Colorado Income Tax Withholding

Who Must Withhold Colorado Income Tax?

You must withhold Colorado income tax from any compensation paid to any employee in accordance with the tables or rates prescribed in this booklet if:

1. The compensation is subject to federal withholding for income tax purposes; **and**
2. The employee is a Colorado resident (whether working inside **or outside** of Colorado), **or** the employee is a nonresident of Colorado performing services in Colorado.

The amount to be withheld is determined by the number of withholding tax exemptions claimed for federal income tax purposes.

Generally, self-employed persons are not subject to withholding tax. They satisfy their prepayment requirements by paying estimated income tax with the Colorado Estimated Income Tax Payment Voucher (Form 104 EP) under their own Social Security numbers.

A Colorado resident employee who works in another state may be excused from Colorado withholding on wages if income tax is withheld for the other state from those wages.

Certain agricultural and domestic employees who are exempt from federal withholding requirements are also exempt from Colorado state withholding requirements. Such employers do not have to file withholding returns with the Colorado Department of Revenue, but must file a Colorado "Transmittal of State W-2s" (DR 1093) with W-2 forms for such employees.

It is a requirement that any person who makes a payment to any natural person for services performed that is not otherwise subject to state income tax withholding to deduct and withhold state income tax at the rate of 4.63% if the person who performed the services fails to provide a valid taxpayer identification number or provides a nonresident alien taxpayer identification number issued by the Internal Revenue Service. There is an exception for individuals who are exempt from federal withholding.

Registration as a Withholding Agent

If you are required to withhold Colorado tax, you must register with the Department of Revenue as a withholding tax agent. You may register as a W-2 withholding agent electronically through Colorado Business Express at www.Colorado.gov/cbe or submit a Colorado Sales Tax/Withholding Account Application (CR 0100). You can obtain this application form and all other Department of Revenue forms from the Taxpayer Service Division on the Colorado Taxation Web site at www.TaxColorado.com Upon receipt of your application, the department will open a withholding tax account.

Withholding tax filing periods are normally based on the amount of tax withheld. If you have employees, estimate how much wage withholding you expect to pay for all your employees in one year. New businesses can file quarterly or can request more frequent filing if desired.

For more information or questions please refer to publication FYI Withholding 5 "Colorado Withholding Tax Requirements." All FYI publications and forms can be found on the department's Web site at www.TaxColorado.com

Address Change or Business Closure Form (DR 1102)

Any change in your business name and/or address must be reported to the Colorado Department of Revenue on the Address Change or Business Closure Form (DR 1102). You should also use this form to notify the department if the Federal Employer Identification Number (FEIN) on your account is incorrect. Additionally, this form should be used to close your account if your business:

- is sold or terminated.
- is no longer liable for Colorado income tax withholding.
- changed structure and was issued a new FEIN.
- is a corporation that merged into another corporation.

Any change in type of ownership requires that you close the existing account and open a new account for the business. The DR 1102 can be found on the Taxation Web site at www.TaxColorado.com

Filing periods

The department determines whether an employer will be a quarterly, monthly or weekly filer based on an annual review of the amount of Colorado withholding tax that the employer reported during the prior 12-month period of July 1 through June 30. For example, for the 2014 calendar year, the Department of Revenue looks at the period July 1, 2012 through June 30, 2013 to determine how much tax the employer reported and how often the employer will file. This is called the "lookback period."

Lookback Period — The lookback period for each employer will be examined each year. Any changes in withholding filing status will be effective on January 1 of the following year. If an employer's filing status changes, the employer will be notified by the department prior to January 1. All changes in filing frequency must first be approved by the department.

Quarterly Filers — Employers whose Colorado wage withholding reported during the lookback period was less than \$7,000. The due date for quarterly filers is the last day of the month following the close of the calendar quarter. Quarters end on March 31, June 30, September 30 and December 31. For example, a return for the quarter ending March 31 is due April 30.

Monthly Filers — Employers whose Colorado wage withholding reported during the lookback period was at least \$7,000 but not more than \$50,000. Monthly filers must file a withholding return on or before the 15th day of the following month.

