Referendum petitions shall be addressed to and filed with the secretary of state not more than ninety days after the final adjournment of the session of the general assembly, that passed the bill on which the referendum is demanded. The filing of a referendum petition against any item, section or part of any act, shall not delay the remainder of the act from becoming operative. The veto power of the governor shall not extend to measures initiated by, or referred to the people. All elections on measures referred to the people of the state shall be held at the biennial regular general election, and all such measures shall become the law or a part of the constitution, when approved by a majority of the votes cast thereon, and not otherwise, and shall take effect from and after the date of the official declaration of the vote thereon by proclamation of the governor, but not later than thirty days after the vote has been canvassed. This section shall not be construed to deprive the general assembly of the right to enact any measure. The whole number of votes cast for secretary of state at the regular general election last preceding the filing of any petition for the initiative or referendum shall be the basis on which the number of legal voters necessary to sign such petition shall be counted.

The secretary of state shall submit all measures initiated by or referred to the people for adoption or rejection at the polls, in compliance herewith. The petition shall consist of sheets having such general form printed or written at the top thereof as shall be designated or prescribed by the secretary of state; such petition shall be signed by qualified electors in their own proper persons only, to which shall be attached the residence address of such person and the date of signing the same. To each of such petitions, which may consist of one or more sheets, shall be attached an affidavit of some qualified elector, that each signature thereon is the signature of the

person whose name it purports to be, and that to the best of the knowledge and belief of the affiant, each of the persons signing said petition was at the time of signing, a qualified elector. Such petition so verified shall be prima facie evidence that the signatures thereon are genuine and true and that the persons signing the same are qualified electors. The text of all measures to be submitted shall be published as constitutional amendments are published, and in submitting the same and in all matters pertaining to the form of all petitions the secretary of state and all other officers shall be guided by the general laws, and the act submitting this amendment, until legislation shall be especially provided therefor.

The style of all laws adopted by the people through the initiative shall be, "Be it Enacted by the People of the State of Colorado."

The initiative and referendum powers reserved to the people by this section are hereby further reserved to the legal voters of every city, town and municipality as to all local, special and municipal legislation of every character in or for their respective municipalities. The manner of exercising said powers shall be prescribed by general laws, except that cities, towns and municipalities may provide for the manner of exercising the initiative and referendum powers as to their municipal legislation. **Sec. 7. **Sec. 8. But no such debt shall be created unless the question of incurring the same shall at a regular election for councilman, alderman, or officers of such city or town be submitted to a vote of such qualified electors thereof as shall in the year next preceding have paid a property tax therein, and a majority of those voting on the question by ballot deposited in a separate ballotbox, shall vote in favor of creating such debt; but the aggregate amount of debt so created, together with the debt existing at the time of such election, shall not at any time exceed three percent of the valuation last aforesaid. Debts contracted for supplying water to such city or town are excepted from the operation of this section. The valuation in this section mentioned shall be in all cases that of the assessment next preceding the last assessment before the adoption of such ordinance.

**Sec. 9. This article not to affect prior obligations.**—Nothing contained in this article shall be so construed as to either impair or add to the obligation of any debt heretofore contracted by any county, city, town or school district, in accordance with the laws of Colorado territory, or prevent the contracting of any debt, or the issuing of bonds therefor in accordance with said laws upon any proposition for that purpose which may have been, according to said laws, submitted to a vote of the qualified electors of any county, city, town or school district before the day on which this constitution takes effect.

tion not held within thirty days after such petition is filed; whenever such petition is signed by qualified electors in number not less than ten per cent of the next preceding gubernatorial vote in said city and county, with a request for a special election, the council shall submit it at a special election to be held not less than thirty nor more than sixty days from the date of filing the petition; Provided, That any question so submitted at a special election shall not again be submitted at a special election within two years thereafter. In submitting any such charter, charter amendment or measure, any alternative article or proposition may be presented for the choice of voters, and may be voted on separately without prejudice to others. Whenever the question of a charter convention is carried by a majority of those voting thereon, a charter convention shall be called through a special election ordinance as provided in section four (4) hereof, and the same shall be constituted and held and the proposed charter submitted to a vote of the qualified electors, approved or rejected, and all expenses paid, as in said section provided.

