. Paper W-2 statements can now also be filed electronically rather than mailing them. For filing specifications and additional information about electronic, magnetic, and email submission requirements, visit our Web site at www.TaxColorado.com (see Other Taxes, Wage Withholding) or read publication FYI Withholding 6, "Methods of Filing Colorado Annual W-2 Tax Data."

The deadline for submitting W-2 statements via email attachment, magnetic media, or paper is the last day of February. Electronic submissions must be filed no later than March 31. Businesses terminating their status as an employer must file W-2 statements within 30 days of the status change.

Be sure to write your account number on all checks and correspondence!

Frequently Asked Questions About Colorado Withholding Tax Requirements

Question: Is there a separate Colorado form similar to the federal W-4 form the employee

must complete?

Answer: No. Use the same exemptions for Colorado withholding as the employee

claims on the federal W-4 forms. (Call (800) 829-1040 to order federal W-4

forms.)

Question: Should I furnish a listing of individual employees with my returns?

Answer: No. A breakdown or listing of individual employees is not required with your

returns. This information on the W-2s is filed with your annual "Transmittal of

State W-2s" (DR 1093).

Question: What determines whether a return is filed late?

Answer: The postmark stamped by the U.S. Postal Service determines whether a

filing is late. In other words, if a return that is due on the 15th day of a month

is postmarked on or before the 15th, it will be accepted as "timely filed" regardless of when it arrives at Department of Revenue offices. Timely filing for weekly filers requires deposit of funds in the state account on or before

the due date. You must phone in the transfer instruction before 4:00 p.m.

Mountain time on the date the payment is due.

Question: What should I do if I lose, damage, or destroy my coupon book?

Answer: Contact the Colorado Tax Information Call Center at (303) 238-SERV (7378)

to request a new book or download the DR 1094 from our Web site at www.

TaxColorado.com

Question: What happens if an erroneous EFT transfer occurs?

Answer: Upon notification from the taxpayer, the department will immediately refund

any money erroneously transferred from your account regardless of the type of

erroneous transfer.

Question: How do EFT filers pay penalty and interest?

Answer: Payment of penalties and interest must be made by check. Include a letter

explaining the payment.

Question: Can I opt to file my withholding taxes by EFT even if I don't collect \$50,000 in

withholding taxes annually?

Answer: Yes. The department encourages it. Call (303) 238-SERV (7378) or visit the

department's Colorado Taxes Web page at www.TaxColorado.com for the

Electronic Payment (EFT) application and information packet.

Filling Out the "Colorado Income Withholding Tax Return" (DR 1094)

Make sure you use the coupons in the same order as they come in the coupon book. Additionally, you are responsible for maintaining an accurate record of withholding transactions. Therefore, be sure to complete and save the "stub" provided with each return form. You may also wish to make a copy of the form before mailing. Make check payable to the Colorado Department of Revenue. Write your account number on your check.

Employers are required to deduct and withhold all state wage withholding from employee paychecks by rounding all withholding deductions to the nearest dollar. Round amounts under 50 cents down to 0 cents, increase amounts from 50 to 99 cents to the next dollar. As a result of deducting whole dollar amounts from the employee pay, all amounts shown on tax returns, employee statements (including W-2s, 1099s) annual reconciliation reports, and all books and records of the employer will be whole dollars. [The Department will not require taxpayers to withhold in whole dollars if they make their wage withholding payments by electronic funds transfer and submit their W-2s by magnetic media.]

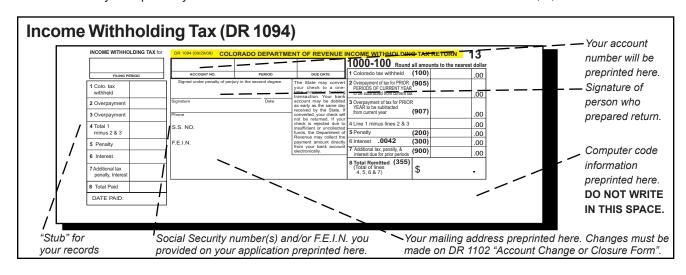

- Line 1: Enter the amount withheld for the period which you are reporting. If the tax is zero, you may file a paperless return through the Wage Withholding ZeroFile service at www.taxview.state.co.us/zerowithholding You must file either a paper or online "zero" return to avoid receiving a nonfiler notice.
- Line 2: Use this line to claim a credit for any overpayment of tax for a prior tax period of the current year, which will be subtracted from the tax due for this period in calculating your total remittance. Be sure to complete the right side of the back of your return if you report any amount on Line 2. If the

- overpayment amount is greater than Line 4, you may carry over the credit to the next return.
- Line 3: Use this line to claim a credit for any overpayment of tax for a PRIOR YEAR.

