INTRODUCTION

It is the policy of Colorado Mesa University (CMU) to provide for the safety and security of all members of its campus community. The University believes that academic freedom can only flourish in an environment that is free of criminal or other disruptive activity and unsafe conditions. Colorado Mesa is committed to maintaining the campus community as a place of study, work and residence that is free from abuse, intimidation and harassment and where everyone is treated with respect and courtesy. The University will not tolerate criminal activity and will actively pursue internal discipline, criminal prosecution, or both, for all offenders.

Colorado Mesa University is a state-supported institution of higher education. The main campus is located within the City of Grand Junction, Colorado. In conjunction with the Grand Valley Board of Education, the University operates two career and technical education facilities in Grand Junction: the Bishop Campus, located at 2508 Blichmann Avenue, and the Industrial/Energy Training Center, located at 2890 D Road. The Montrose Campus, a CMU satellite campus, is operated within the City of Montrose, Colorado. There are no University-recognized fraternity or sorority houses on or off campus.

The University contracts with the City of Grand Junction Police Department to provide a safe and secure environment for campus community members. Grand Junction police officers have the authority to enforce federal, state, and local laws and official University policies as Level I Peace Officers (CRS 18-1-901). The authority of police officers is limited to the boundaries of the City of Grand Junction or anywhere when in fresh pursuit of an offender, or when called to assist another agency outside the city limits.

The Grand Junction Police Department maintains close relations with all federal, state, and local law enforcement entities. Criminal cases are filed into the Mesa County Courts or alternatively into the Grand Junction Municipal Court. Colorado Mesa University amplifies its available resources through this cooperative effort in order to support a safe, secure environment on campus.

The University insists that police officers treat all subjects as individuals and use their access to both University discipline and the criminal justice system to benefit individuals and the community as a whole. Other law enforcement agencies can access the University Discipline System at their discretion.

The Colorado Mesa community contains 9,046 enrolled students, 531 faculty, and numerous staff, visiting guests, and members of the public.

A paper copy of the annual security report for any campus is available upon request on the Main Campus at the Police Sub-station, the Office of Human Resources, and Admissions Office. The report is also available at the main offices of the Bishop and Montrose Campuses.

REPORTING OF CRIMINAL ACTIVITIES OR EMERGENCIES

The Grand Junction Police Department, in partnership with the campus community, is responsible for public safety, security, campus parking enforcement, after-hours emergency maintenance, and response to law enforcement and emergency incidents. The police department's administrative offices are located at 555 Ute Avenue, with a sub-station located on the main campus at 1060 North Avenue and an office on the south side of the University Center at 1455 N 12th Street. The Department has officers available 24 hours a day and can be reached by calling 242-6707 or 911 for emergencies. The Police Department responds to all campus incidents, including those at the Bishop Campus and its Lineworker training site, that are reported by students, faculty, staff, and members of the general public.

Emergency response for fire, ambulance, or hazardous materials is the joint responsibility of the Grand Junction Fire Department and the Grand Junction Police Department.

TO REPORT A CRIME OR EMERGENCY

All students, staff, and visitors should promptly report criminal incidents, accidents, and other emergencies to the Grand Junction Police Department by dialing 911. Individuals may also report incidents in person at the Bishop Campus main office in the Youngblood building, the main campus office of the GJPD, located at 1060 North Avenue, or the office the GJPD maintain on the south side of the University Center.

Members of the campus community are encouraged to report any activity, situation, or conduct that disrupts, adversely affects, or interferes with the function of the University and the pursuit of its educational purpose.

Campus Security Authorities

"Campus security authority" is a Clery-specific term defined as a campus police or security official or other official with significant responsibility for campus and student activities. Should an individual choose not to report directly to the Grand Junction Police Department as noted above, they may report the incident to one of the Campus Security Authorities listed below:

Bishop Campus

- Administrative Staff
970-255-2600
- Vice President of Community College Affairs

Anonymously Reporting Crimes

Individuals may also report crimes anonymously through Crime Stoppers. The Crime Stoppers phone line is not recorded and has no caller ID. Information provided by callers is routed to the law enforcement agency investigating the case. If information leads to an arrest, up to \$1,000.00 may be rewarded to the caller. Individuals may provide information about a crime or suspect by calling 241-STOP (7867) or 1-800-221-STOP (7867).