The clerk of the city and county shall publish, with his official certification, for three times, a week apart, in the official newspapers, the first publication to be with his call for the election, general or special, the full text of any charter, charter amendment, measure, or proposal for a charter convention, or alternative article or proposition, which is to be submitted to the voters. Within ten days following the vote the said clerk shall publish once in said newspaper the full text of any charter, charter amendment, measure, or proposal for a charter convention, or alternative article or proposition, which shall have been approved by a majority of those voting thereon, and he shall file with the secretary of state two copies thereof (with the vote for and against) officially certified by him, and the same shall go into effect from the date of such filing. He shall also certify to the secretary of state, with the vote for and against, two copies of every defeated alternative article or proposition, charter, charter amendment, measure or proposal for a charter convention. Each charter shall also provide for a reference upon proper petition therefor, of measures passed by the council to a vote of the qualified electors, and for the initiative by the qualified electors of such ordinances as they may by petition request.

The signatures to petitions in this amendment mentioned need not all be on one paper. Nothing herein or elsewhere shall prevent the council, if it sees fit, from adopting automatic vote registers for use at elections and references.

No charter, charter amendment or measure adopted or defeated under the provisions of this amendment shall be amended, repealed or revived, except by petition and electoral vote. And no such charter, charter amendment or measure shall diminish the tax rate for state purposes fixed by act of the general assembly, or interfere in anywise with the collection of state taxes.

\*The city council, or board of trustees, or other body in which the legislative powers of any home rule city or town may then be vested, on its own initiative, may submit any measure, charter amendment, or the question whether or not a charter convention shall be called, at any general or special state or municipal election held not less

than 30 days after the effective date of the ordinance or resolution submitting such question to the voters.

**Sec. 6. Home rule for cities and towns.**—The people of each city or town of this state, having a population of two thousand inhabitants as determined by the last preceding census taken under the authority of the United States, the state of Colorado or said city or town, are hereby vested with, and they shall always have, power to make, amend, add to or replace the charter of said city or town, which shall be its organic law and extend to all its local and municipal matters.

Such charter and the ordinances made pursuant thereto in such matters shall supersede within the territorial limits and other jurisdiction of said city or town any law of the state in conflict therewith.

Proposals for charter conventions shall be submitted by the city council or board of trustees, or other body in which the legislative powers of the city or town shall then be vested, at special elections, or at general, state or municipal election, upon petition filed by qualified electors, all in reasonable conformity with section 5 of this article, and all proceedings thereon or thereafter shall be in reasonable conformity with sections 4 and 5 of this article.

From and after the certifying to and filing with the secretary of state of a charter framed and approved in reasonable conformity with the provisions of this article, such city or town, and the citizens thereof, shall have the powers set out in sections 1, 4 and 5 of this article, and all other powers necessary, requisite or proper for the government and administration of its local and municipal matters, including power to legislate upon, provide, regulate, conduct and control:

a. The creation and terms of municipal officers, agencies and employments; the definition, regulation and alteration of the powers, duties, qualifications and terms or tenure of all municipal officers, agents and employes;

b. The creation of police courts; the definition and regulation of the jurisdiction, powers and duties thereof, and the election or appointment of police magistrates therefor;

c. The creation of municipal courts; the definition and regulation of the jurisdiction, powers and duties thereof, and the election or appointment of the officers thereof;

d. All matters pertaining to municipal elections in such city or town, and to electoral votes therein on measures submitted under the charter or ordinances thereof, including the calling or notice and the date of such election or vote, the registration of voters, nominations, nomination and election systems, judges and clerks of election, the form of ballots, balloting, challenging, canvassing, certifying the result, securing the purity of elections, guarding against abuses of the elective franchise, and tending to make such elections or electoral votes non-partisan in character;

e. The issuance, refunding and liquidation of all kinds of municipal obligations, including bonds and other obligations of park, water and local improvement districts;