Weekly/Frequent — Employers whose Colorado wage withholding reported during the lookback period was more than \$50,000 must remit any Colorado withholding taxes accumulated as of any Friday on or before the third business day following that Friday. Always provide

the department with a Friday date for the filing period ending date. **One Exception:** At the end of the year, weekly/frequent filers must make a final transmission that includes all taxes withheld for all payrolls through December 31. Therefore, December 31 will be the filing period ending date for this transmission, even if it is not a Friday. The payment transmission is due three business days after December 31.

Employers who withhold more than \$50,000 annually must file all payments by Electronic Funds Transfer (EFT). (See *below*.)

Seasonal Filers — Employers who do not operate their business during the entire calendar year and who do not have Colorado wage withholding when the business is not operating must obtain Department of Revenue approval and inform the department of the months in which there will be withholding. Seasonal filers must file a return on or before the 15th business day of the month following each month of operation. Returns for scheduled months must be filed even if no taxes are withheld.

A withholding tax return must be filed for every filing period or at least once a month for weekly/frequent filers. If no taxes have been withheld during the filing period, a return reporting zero tax withheld must be filed. When the due date falls on a weekend or holiday, taxes are considered timely if they are paid on the first business day following the due date.

How to File and Pay

There are two methods available for electronically remitting Colorado withholding taxes: through Revenue Online or by Electronic Funds Transfer (EFT).

Revenue Online — Withholding payments and returns can be submitted through www.Colorado.gov/RevenueOnline To sign up for Revenue Online account access, you will need your Colorado Account Number (CAN) which is the same as your license number. Your license will also have a letter ID printed on it which will help you to set up your account access. You will be able to create your own Login ID and Password. Once you start using Revenue Online, in addition to filing your returns, you will be able to see all the returns you have filed and your payment history. Withholding tax filers that do not have wage withholding to report for a specific filing period may login to Revenue Online and file a “zero” return. There is a nominal fee for online tax payments submitted through Revenue Online.

Electronic Funds Transfer (EFT) — Employers who pay more than \$50,000 withholding tax per year are required to pay by EFT. Employers who do not meet this requirement are encouraged to use EFT as it virtually eliminates the potential of processing errors. If payment is submitted electronically using EFT, you do not need to file a wage withholding return.

You can sign up for EFT through your Revenue Online account or by using the Authorization for Electronic Funds Transfer (EFT) Payments (DR 5785). By signing up in Revenue Online, you can use your EFT

Number and PIN Code the next business day. For more information on how to register, please visit www.Colorado.gov/Revenue/EFT

Colorado’s EFT program offers two methods of electronic payment, ACH Debit and ACH Credit. You may choose either or both. We offer an ACH debit service which is accessible through the Web or telephone, or you may choose to initiate ACH credit payments through the banking system using a standard format. Both options are free, but you must be registered with the department to use either service. You may incur fees or charges from your financial institution. Detailed information on ACH Debit and Credit is available at: www.Colorado.gov/Revenue/EFT

Paper return and check or money order — If an employer pays less than \$50,000 and cannot file by EFT or through Revenue Online, the Income Withholding Tax Return (DR 1094) should be completed and mailed along with a check or money order to the department. The most current version of the DR 1094 on the department’s Web site must be filed. Be sure to write your account number on all checks and correspondence. Please note that this process does increase the chances of an error or problem and the use of electronic payment options are strongly recommended. The form is available on the Taxation Web site, www.TaxColorado.com

Bonuses and Overtime

If you pay an employee overtime or a bonus on a separate check other than his/her regular payroll check, you must withhold Colorado tax. You may withhold 4.63% in lieu of using the withholding tax tables in this booklet.

Correcting Returns and Withholding Refund Requirements

Claim Refunds on the DR 1094 — Overpayments of withholding for the current year only should first be deducted from the subsequent month(s) DR 1094 returns, zeroing out these returns until the overpayment is satisfied.

