Report on Investment of University Consolidated Endowment

The University of Colorado Foundation, Inc. performs as the investment manager for the University Consolidated Endowment. Under the governance structure at the Foundation, the Foundation's Investment Committee makes policy and asset allocation recommendations regarding investments to the Foundation's Board of Directors. The Foundation's Board of Directors has fiduciary responsibility for the investment of these funds. Actual management of the investments is handled by Perella Weinberg Partners.

The University Consolidated Endowment is comprised of assets gifted to or restricted by the Regents of the University of Colorado, which are under the control of the Foundation for investment management purposes in accordance with the Regent action in 1982 and the revised investment agreement signed in June, 2007.

As of September 30, 2014, the University Consolidated Endowment had a total market value of \$160.6 million. This is approximately 12.7% of the total managed by the CU Foundation in the Long Term Investment Pool (LTIP). The other funds in the LTIP are gifts given to the University of Colorado Foundation directly, for the benefit of the University of Colorado, and the university's investment for its Treasury Pool.

Report on University Bank Accounts

There were no University of Colorado bank accounts opened or closed in the first quarter of Fiscal Year 2015.

Report on Authorized Traders

On November 14, 1996, the Regents authorized the Treasurer to designate employees to perform in-house investment transactions which are the day-to-day business of the Treasurer's office and which follow the Investment Policy approved by the Board. All investment purchases except investments in the CUF LTIP, the Fisher Small Cap Value Fund and the Amundi Smith Breeden Short Duration Fund are safekept by Wells Fargo Institutional Retirement and Trust. All proceeds from investment maturities or sales are wired to the University's concentration bank account per the University's contract agreement with Wells Fargo.

The authorized traders (all from the Treasurer's Office) are Donald Eldhart, Joseph Tinucci and Gary Bomba.

Report on Liability Management

As of September 30, 2014, the University of Colorado had approximately \$1.7 billion in outstanding long-term external obligations. Directly issued revenue bonds accounted for approximately \$1.59 billion of the total external obligations. The balance is comprised of the CUREF Campus Village Apartment bonds (\$54.0 million) and UPI-FRA bonds (\$15.2 million). CU's current debt ratio, which measures the university's ability to meet currently outstanding debt service obligations with current resources¹, is 5.6%. When all approved (but not yet financed) capital projects from the five-year capital plan are included, the debt ratio decreases to a forecasted low of 4.7% by fiscal year 2021.

Internal Loans from Treasury Pool and Permanent Land Fund

The University's debt financing strategy limits internal loans to 15% of the Treasury Pool investment balance. For fiscal year 2015, this level is \$217.7 million.

As of September 30, 2014, the principal outstanding on internal loans totaled \$9.0 million and other outstanding receivables totaled an additional \$350,000. The university has an additional \$44.8 million in outstanding loan commitments, which have not been drawn down.

Report on Sudan Divestment

The portfolio's exposure to securities identified by the Conflict Risk Network declined to 1 basis point as of Sept 30, 2014.

¹ Maximum future annual debt service divided by the sum of unrestricted current fund expenditures and mandatory transfers.