f. The consolidation and management of park or water districts in such cities or towns or within the jurisdiction thereof; but no such consolidation shall be effective until approved by the vote of a majority, in each district to be consolidated, of the qualified electors voting therein upon the question;

g. The assessment of property in such city or town for municipal taxation and the levy and collection of taxes thereon for municipal purposes and special assessments for local improvements; such assessments, levy and collection of taxes and special assessments to be made by municipal officials or by the county or state officials as may be provided by the charter;

h. The imposition, enforcement and collection of fines and penalties for the violation of any of the provisions of the charter, or of any ordinance adopted in pursuance of the charter.

It is the intention of this article to grant and confirm to the people of all municipalities coming within its provisions the full right of self-government in both local and municipal matters and the enumeration herein of certain powers shall not be construed to deny such cities and towns, and to the people thereof, any right or power essential or proper to the full exercise of such right.

The statutes of the state of Colorado, so far as applicable, shall continue to apply to such cities and towns, except in so far as superseded by the charters of such cities and towns or by ordinance passed pursuant to such charters.

All provisions of the charters of the city and county of Denver and the cities of Pueblo, Colorado Springs and Grand Junction, as heretofore certified to and filed with the secretary of state, and of the charter of any other city heretofore approved by a majority of those voting thereon and certified to and filed with the secretary of state, which provisions are not in conflict with this article, and all elections and electoral votes heretofore had under and pursuant thereto, are hereby ratified, affirmed and validated as of their date.

Any act in violation of the provisions of such charter or of any ordinance thereunder shall be criminal and punishable as such when so provided by any statute now or hereafter in force.

The provisions of this section 6 shall apply to the city and county of Denver.

This article shall be in all respects self-executing.

**Sec. 7. City and county of Denver single school district—consolidations.**—The city and county of Denver shall alone always constitute one school district, to be known as District No. 1, but its conduct, affairs and business shall be in the hands of a board of education consisting of such members, elected in such manner as the general school laws of the state shall provide, and until the first election under said laws of a full board of education which shall be had at the first election held after the adoption of this amendment, all the directors of school district No. 1, and the respective presidents of the school boards of school districts Nos. 2, 7, 17 and 21, at the time this amendment takes effect, shall act as such board of education, and all districts or special charters now existing are hereby abolished.

The said board of education shall perform all the acts and duties required to be performed for said district by the general laws of the state. Except as inconsistent with this amendment, the general school laws of the state shall, unless the context evinces a contrary intent, be held to extend and apply to the said "District No. 1."

Upon the annexation of any contiguous municipality which shall include a school district or districts or any part of a district, said school district or districts or part shall be merged in said "District No. 1," which shall then own all the property thereof, real and personal, located within the boundaries of such annexed municipality, and shall assume and pay all the bonds, obligations and indebtedness of each of the said included school districts and a proper proportion of those of partially included districts;

Provided, however, That the indebtedness, both principal and interest, which any school district may be under at the time when it becomes a part, by this amendment or by annexation, of said "District No. 1," shall be paid by said school district so owning the same by a special tax to be fixed and certified by the board of education to the council, which shall levy the same upon the property within the boundaries of such district, respectively, as the same existed at the time such district becomes a part of said "District No. 1," and in case of partially included districts such tax shall be equitably apportioned upon the several parts thereof.

**Sec. 8. Conflicting Constitutional Provisions declared inapplicable.**—Anything in the constitution of this state in conflict or inconsistent with the provisions of this amendment is hereby declared to be inapplicable to the matters and things by this amendment covered and provided for.

## ARTICLE XXI. RECALL FROM OFFICE.

**Section 1. State officers may be recalled.**—Every elective public officer of the state of Colorado may be recalled from office at any time by the electors entitled to vote for a successor of such incumbent through the procedure and in the manner herein provided for, which procedure shall be known as the recall, and shall be in addition to and without excluding any other method of removal provided by law.