Wage (W-2) Withholding Refunds — The department issues refunds of wage withholding once a year. These refunds are issued by completing and remitting an Annual Transmittal of W-2s (DR 1093) at the end of February, indicating the total amount of wages withheld and reported in the prior year by businesses on their employees’ W-2s. If you use the electronic method for filing your W-2s (Revenue Online, www.Colorado.gov/RevenueOnline) you can submit a DR 1093 if an amount appears on 3A (additional balance due) or 3B (a refund). If filing a paper DR 1093, the most current version of the form on the department’s Web site must be filed. Mail this form to the Colorado Department of Revenue, Denver, CO 80261-0009.

An overpayment from a previous year must be requested by filing a Claim for Refund (DR 0137) form. An original or amended form DR 1093 must be included indicating the year in review. The DR 0137 is available on the Taxation

Web site at www.TaxColorado.com

W-4 Forms — Colorado does not have a state equivalent of the federal form W-4. Employees should complete the federal W-4 for both federal and Colorado wage withholding tax purposes. An employer must file with the Department of Revenue any W-4 for any employee who is expected to earn more than \$200 per week and who lists more than 10 withholding allowances or an exempt status. Additionally, these W-4 forms shall include a cover letter listing the employer name, address, FEIN, and the number of Withholding Allowance Certificates included. The Colorado Department of Revenue will contact you should it be determined that the requested exemptions must be modified. Withholding Allowance Certificates should be mailed to:

Colorado Department of Revenue
Discovery Section Room 634
PO Box 17087
Denver, CO 80217-0087

Failure to File a Return

If you have no wage withholding for a period, you must file a “zero” return. To file a Wage (W-2) Withholding return, you may login to Revenue Online after you have created your own Login ID and Password to file your actual return or a “zero” tax due return. Filing electronically reduces the chance of errors. You may also file a paper DR 1094 with a check or money order.

If you fail to file a return, the Department of Revenue will send you a bill with an estimate of your tax due plus penalty and interest. You will have 10 days to report and pay the actual amount of tax withheld for the period plus penalty and interest on the amount of tax due.

Penalties and Interest

Willful failure to comply with Colorado state tax law is a felony punishable by up to \$100,000 for an individual, \$500,000 for a corporation, plus up to three years in jail upon conviction.

The penalty for late filing of a return is 5% of the tax withheld or \$5, whichever is greater, for the first month and an additional 1/2% for each month thereafter, not to exceed a total of 12%. The minimum late filing penalty is \$5.

If you are filing the return after the due date, interest is computed on the balance of the tax due at the **monthly** rate preprinted on the interest line. Interest is due at the current statutory rate for **each** month payment is received

after the due date. The department will automatically calculate any interest and penalty due.

If you receive a notice of tax, penalty and/or interest due which you feel is incorrect or unwarranted, please submit a written protest including any information and documents (such as photocopies of front and back of cancelled checks or EFT confirmation numbers).

Any written protest to a letter received from the Department of Revenue should be sent to the address on the letter. A copy of the letter received from the department should be included with your written protest and supporting documentation.

Annual Information Returns for W-2s

All employers must provide each employee with an annual statement of the amounts of money deducted and withheld from their employee’s wages—commonly known as W-2 Wage and Tax Statement.

Annual Wage and Withholding Statements (W-2s) must be filed with the Colorado Department of Revenue. It is preferred that these are submitted electronically through Revenue Online. Employers with more than 250 employees are required to file electronically.

Details on how to file through Revenue Online can be found at www.revenue.state.co.us/FileCoW2

Note: The deadline to file W-2s will be month later if filed electronically through Revenue Online.

If you cannot submit the W-2 forms electronically you must prepare the Annual Transmittal of State W-2 Forms (DR 1093) and submit copies of the paper W-2 forms to the department. (The DR 1093 is not needed if the W-2 forms are submitted electronically unless there is a refund requested or a balance due. In either case, submit a paper DR 1093 directly to the Department of Revenue.)

Please note the following schedule for W-2 forms:

- By last day of January: Furnish form to each employee,
- By last day of February: File paper W-2 forms and DR 1093 (any catch-up payment due), or
- By last day of March: File W-2 forms through Revenue Online.

Further details about filing annual information returns is available in publication FYI Withholding 6, Methods of Filing Colorado Annual W-2 Tax Data.