For the purpose of making timely warnings and annual statistical disclosures, a [voluntary confidential report](#) of any crime can be made to the Vice President for Student Services by any person directly associated with the University.

The University employs no pastoral counselors but does have a contract with professional counselors for anyone in the University community to visit if psychological assistance is needed. These counselors are not campus security authorities, but the University encourages them to refer persons that they are counseling to report crimes on a voluntary, confidential basis for inclusion in the annual crime statistics.

TIMELY WARNINGS

A condition or incident that could compromise the safety and well-being of any member of the Colorado Mesa University Community will result in an appropriate timely warning being issued. The warning will be communicated to the University community in one or more of the following ways: e-mail, emergency text and voice messaging system (Blackboard Connect-ED), notices on the University's website (MAVzone portal), notices on building digital signs, and posters/flyers posted around campus. The President's Office or the Vice President for Student Services, in collaboration with the Grand Junction Police Department, will issue the warning.

Since the Grand Junction Police Department is the security personnel for the campus, any situation that occurs off campus, but poses a threat to the campus will be known immediately and a timely warning can be issued if warranted.

Any member of the community who is aware of an incident or emergency should notify an employee of the University who will in turn notify either the President, Vice President for Student Services, or the Grand Junction Police Department Command Sergeant immediately so a timely warning can be issued if need be.

EMERGENCY RESPONSE AND EVACUATION PROCEDURE

Colorado Mesa University has contracted with an emergency notification provider to send alert text messages to cellular phones and distribute voice messages in the event of an emergency situation which may pose an immediate threat to the health or safety of the campus community. While the University encourages students, faculty, and staff to participate in the emergency notification system, opting to receive the emergency notifications is completely voluntary and only one of the ways the University will attempt to alert the campus community to an emergency event.

Colorado Mesa University will, without delay—taking into account the safety of the campus community—determine appropriate content of a notification and initiate the notification system unless the notification will, in the professional judgment of authorities, compromise efforts to assist victims or to contain, respond to, or otherwise mitigate the emergency.

The content and initiation of the notification system will be determined by the University President, or his designee, in consultation with appropriate campus personnel and the Grand Junction Police Department. For the purposes of this procedure, the University President, in addition to preserving this authority himself, has appointed appropriate campus officials as safety designees. The identity of these officials is kept in the Campus Emergency Operations Plan.

The emergency notification system may be initiated only at the direction of the University President, or his designee, unless the Grand Junction Police Department has determined that an imminent threat requiring immediate action is posed to the campus community.

Campus police have regular presentations, meetings, and drills with various campus groups to help prepare the campus community if an emergency ever occurs. Examples of these include presenting to all of the staff of a particular building the lockdown procedures, initiating a mock emergency notification, and commencing a lock down drill of the building.

The contact information provided for the notification system will not be sold or released to any other party. The University intends to only use the provided contact information to alert the campus community of emergency situations or an event that directly poses a life-safety risk to the campus community. In addition, the emergency notification system will be tested once per term, not to exceed three (3) times per calendar year.

Colorado Mesa University does not warrant the successful delivery of each message to each individual recipient. The service depends on the individual cellular and mobile phone carriers to deliver Simple Messaging System or SMS/text messaging to each recipient. There may be a charge by your cell phone provider to receive text messages.

Alert Channels

In the case of an emergency, students, faculty, and staff will be notified through one or more of the following channels:

- Text Message
- Voice Message
- Colorado Mesa University Email
- Reverse 911 calls placed to key land line locations on campus
- Colorado Mesa University official website (<http://www.coloradomesa.edu/>)

SECURITY AND ACCESS TO CAMPUS FACILITIES

The Colorado Mesa University Bishop campus is an open campus with facilities available to students and the public. All academic buildings are unlocked during normal academic hours. Admission to any Bishop Campus facility after hours is limited to authorized persons with a building key. Buildings are secured by custodial personnel, and parking lots and buildings are periodically patrolled by police officers 24 hours a day, 7 days a week.

Residence Halls

There are no residence halls on the Bishop Campus or on its Lineworker training site.