The procedure hereunder to effect the recall of an elective public officer shall be as follows:

A petition signed by electors entitled to vote for a successor of the incumbent sought to be recalled equal in number to twenty-five per centum of the entire vote cast at the last preceding election for all candidates for the position which the incumbent sought to be recalled occupies, demanding an election of the successor to the officer named in said petition, shall be filed in the office in which petitions for nominations to office held by the incumbent sought to be recalled are required to be filed; Provided, if more than one person is required by law to be elected to fill the office of which the person sought to be recalled is an incumbent, then the said petition shall be signed by electors entitled to vote for a successor to the incumbent sought to be recalled equal in number to twenty-five per centum of

the entire vote cast at the last preceding general election for all candidates for the office, to which the incumbent sought to be recalled was elected as one of the officers thereof, said entire vote being divided by the number of all officers elected to such office, at the last preceding general election; and such petition shall contain a general statement, in not more than two hundred words, of the ground or grounds on which such recall is sought, which statement is intended for the information of the electors, and the electors shall be the sole and exclusive judges of the legality, reasonableness and sufficiency of such ground or grounds assigned for such recall, and said ground or grounds shall not be open to review.

**Sec. 2. Form of recall petition.**—Any recall petition may be circulated and signed in sections, provided each section shall contain a full and accurate copy of the title and text of the petition; and such recall petition shall be filed in the office in which petitions for nominations to office held by the incumbent sought to be recalled are required to be filed.

The signatures to such recall petition need not all be on one sheet of paper, but each signer must add to his signature the date of his signing said petition, and his place of residence, giving his street number, if any, should he reside in a town or city. The person circulating such sheet must make and subscribe an oath on said sheet that the signatures thereon are genuine, and a false oath, wilfully so made and subscribed by such person, shall be perjury and be punished as such. All petitions shall be deemed and held to be sufficient if they appear to be signed by the requisite number of signers, and such signers shall be deemed and held to be qualified electors, unless a protest in writing under oath shall be filed in the office in which such petition has been filed by some qualified elector, within fifteen days after such petition is filed, setting forth specifically the grounds of such protest, whereupon the officer with whom such petition is filed shall forthwith mail a copy of such protest to the person or persons named in such petition as representing the signers thereof, together with a notice fixing a time for hearing such protest not less than five nor more than ten days after such notice is mailed. All hearings shall be before the officer with whom such protest is filed, and all testimony shall be under oath. Such hearings shall be summary and not subject to delay, and must be concluded within thirty days after such petition is filed, and the result thereof shall be forthwith certified to the person or persons representing the signers of such petition. In case the petition is not sufficient it may be withdrawn by the person or a majority of the persons representing the signers of such petition, and may, within fifteen days thereafter, be amended and refiled as an original petition. The finding as to the sufficiency of any petition may be reviewed by any state court of general jurisdiction in the county in which such petition is filed, upon application of the person or a majority of the persons representing the signers of such petition, but such review shall be had and determined forthwith. The sufficiency, or the determination of the sufficiency, of the petition referred to in this section shall not be held or construed to refer to the ground or grounds assigned in such petition for the recall of the incumbent sought to be recalled from office thereby.

When such petition is sufficient, the officer with whom such recall petition was filed shall forthwith submit said petition, together with a certificate of its sufficiency to the governor, who shall thereupon order and fix the date holding the election not less than thirty days nor more than sixty days from the date of submission of said petition: Provided, if a general election is to be held within ninety days after the date of submission of said petition, the recall election shall be held as part of said general election.

**Sec. 3. Resignation—Filling vacancy.**—If such officer shall offer his resignation, it shall be accepted, and the vacancy caused by such resignation, or from any other cause, shall be filled as provided by law; but the person appointed to fill such vacancy shall hold his office only until the person elected at the recall election shall qualify. If such officer shall not resign within five days after the sufficiency of the recall petition shall have been sustained, the governor shall make or cause to be made publication of notice for the holding of such election, and officers charged by law with duties concerning elections shall make all arrangements for such election, and the same shall be conducted, returned and the result thereof declared in all respects as in the case of general elections.