Filling Out the “Colorado Department of Revenue W-2 Wage Withholding Tax Return” (DR 1094)

The DR 1094 is used by employers to report Colorado W-2 income taxes that have been withheld from employee pay. Review publication FYI Withholding 5, Colorado Wage Withholding Tax Requirements for detailed information about filing requirements and frequencies.

After completing payroll and withholding Colorado income taxes as defined by the Colorado Income Tax Withholding Tables for Employers (DR 1098), report here the total tax collected for the filing period. This is the Colorado withholding tax that will be reported at the end of the year on federal form W-2-Wage and Tax Statement.

You may pay tax through Revenue Online, www.Colorado.gov/RevenueOnline by echeck or credit card. Or, you may sign up for Electronic Funds Transfer (EFT). Visit www.Colorado.gov/Revenue/EFT for more information. **DO NOT FILE A PAPER DR 1094 IF YOU REMITTED THE WITHHOLDING TAXES VIA EFT.**

To prevent being billed by the Department when no taxes were withheld during the filing period, file a zero return. A paper zero return may be mailed, or for fast and simple filing of a zero return access www.Colorado.gov/RevenueOnline and file electronically.

Amending Withholding Taxes

If you overpaid for a period, you may take a credit on a future return in the current calendar year. The credit may be taken on a return/payment filed at www.Colorado.gov/RevenueOnline or a subsequent paper form W-2 Wage Withholding Tax Return (DR 1094). If you are unable to claim the credit on a subsequent DR 1094 within the calendar year, you should claim a refund on your Annual Transmittal of State W-2 Forms (DR 1093) for the appropriate year.

If additional tax is owed, file another return for the period the tax is due reporting only the additional amount owed at www.Colorado.gov/RevenueOnline. If you cannot file electronically, file a paper DR 1094 reporting only the additional tax due for the period.

Refunds will be issued from a DR 1093 filed at the end of February following the end of the calendar year. For additional information or questions, refer to publication FYI Withholding 5, Colorado Wage Withholding Tax Requirements at www.TaxColorado.com

All FYI publications, forms, and answers to frequently asked questions are available at www.TaxColorado.com, the official Taxation Web site. Or, you may call (303) 238-7378 to speak with a representative.

Account Number: List the Colorado business account number from your withholding certificate or sales tax license. This number is 8 digits. Do not list your FEIN or EFT number here.

Filing Period: List here the filing period for this return. Be sure you are using the correct period end date for your defined filing frequency.

Line 1 Enter the amount of Colorado income tax withheld for the period. If the tax is zero, file a zero return through Revenue Online at www.Colorado.gov/RevenueOnline

Line 2 If a previous period **IN THE CURRENT TAX YEAR** was overstated and paid, complete the worksheet below and calculate the overpayment for the tax period. Transfer the overpayment amount to line 2 of the DR 1094.

Note: See the actual DR 1094 on the department’s Web site to view a copy of the worksheet.

Line 3 Calculate the net amount due by subtracting line 2 from line 1.

Line 4 Complete only if return is being filed after the due date. Penalty is calculated by determining how far past the due date the return is being filed. If the return is filed within the first month after the due date, calculate the penalty at 5% (.05) of the tax due, or \$5, whichever is greater. For each additional month thereafter the return is delinquent, add one-half of 1% (.005), up to a maximum of 12%.

Line 5 Complete only if return is being filed after the due date. Refer to publication FYI General 11, Colorado Civil Tax Penalties and Interest to calculate late payment interest. Enter the calculated interest amount on line 5.

Line 6 Add together the amounts listed on lines 3, 4 and 5. This is the amount that is due. Make check or money order payable to the Colorado Department of Revenue. Use the memo to clearly list “W-2 WTH,” your account number, and tax period.

How to Determine the Amount to Withhold

There are two different methods for determining how much income you should withhold from an employee's paycheck:

- Wage Bracket Method. (Instructions provided below.)
- Percentage Method of Withholding. (See pages 22 and 23.)

Wage Bracket Method

Find the proper table (on pages 12 through 21) for your payroll period and the employee's marital status as

shown on the Form W-4. Then, based on the number of withholding allowances claimed on the Form W-4 and the amount of wages, find the amount of income to withhold.