The newer residence halls on the Colorado Mesa University campus all feature electronic controlled access. Doors are locked and staff is on duty or on call. Residents and authorized staff have unlimited access to the residence halls. All guests/visitors to the residence halls MUST be accompanied by a resident at all times. Access to individual rooms is limited to the residents and authorized University employees who must follow procedures established to protect the safety of the residents. Other elements of our residence hall security system are:

- Locked entrance doors
- Door peepholes
- Security cameras at most entrances
- Available information about steps students can take to maintain their safety
- Requirement that residents show identification to an authorized staff member at the staff members request
- Requirement that students escort their guests at all times.
- In residence halls with front desks, after 10pm all residents must enter building through entrance near front desk.

The Colorado Mesa University Facilities Services department manages the door access system and works with Residence Life and the Mav Card office to print and approve access to the residence halls. In the Walnut Ridge Apartments, all exterior doors are access by key controls. In the North Avenue Hall, Bunting Hall, and Monument Hall all access is via Mav Card access controls. Residence Life and Police Department personnel patrol all residence hall facilities.

Maintenance Security

All mechanical problems that could cause physical harm to the public or members of the campus community are given a priority status. Maintenance personnel may be contacted through 254-HELP (4357), 7 days a week, 24 hours a day.

Colorado Mesa University incorporates environmental security design practices in the planning, building and maintenance stages of all physical structures and grounds keeping on the Colorado Mesa University campus. Lighting and visual blockage surveys are conducted on an as-needed basis in conjunction with Facilities Services staff, and inadequacies are corrected as soon as practicable.

RESPONSIBILITY FOR PREPARATION OF THIS REPORT

The Grand Junction Police Department makes a report of all crimes reported to them that occur on and near the campus. Once a year, campus officers compile and classify all of the statistics pertinent to the Campus Security Act for the purpose of making this report. Grand Junction Police Department Records Division may be reached at 244-3555 on weekdays from 7:00 AM to 7:00 PM and on weekends from 8:00 AM to 6:00 PM

Information for Student Discipline Statistics is generated from: Student Conduct Officer records, Residence Life records, and the Vice President for Student Services.

The GJPD statistics and the Student Discipline Statistics are compiled by the Office of Institutional Research and Assessment staff, who updates the report. A draft of the report is sent to appropriate members of the University community to update information from their individual areas. After all updates are made, the report is posted on the University's website, and all students, faculty, and staff are made aware of it and its location through e-mail.

Note: The Student Conduct Officer, the Vice President for Student Services and the Campus Security Command Officer receive copies of incident reports of crimes occurring off campus involving enrolled students. These data are not included in the annual statistics. Colorado Mesa University does not have any off campus student organizations.

SEXUAL ASSAULT AND SEXUAL HARASSMENT POLICIES

Colorado Mesa University is committed to providing a living environment in which students can live, work, and study free from sexual harassment, sexual intimidation, and sexual exploitation.

Sexual Harassment

It is the policy of Colorado Mesa University to maintain a campus environment free from sexual harassment. Unwelcome sexual advances, requests for sexual favors, and other verbal or physical conduct of a sexual nature constitute sexual harassment when submission to or rejection of this conduct explicitly or implicitly affects or interferes with a student's work or academic performance, or creates an intimidating, hostile or offensive academic or work environment.

Sexual harassment can occur in a variety of circumstances, including but not limited to the following:

- The victim as well as the harasser may be a woman or a man. The victim does not have to be of the opposite sex.
- The harasser can be another student, staff member, faculty member, or a non-employee.
- The victim does not have to be the person harassed but could be anyone affected by the offensive conduct.
- Unlawful sexual harassment may occur without economic injury to the victim.
- The harasser's conduct must be unwelcome.

Reporting sexual harassment may help you in coping with the situation, as well as assist you with resources to insure that you, and others, can attend university in a safe and comfortable environment. Report any instances to the Affirmative Action Coordinator, Lowell Heiny Hall 240, or call 248-1266. If the perpetrator of the harassment is another student, please report the incident to the office of Student Services in Lowell Heiny Hall 107, or call 248-1366.

Sexual Assault

Colorado Mesa University is committed to providing a living environment in which students can live, work, and study free from unlawful sexual contact, intrusion, or penetration.