On the official ballot at such elections shall be printed in not more than 200 words, the reasons set forth in the petition for demanding his recall, and in not more than three hundred words there shall also be printed, if desired by him, the officer's justification of his course in office. If such officer shall resign at any time subsequent to the filing thereof, the recall election shall be called notwithstanding such resignation.

There shall be printed on the official ballot, as to every officer whose recall is to be voted on, the words, "Shall (name of person against whom the recall petition is filed) be recalled from the office of (title of the office)?" Following such question shall be the words "Yes" and "No," on separate lines, with a blank space at the right of each, in which the voter shall indicate, by marking a cross (X), his vote for or against such recall.

On such ballots, under each question, there shall also be printed the names of those persons who have been nominated as candidates to succeed the person sought to be recalled; but no vote cast shall be counted for any candidate for such office, unless the voter also voted for or against the recall of such person sought to be recalled from said office. The name of the person against whom the petition is filed shall not appear on the ballot as a candidate for the office.

If a majority of those voting on said question of the recall of any incumbent from office shall vote "no," said incumbent shall continue in said office; if a majority shall vote "yes," such incumbent shall thereupon be deemed removed from such office upon the qualification of his successor.

If the vote had in such recall elections shall recall the officer then the candidate who has received the highest number of votes for the office thereby vacated shall be declared elected for the remainder of the term, and a certificate of election shall be forthwith issued to him by the canvassing board. In case the person who received the

highest number of votes shall fail to qualify within fifteen days after the issuance of a certificate of election, the office shall be deemed vacant, and shall be filled according to law.

Candidates for the office may be nominated by petition, as now provided by law, which petition shall be filed in the office in which petitions for nomination to office are required by law to be filed not less than fifteen days before such recall election.

**Sec. 4. Limitation—Municipal corporations may adopt, when.**—No recall petition shall be circulated or filed against any officer until he has actually held his office for at least six months, save and except it may be filed against any member of the state legislature at any time after five days from the convening and organizing of the legislature after his election.

After one recall petition and election, no further petition shall be filed against the same officer during the term for which he was elected, unless the petitioners signing said petition shall equal fifty per centum of the votes cast at the last preceding general election for all of the candidates for the office held by such officer as herein above defined.

If at any recall election the incumbent whose recall is sought is not recalled, he shall be repaid from the state treasury any money authorized by law and actually expended by him as expenses of such election; and the legislature shall provide appropriations for such purpose.

If the governor is sought to be recalled under the provisions of this article, the duties herein imposed upon him shall be performed by the lieutenant governor; and if the secretary of state is sought to be recalled, the duties herein imposed upon him, shall be performed by the state auditor.

The recall may also be exercised by the electors of each county, city and county, city and town of the state, with reference to the elective officers thereof, under such procedure as shall be provided by law.

Until otherwise provided by law, the legislative body of any such county, city and county, city and town may provide for the manner of exercising such recall powers in such counties, cities and counties, cities and towns, but shall not require any such recall to be signed by electors more in number than twenty-five per centum of the entire vote cast at the last preceding election, as in section 1 hereof more particularly set forth, for all the candidates for office which the incumbent sought to be recalled occupies, as herein above defined.

Every person having authority to exercise or exercising any public or governmental duty, power or function, shall be an elective officer, or one appointed, drawn or designated in accordance with law by an elective officer or officers, or by some board, commission, person or persons legally appointed by an elective officer or officers, each of which said elective officers shall be subject to the recall provision of this constitution; Provided, That, subject to regulation by law, any person may, without compensation therefor, file petitions, or complaints in courts concerning crimes, or do police duty only in cases of immediate danger to person or property.

Nothing herein contained shall be construed as affecting or limiting the present or future powers of cities and counties or cities having charters adopted under the authority given by the constitution, except as in the last three preceding paragraphs expressed.

In the submission to the electors of any petition proposed under this article, all officers shall be guided by the general laws of the state, except as otherwise herein provided.

This article is self-executing, but legislation may be enacted to facilitate its operations, but in no way limiting or restricting the provisions of this article, or the powers herein reserved.