Example: To find the amount of income to withhold from the paycheck of a married employee who claims three allowances and who is paid \$2,375 on a monthly basis, refer to the table on page 19, partially displayed below.

Determining the Withholding Amount

What If an Employee Claims More than 10 Allowances?

You can use the Percentage Method or adapt the tables for employees with more than 10 allowances as follows:

1. Multiply the number of withholding allowances over 10 by the value of one allowance for the payroll period, which is listed on the second line of the **Allowance Table on page 23**.
2. Subtract the result from the employee's wages.
3. Find this amount on the appropriate table and withhold the amount of income in the column for 10 allowances.

Example: Withholding for a married employee who is paid \$4,750 on a semimonthly basis and claims 12 allowances would be calculated as follows:

Total allowances	12
Subtract 10	<u>– 10</u>
Excess allowances	2
Multiply by 1 allowance value	x \$ <u>342</u>
Value of excess allowances.....	\$ 684
Monthly wage	\$ 4,750
Subtract value of excess allowances.....	<u>– 684</u>
Adjusted wage	\$ 4,066

Frequently Asked Questions About Colorado Withholding Tax Requirements

Question: Is there a separate Colorado form similar to the federal W-4 form the employee must complete?

Answer: No. Use the same exemptions for Colorado withholding as the employee claims on the federal W-4 forms. Call (800) 829-1040 to order federal W-4 forms. You may also visit www.IRS.gov

Question: Should I furnish a listing of individual employees with my returns?

Answer: No. A breakdown or listing of individual employees is not required with your returns. This information on the W-2s is filed with your annual "Transmittal of State W-2 Forms" (DR 1093).

Question: What determines whether a return is filed late?

Answer: The postmark stamped by the U.S. Postal Service determines whether a filing is late. In other words, if a return that is due on the 15th day of a month is postmarked on or before the 15th, it will be accepted as "timely filed" regardless of when it arrives at Department of Revenue offices. Timely filing for weekly filers paying by EFT credit requires origination of the payment transaction on the due date. If paying through the Department's EFT debit service, the payment must be made by 4:00 p.m. Mountain Time on the due date.

Question: If I make a withholding tax payment by EFT, do I need to also file through Revenue Online or on paper?

Answer: No. The EFT withholding payment satisfies the filing requirement. Filing a return in addition to the payment may result in an erroneous bill.

Question: How do I use Secure Messaging in my Revenue Online Account?

Answer: First, you need to create your Login ID and Password in Revenue Online at www.Colorado.gov/RevenueOnline. For instructions see the "Help" link under the Revenue Online home page menu.

Question: How do EFT filers pay penalty and interest?

Answer: Payment of penalties and interest may be made on Revenue Online or by check.

Question: Can I opt to file my withholding taxes by EFT even if I don't collect \$50,000 in withholding taxes annually?

Answer: Yes. The department encourages it. Visit www.Colorado.gov/revenue/eff for more information on how to file by EFT.

Percentage Method of Withholding

The following tables are provided for employers who choose to use the percentage method of determining the amount of Colorado income tax to be withheld:

To find the tax:

1. Use the employee's gross pay for the payroll period.
2. Using the **Allowance Table on page 23**, subtract the withholding allowance shown for the number of allowances claimed from the employee's gross pay to derive **adjusted wages**.

3. Determine the withholding tax on the **adjusted wages** by referring to the appropriate **Percentage Withholding Table on page 23**.

You may determine the tax to be withheld on the basis of annualized wages (using the Percentage Method formulas for annual payroll periods) and then prorate the tax on the basis of the payroll period actually used.

Example: The withholding for a married employee who claims three allowances and is paid \$4,255 monthly would be calculated as follows using the Percentage Method:

Gross pay.....	\$	4,255
Subtract value of 3 allowances		<u>-1,025</u>
Adjusted wage		3,230
From Percentage Withholding Table		<u>- 717</u>
.....		2,513
Multiply by 4.63%.....	x	<u>.0463</u>
Proper Amount of Withholding	\$	116
(Round to the nearest whole dollar)