- "Sexual contact" means the knowing touching of the victim's intimate parts by the actor, or of the actor's intimate parts by the victim, or the knowing touching of the clothing covering the immediate area of the victim's or actor's intimate parts if that sexual contact is for the purposes of sexual arousal, gratification, or abuse.
- "Sexual intrusion" means any intrusion, however slight, by any object or any part of a person's body, except the mouth, tongue, or penis, into the genital or anal opening of another person's body if that sexual intrusion can reasonably be construed as being for the purposes of sexual arousal, gratification, or abuse.
- "Sexual penetration" means sexual intercourse, cunnilingus, fellatio, analingus, or anal intercourse. Any penetration, however slight, is sufficient to complete the crime.

If you are the victim unwanted sexual contact, intrusion, or penetration, you should immediately take action by notifying the Grand Junction Police Department by calling 911 or 242-6707. You may also report the incident to the Vice President for Student Services in Lowell Heiny Hall 107, or by calling 248-1366.

SEXUAL ASSAULT AND SEXUAL HARASSMENT EDUCATIONAL PROGRAMMING

Educational programs to promote awareness of rape and other sex offenses and to comply with the Drug-Free Schools and Campuses Act:

1. The Grand Junction Police Department provides sexual assault/date rape educational programs for preventive purposes, as well as programs on personal safety and workplace violence.
2. Campus Community -- At the request of student organizations, staff or faculty, presentations on sexual harassment, sexual assault, alcohol or other drugs are presented for the general public by the "AWARE Program" (Drug Abuse Prevention and Education), which is a component of the Colorado Mesa University "Student Assistance Program." Each October and March, as part of the National Collegiate Programs, campus presentations are made concerning issues of health, wellness, sexual harassment, sexual assault, and alcohol, and other drug abuse. These presentations are made at the Bishop Campus, upon request.
3. Residence Life -- A variety of educational programming on the subjects of sexuality, sexual harassment, sexual assault, alcohol and other drug abuse, risk-taking, and acquaintance and date rape is presented to residential students on main campus by the Residence Life staff throughout the academic year.

What to Do If You Are Assaulted

DO: Victims of a sexual assault are encouraged to seek medical help, report the crime, and tell someone such as a counselor, friend, authority figure, parent or a campus security authority.

DO NOT: Medical help is important for your safety after a sexual assault. Until you are examined by a medical professional do not douche, bathe, shower, or throw away or wash clothing or bedding.

Remember, it is critical to preserve medical and criminal evidence for a future judicial case. The decision is up to you to pursue criminal and/or University disciplinary charges.

Referrals

Any person may refer a victim or a student suspected of sexual assault and/or sexual harassment to any campus security authority for assistance in filing an incident report with the appropriate authority. In cases of sexual assault/sexual harassment, which involve student-to-student misconduct, the same processes as other violations of the Student Code of Conduct will be followed. Where sexual assault and/or sexual harassment involves staff-to-student misconduct, the incident will be investigated by the Affirmative Action Officer.

MEDICAL, LEGAL, COUNSELING AND SUPPORTIVE RESOURCES FOR VICTIMS

Medical

Community Hospital and St. Mary's Hospital are located within a one-mile radius of the campus. In addition, the University has contracted with Community Hospital to provide a Student Health Center, which is adjacent to the campus within Community Hospital, in suite N. The Student Health Center is open during the fall and spring semesters. An appointment is not necessary to see the provider, but is preferred: call (970)256-6345 to make arrangements.

Law Enforcement/Legal

Legal options for victims of sexual assault include filing a criminal complaint with the Grand Junction Police Department or civil action against the accused through an attorney. Legal options for victims of sexual harassment include all criminal and civil remedies, as well as filing complaints with the University's Affirmative Action Officer (248-1266). Information about community legal services for victims can be obtained through the Latimer House (241-0324) or Mesa County Victim Services (244-3275).

Counseling and Supportive Resources

Each residence facility is staffed with Resident Assistants under the supervision of live-in professionals, Area and Residence Hall Coordinators, all of whom receive training on dealing with alcohol and other drug abuse, sexual harassment and sexual assault. They are familiar with all campus/community assistance resources. Additionally, the Grand Junction Police Department maintains a Victim's Advocate Program, available 24 hours a day, seven days a week. Law enforcement on the scene notifies the Victim Advocate. Also, the Latimer House has a 24-hour crisis line available for victims at 241-6704.

