## 2017 ANNUAL REPORT

L.E.A.F. is a program created by the Colorado Legislature in 1983 through Statute 43-4-401-404 to provide supplemental funding for local, county or city and county agencies to enforce Colorado's impaired driving laws.

Source of L.E.A.F revenue:

The general assembly shall appropriate moneys annually to the fund in the general appropriation bill. In addition to any other penalty imposed pursuant to section 42-4-1307, C.R.S., every person who is convicted of, pleads guilty to, or receives a deferred sentence pursuant to section 18-1.3-102, C.R.S., for a violation of any of the offenses specified in section 42-4-1301 (1) or (2), C.R.S., shall be required to pay seventy-five dollars, which shall be deposited into the fund, and fifteen dollars, which shall be deposited into the county treasury of the county in which the conviction occurred.

The amount required for a person to pay into L.E.A.F has not changed since 1991.

The Colorado Bureau of Investigation (CBI) receives an annual appropriation to pay for the costs of toxicology laboratory services, including any education needs associated with such services.

Of the funds remaining after CDPHE and CBI allocations:

80% is allocated to CDOT

20% is allocated to Colorado Department of Human Services (CDHS).