 Be sure to complete the right side of the back of your return if you report any amount on Line 3.
- **Line 4:** Enter the total of line 1 minus lines 2 & 3. This is the balance of tax due less credits from prior periods or years.
- Line 5: If you are filing late, enter penalty of 5% of Line 1 for the first month plus 1/2% of Line 1 for each additional month this return is late. You must enter a minimum of \$5 if the return is late. The maximum penalty may not exceed 12%.
- Line 6: Enter the interest computed on the balance of the tax due at the monthly rate preprinted on the interest line if our are filing the return after the due date. Interest is due at the current statutory rate for each month payment is received after the due date. If your payment is more than one month late, multiply the interest rate by the number of months times the amount of tax to determine total interest due.

Refer to www.TaxColorado.com for current interest rates if not preprinted on the form.

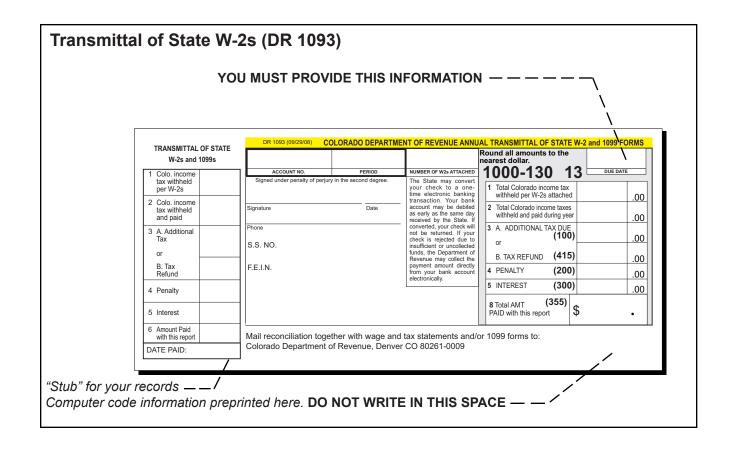

- Line 7: Use this line to report any tax due form prior periods plus penalty and interest, which will be added to the tax due for this period in calculating your total remittance. Be sure to complete the left side of the back of your return if you report any amount on Line 7.
- **Line 8:** Enter the total of Lines 4, 5, 6 & 7.

Filling Out the "Transmittal of State W-2s" (DR 1093)

- Line 1: Enter the total amount of Colorado income taxes withheld for the calendar year. The amount should match the total of those on the W-2 forms (or magnetic tape or computer diskette) attached to the transmittal form.
- Line 2: Enter the amount of withholding tax actually remitted to the Department of Revenue for the calendar year. Do not include penalty or interest paid during the year.
- Line 3: If Line 1 is greater than Line 2, enter the "Additional Tax Due" in the space provided (3A). If Line 1 is less than Line 2, enter the "Tax Overpayment" in the space provided (3B). In either case, you must provide an explanation of any difference between Lines 1 and 2 on the back of the DR 1093.
- Line 4: If additional tax is due with this reconciliation, you must pay a penalty on the balance due (Line 3A) from the date it was due at the same rates prescribed for late return filings. (See "Penalties and Interest" on page 4 of this booklet.)

- Line 5: If additional tax is due with this reconciliation, you must also pay interest on the amount due (Line 3A) from the date it was due at the current statutory rate. (See "Penalties and Interest" on page 4 of this booklet.)
- **Line 6:** Enter any tax due plus penalty and interest (total of Lines 3A, 4 and 5) and pay this amount with your DR 1093.
- **Tax Refund:** If you have overpaid withholding for the year (Line 3B), a tax refund will be issued to you automatically upon the processing of a timely filed DR 1093.
- **NOTE:** A paper DR 1093 form **must** accompany all paper W-2 data submissions or magnetic submissions with amounts listed on line 3A or 3B.