Student Assistance Program (SAP)

The University operates a counseling program for all students, in conjunction with Behavioral Clinical Services (BCS). BCS is located at 1005 N. 12th Street and can be reached at 241-6500. BCS is recognized by the courts and the community as providing professional counseling services to victims and perpetrators of sexual assault.

Brochures/Handouts

Campus disciplinary policies and procedures are contained in the Student and Academic Policies Guide, available online at http://www.coloradomesa.edu/shared/documents/Academic_Policies_Guide.pdf. Rules and regulations for students living on-campus are published and are available online at <http://www.coloradomesa.edu/reslife/conduct.html>. In addition, the Student Assistance Program (SAP) makes available to all students a separate brochure for victims of sexual assault and/or sexual harassment. The Latimer House provides brochures on dealing with sexual assault and legal services.

Changing Living and Academic Situations

If a Colorado Mesa University student, who is a survivor of a sexual assault, harassment, and/or relationship violence, requests a change in his or her living arrangements or academic schedule, the Vice President of Student Affairs and Outreach or his designee will assist the student. In conjunction with the Vice President for Student Services and Outreach's office, the appropriate Chair and/or the Director of Housing and Residence Life will make changes to a student's academic or living arrangements, as long as those changes are reasonably available.

STUDENT CONDUCT AUTHORITY

Infractions of University policy governing student behavior should be handled at the first level of authority when possible. If resolution is not achieved at this level, general campus violations should be directed to the Student Conduct Officer (CHO). Violations involving the Housing and Residence Life Community Standards should be directed to the appropriate Residence Life staff member. Generally, University jurisdiction and discipline shall be limited to conduct which occurs on University premises, property owned by the University, all satellite campuses, or at University authorized functions, or which adversely affects the University community and/or the pursuit of its objectives. In those instances where a student displays a body of evidence of poor decisions and behavior both in and outside of the classroom, such as academic dishonesty coupled with other student conduct violations, the vice presidents for student services and academic affairs shall confer on appropriate action.

Student Conduct Policies

1. Any member of the University community may file charges against any student for misconduct. Charges shall be prepared in writing and directed to the Student Conduct Officer (SCO).
2. The Student Conduct Officer may conduct an investigation to determine if the charges have merit and/or can be disposed of administratively by mutual consent of the parties involved on a basis acceptable to the SCO. Such disposition shall be final and there shall be no subsequent proceedings. If the charges cannot be disposed of by mutual written consent, the SCO shall convene a hearing before the Campus Student Conduct Board. The Campus Student Conduct Board is composed of members of the campus community including students, faculty, and staff. *Student representation on the Campus Student Conduct Board will consist of Associated Student Government Justices of the Supreme Court. The Faculty Senate appoints faculty representatives while staff representatives are appointed by the Vice President for Student Services.*
3. All charges shall be presented to the accused student in written form. A time shall be set for a hearing with maximum time limits for scheduling of hearing extended at the discretion of the Campus Student Conduct Board.
4. Hearings shall be conducted by the Campus Student Conduct Board according to the following guidelines:
 - a. Hearings normally shall be conducted in private and conducted on an informal basis. Every effort will be made to arrive at the truth and to insure a fair hearing without the appearance of a court proceeding.
 - b. Admission of any person to the hearing shall be at the discretion of the Campus Student Conduct Board with permission of all involved parties.
 - c. In hearings involving more than one accused student, the Campus Student Conduct Board, by discretion, may permit the hearings concerning each student to be conducted separately.
 - d. The complainant and the accused have the right to be assisted by any advisor they choose, at their own expense. The advisor may be an attorney. However, the complainant and/or the accused is responsible for presenting his/her own case. The advisor may not speak on the student's behalf, but may advise the student.
 - e. The Campus Student Conduct Board, complainant and the accused have the privilege of presenting witnesses, who may be subjected to questioning by involved parties. Pertinent records, exhibits, and written statements may be accepted as evidence for consideration at the discretion of the Campus Student Conduct Board.

f. All procedural questions are subject to final decision by the Campus Student Conduct Board. Following the hearing, the Campus Student Conduct Board shall make a determination on the basis of whether there is reasonable certainty that the accused student violated the Student Code of Conduct.

g. Should a student disregard a notice to appear before the Campus Student Conduct Board, the hearing will continue, a determination shall be made, and sanction(s) imposed if she/he is found in violation of the Student Code of Conduct.

