GLOSSARY OF ABSTRACT TERMS

Assembly Meeting of delegates of a political party held to designate candidates for nomination at a primary election. Assemblies are held every two years.

Initiative The Colorado Constitution provides that registered voters may propose Constitutional Amendments or changes to the Colorado Revised Statutes by petition. Title 1, Article 40, C.R.S., provides specific procedures for submitting initiative petitions. Petitions require signatures of registered electors in an amount equal to 5% of the votes cast for all candidates for the office of Secretary of State at the previous General Election.

Referendum The General Assembly may propose Constitutional Amendments or refer changes in the statutes to the people. In addition, the Colorado Constitution provides that a referendum may be ordered against any act of the General Assembly, except laws necessary for the immediate preservation of the public peace, health, or safety and appropriations for the support and maintenance of the departments of state and state institutions. Referends initiated by the people require signatures of registered electors in an amount equal to 5% of the votes cast for all candidates for the office of Secretary of State at the previous General Election.

Referendum petitions must be filed with the Secretary of State not more than 90 days after the final adjournment of the session of the General Assembly that passed the bill on which the referendum is demanded.

Subject: 1993-1994 Abstract of Votes

I am honored to present you with this official publication of the 1993-1994 Abstract of Votes Cast.

The information compiled in this summary is from material filed in my office by the county clerk and recorders. This publication will assist in the profiling of voting patterns of Colorado voters during the 1993 odd-year election and the 1994 primary and general elections.

The *total registered voters* figures generated in this publication for the primary and general elections have minor discrepancies in statewide races when compared with specific district races. These discrepancies will be found in Republican and Democratic totals. The statewide figures for each county are accurate, however. We regret any inconveniences this has caused. The inconsistencies that caused these discrepancies have been corrected for future elections.

I dedicate this publication to those who practice their rights as Colorado citizens.

"All elections shall be free and open; and no power, civil or military, shall at any time interfere to prevent the free exercise of the right of suffrage."
