

MEMORANDUM

TO: TRANSPORTATION COMMISSION (TC)
FROM: JEFF SUDMEIER, CHIEF FINANCIAL OFFICER
DATE: JULY 19, 2018
SUBJECT: FIRST BUDGET SUPPLEMENT - FY 2018-2019

Region 1

\$1,300,000 – Transfer from Statewide Cost Center ITS OI440-010 to Region 1 Traffic Cost Center R1400-010 - In 2013, Region 1 and Region 6 combined to create what is now known as Region 1. At that time, traffic signal operations for the newly formed Region were transferred to TSM&O at headquarters along with the associated funding. After a few years of managing Region 1 signal operations out of HQ, it was decided to return the operations to the Region. The management of traffic signal operations was returned to the Region in the fall of 2017. This request will move \$1.3M from the ITS cost center for TSM&O back to the Region 1 traffic cost center. Transfers between divisions, such as this, occur periodically and typically do not need to go to the Transportation Commission for approval, however, under Policy Directive (PD) 703.0, any such transfer of \$1M or more requires Commission approval.