Uses of Account Change or Closure Form (DR 1102)

Any change in your business name and/or address must be reported to the Colorado Department of Revenue in writing on the "Account Change or Closure" form (DR 1102). You should also use this form to notify the department if the federal employer's identification number (F.E.I.N.) on your return is incorrect. Additionally, this form should be used to close your account if your business:

is sold or terminated.

- is no longer liable for Colorado income tax withholding.
- changed structure and was issued a new F.E.I.N.
- is a corporation that merged into another corporation.

Any **change in type of ownership** requires that you close the existing account and open a new account for the business.

How to Determine the Amount to Withhold

There are two different methods for determining how much income you should withhold from an employee's paycheck:

- Wage Bracket Method. (Instructions provided below.)
- Percentage Method of Withholding. (See pages 22 and 23.)

Wage Bracket Method

Find the proper table (on pages 12 through 21) for your payroll period and the employee's marital status as shown on the

Form W-4. Then, based on the number of withholding allowances claimed on the Form W-4 and the amount of wages, find the amount of income to withhold.

Example

To find the amount of income to withhold from the paycheck of a married employee who claims three allowances and who is paid \$2,375 on a monthly basis, refer to the table on page 19, partially displayed below.

Determining the Withholding Amount Colorado Income Tax Withholding Tables-Page 19 Monthly Payroll Period--Married Persons (for wages paid on or after January 1, 2007) and the number of withholding allowances claimed is: Wages are less at least than The amount of income tax to be withheld is: \$600 \$0 \$0 \$0 \$0 \$0 \$0 \$0 \$0 \$0 \$0 \$0 1,000 1,000 1,100 The proper withholding 1,100 1,200 amount is \$42 1 200 1 300 1,300 1,400 1,400 1,500 1,600 1.500 1,600 1,700 1,800 1.700 1,800 1,900 2,000 1.900 2,000 2,100 2,100 2,200 2.200 2.300 2,300 2,400 2.400 2.500 2,500 2,600 2,600 2,700 2,700 2,800 2,900 2,800 2.900 3.000 3,000 3,100 3.100 3.200 3,200 3,300 3,300 3,400 <u>3,</u>400 3,500

What If an Employee Claims More than 10 Allowances?

You can use the Percentage Method or adapt the tables for employees with more than 10 allowances as follows:

- Multiply the number of withholding allowances over 10 by the value of one allowance for the payroll period, which is listed on the second line of the Allowance Table on page 23.
- 2. Subtract the result from the employee's wages.
- 3. Findthisamountontheappropriatetable and withhold the amount of income in the column for 10 allowances.

Example

Withholding for a married employee who is paid \$4,375 on a monthly basis and claims 12 allowances would be calculated as follows:

Total allowances		12
Subtract 10		-10
Excess allowances		2
Multiply by 1 allowance valuex	\$_	283
Value of excess allowances		566
Monthly wage	\$	4,375
Subtract value of excess allowances		- <u>566</u>
Adjusted wage	\$	3,809

Find \$3,809 on table on page 19. Find the amount to be withheld in the last column (10 allowances).

The proper withholding amount is \$19

Percentage Method of Withholding

The following tables are provided for employers who choose to use the percentage method of determining the amount of Colorado income tax to be withheld:

To find the tax:

- 1. Use the employee's gross pay for the payroll period.
- Using the Allowance Table on page 23, subtract the withholding allowance shown for the number of allowances claimed from the employee's gross pay to derive adjusted wages.

 Determine the withholding tax on the adjusted wages by referring to the appropriate Percentage Withholding Table on page 23.

You may determine the tax to be withheld on the basis of annualized wages (using the Percentage-Method formulas for annual payroll periods) and then prorate the tax on the basis of the payroll period actually used.

Example

The withholding for a married employee who claims three allowances and is paid \$4,255 monthly would be calculated as follows using the Percentage Method:

Gross pay	\$4,255
Subtract value of 3 allowances	- 849
Adjusted wage	3,406
From Percentage Withholding Table	<u>– 600</u>
	2,806
Multiply by 4.63%	x.0463
Proper Amount of Withholding	\$ 130
