II. Introduction

This annual report of the Colorado Supreme Court Attorneys' Fund for Client Protection (the Fund) covers the period beginning January 1, 2013 and ending December 31, 2013.

The purpose of the Fund is to promote public confidence in the administration of justice and the integrity of the legal profession by mitigating losses caused by the dishonest conduct of attorneys admitted and licensed to practice law in the courts of this state during the course of attorney-client or court-appointed fiduciary relationship between the attorney and the claimant.

The Fund does not receive any governmental monies or tax dollars. Every active Colorado attorney has contributed forty dollars to the Fund as a part of their annual registration fee since January 1, 2008 (effective January 16, 2014, The Supreme Court decreased the annual assessment to twenty-five dollars per active attorney).

III. History and Structure of the Fund

On June 25, 1998 (effective January 1, 1999), the Colorado Supreme Court established the Fund. Under the supervision of the Colorado Supreme Court, a Board of Trustees appointed by the Court receives, holds, manages and disburses the funds collected. *See* C.R.C.P. 252.2.

The Board of Trustees consists of five Colorado attorneys and two public members appointed by the Supreme Court. The Trustees serve without compensation and are appointed for terms of three years and are eligible to serve no more than two consecutive, three-year terms. *See* C.R.C.P. 252.5.

The Trustees meet as frequently as necessary to process claims in a timely manner. The Trustees, in their sole discretion, evaluate, investigate, determine and pay claims. The Trustees promulgate rules of procedure and fix a maximum amount of payment per claim payable on an aggregate amount, which may be paid because of the dishonest conduct of any one attorney. *See* C.R.C.P. 252.7.

The Colorado Supreme Court Office of Attorney Regulation Counsel serves as counsel to the Board of Trustees. Attorney Regulation Counsel receives and investigates all claims filed with the Fund. *See* C.R.C.P. 252.12.

IV. Eligible Claims

For a claim to be eligible for reimbursement, the loss must be caused by the dishonest conduct of the attorney. Additionally, the loss must arise out of and by reason of an attorney-client relationship or a court-appointed fiduciary relationship between the attorney and the claimant. *See* C.R.C.P. 252.10. Pursuant to court rule, the Trustees could not pay claims for losses incurred as a result of dishonest conduct committed prior to July 1, 1999. *See* C.R.C.P. 252.2(c).

On June 16, 1999, the Trustees adopted guidelines to carry out the purposes of the Fund. The guidelines set forth eligibility requirements, filing instructions, processing details and payment of award details. The Trustees occasionally modify the guidelines to meet changing needs. (Copies of the guidelines are available by contacting the Colorado Supreme Court Office of Attorney Regulation Counsel or by visiting our web site at www.coloradosupremecourt.com).

In cases of extreme hardship or special or unusual circumstances, the Trustees may, in their sole discretion, recognize a claim that would otherwise be excluded under the rules. *See* C.R.C.P. 252.10(e).

The Trustees require the Claimant to initiate a request for investigation with the Office of Attorney Regulation Counsel prior to consideration of any claim.

V. Claim Limits

At the inception of the Fund, the Trustees adopted a limit of \$5,000 as the maximum amount any claimant could receive from the fund regardless of the magnitude of the loss. Additionally, the Trustees initially adopted a maximum payment of \$20,000 in the aggregate regardless of the magnitude of losses any particular lawyer may have caused.

The Trustees subsequently set a \$50,000 per claim limit and a \$100,000 limit for losses caused by any one attorney. The amount of any award made is within the sole discretion of the Trustees.

In 2009, the Trustees adopted a policy regarding claims previously approved but not wholly paid. That policy requires the Trustees to reconsider all claims previously approved, but not wholly paid, at the final meeting of each calendar year, including the year the claim was initially approved and two successive years. (For example, assuming the claim was partially paid at the December 2012 meeting, then the committee shall reconsider the claim at the final meeting in 2013 and in 2014. As another example, if the claim was partially paid at the April 2012 meeting, then the Committee shall reconsider the claim at the final meetings in 2012, 2013, and 2014.)
