

University of Colorado at Boulder Enrollment Summaries Spring 1999

Table 15: Non-Reportable Enrollment

Credit hours do not meet cche reportable guidelines.

Use with caution - do not consolidate with other tables.

Most are study abroad, faculty/staff tuition waivers, or starting in fall 1999, students registered solely through Continuing Education - e.g. Boulder evening.

Headcounts may contain students who also have reportable credit hours. These students are included on other tables.