5. There shall be a single verbatim record - such as audio/video/written - of hearing proceedings. The record shall be the property of the University.

6. At the discretion of the Vice President for Student Services (VPSS), in extraordinary circumstances an administrative hearing may be held in lieu of a Campus Student Conduct Board (CSCB) hearing, in which case the VPSS or his/her designee shall conduct the hearing, subject to the equivalent guidelines of a CSCB hearing.

Sanctions

1. The following sanctions may be imposed upon any student found to have violated the Student Code of Conduct:

a. Warning - A notice in writing to the student that the student is violating or has violated institutional regulations.

b. Probation - A written reprimand for violation of specified regulations. Probation is for a designated period of time and includes the probability of more severe disciplinary sanctions if the student is found to be violating any institutional regulation(s) during the probationary period.

c. Loss of Privileges - Denial of specified privileges for a designated period of time. This can include placing a disciplinary hold on all academic records and accounts.

d. Restitution - Compensation for loss, damage, or injury. This may take the form of appropriate service and/or monetary or material replacement.

e. Discretionary Sanctions - Work assignments, service to the University or other related discretionary assignments, which is approved by the SCO.

f. University Suspension - Separation of the student from the University for a definite period of time, after which the student is eligible to return. Conditions for readmission may be specified.

g. University Expulsion - Permanent separation of the student from the University.

2. More than one of the sanctions listed above may be imposed for any single violation.

3. Other than University expulsion, disciplinary sanctions shall not be made part of the student's permanent record, but shall become part of the student's confidential record.

4. The following sanction may be imposed upon groups or organizations:

a. Those sanctions listed above, a through g.

b. Deactivation - loss of privileges, including University recognition for a specified period of time.

5. Following the hearing, the Student Conduct Officer (SCO) shall advise the accused in writing, within five working days, of determination and the sanction(s) imposed.

Interim Suspension

Any University Administrative Officer reserves the right to temporarily suspend a student without prejudice pending the outcome of a Campus Student Conduct Board Hearing under the following circumstances:

1. Interim suspension may be imposed only:
 - a. To ensure the safety and well-being of members of the University community or preservation of University property;
 - b. To ensure the student's own physical or emotional safety and well-being;
 - c. If the student poses a definite threat of disruption of, or interference with, the normal operation of the University.
2. During the interim suspension, students shall be denied access to the campus, including classes and/or all other University activities or privileges for which the student might otherwise be eligible, as determined by the Office of the Vice President for Student Services.

Appeals

1. A decision reached and/or sanction imposed by the Student Conduct Office may be appealed by an accused student within (5) working days of said decision. Such appeals shall be in writing and shall be delivered to the Campus Conduct officer or his/her designee. An accused student has the right to have said appeal heard by the Campus Student Conduct Committee.
2. A decision reached and/or a sanction imposed by Campus Student Conduct Committee hearing may be appealed by an accused student within five (5) working days of the decision. Such appeals shall be made in writing and shall be delivered to the Vice President for Student Services or his/her designee.
3. Except as required to explain the basis of new evidence, an appeal shall be limited to review of the verbatim record of the initial hearing and supporting documents for one or more of the following purposes:
 - a. To determine whether the original hearing was conducted fairly in light of the charges and evidence presented, and in conformity with prescribed procedures giving the complaining party a reasonable opportunity to prepare and to present a rebuttal of those allegations;
 - b. To determine whether the decision reached regarding the accused student was based on substantial evidence, that is, whether the facts in the case were sufficient to establish with reasonable certainty that violation of the Student Code of Conduct occurred;
 - c. To determine if the sanction(s) imposed were appropriate given the violation of the Student Code of Conduct which the student was found to have committed;
 - d. To consider new evidence, sufficient to alter a decision, or other relevant facts not brought out in the original hearing, because such evidence and/or facts were not known to the person appealing at the time of the original hearing;
 - e. All sanctions will be considered in full effect during the appeal process; that is, students will be expected to abide by all sanctions and in spite of the appeal process.
4. As a final matter of recourse after all other avenues have been exhausted, a student may appeal to the President of the University. Such an appeal is chiefly an opportunity for the student to seek clemency by

explaining special circumstances that might be taken into account with respect to the penalties imposed. The purpose of an appeal to the President is not to initiate a rehearing of substantive issues of fact or a new determination of whether a violation of rules has occurred.

The deadline for filing either such appeal is one week from the date of decision by the Committee on Discipline.

Interpretation and Revision

1. Any question of interpretation regarding the Student Code of Conduct shall be referred to the Vice President for Student Services or his/her designee for final determination.
2. It is reasonable to expect that some students will not agree with established policies; and means to implement change are available to students via student government representation and/or formal proposals for policy change to the University Administration. However, until a particular policy is administratively altered, students are responsible to abide by published policies or risk being held accountable student conduct for misconduct.

The complainant and the accused will both be notified of the outcome of any disciplinary proceedings in the same manner.

SEX OFFENDER REGISTRATION

The Campus Sex Crimes Prevention Act (CSCPA) of 2000 is a federal law that provides for the tracking of convicted sex offenders enrolled at, volunteering at, or employed by institutions of higher education. The CSCPA is an amendment to the Jacob Wetterling Crimes against Children and Sexually Violent Offender Act. The federal law requires state law enforcement agencies (in Colorado, it is the Colorado Bureau of Investigation through the Grand Junction Police Department) to provide Colorado Mesa University with a list of registered sex offenders who have indicated they are either enrolled at, volunteering at, or employed by CMU.

Colorado Mesa University is required to inform the campus community that a list of registered sex offenders residing within the city limits of Grand Junction will be maintained and available at the Grand Junction Police Department, 555 Ute Avenue, Grand Junction, Colorado 81501. A list of sex offenders residing within Mesa County and the city can be located at <http://www.mesacountyunifiedsexoffenderregistry.org/>.

Information about registered sex offenders enrolled at, volunteering at, or employed by Colorado Mesa University can be obtained by contacting the Investigations Section of the Grand Junction Police Department at (970) 549-5234.

The CSCPA further amends the Family Educational Rights and Privacy Act of 1974 (FERPA) to clarify that nothing in the Act can prohibit an educational institution from disclosing information provided to the institution concerning registered sex offenders.

The sex offender registry includes only those persons who have been convicted of certain acts of unlawful sexual behavior since July 1, 1991, and who are in compliance with the sex offender registration laws. Persons should not rely solely on the sex offender registry as a safeguard against perpetrators of sexual assault in their communities. The crime for which a person is convicted may not accurately reflect the level of risk.

This information should not be used to inflict retribution or additional punishment on any person convicted of an offense involving unlawful sexual behavior. Any reports of harassment will be investigated and prosecuted.

Offenders who are not in compliance may be listed on the State of Colorado website. This site can be accessed by logging on to <http://sor.state.co.us/> or through links from the State of Colorado government page.

CRIME PREVENTION PROGRAMS

Security and Safety Awareness Campaign

This program is designed to make the campus community aware of campus crime and provide information on reporting and implementing self-security to reduce overall campus crime. Self-help tips and reporting information is provided through posters, brochures and media advertising. This campaign is provided in the fall and the spring semester.

Operation ID

This program is provided to help reduce theft on campus and aid in the recovery of stolen property. Forms are available from the Grand Junction Police Department to register the make, model, and serial numbers of valuable items such as digital cameras, laptop computers, iPods, etc. Without this information it is extremely difficult to recover stolen property or prosecute the offender(s). This is a free program available to all students, faculty, and staff.

Public Safety Education Service

Informative classes and mini-programs are presented by the Grand Junction Police Department throughout the year. Subjects ranging from personal safety to property security are available for campus residents through the Housing Department and for the campus community at large by contacting the Grand Junction Police Department. Educational programs aimed at alcohol and drug abuse prevention are provided by the Grand Junction Police Department upon request. Fire safety and emergency procedures are available through the Housing Department for residents and through the Grand Junction Fire Department for the campus community.

Whistle Stop Program

The program was implemented in 2001 to provide students, faculty and staff with a means to bring immediate attention should they find themselves in a situation they perceive as threatening. Whistles are provided free of charge as well as training as to when usage would be appropriate. Training is also provided that instructs anyone hearing a whistle to immediately activate the emergency response system by dialing 911 to provide responders with a location, as well as other pertinent information which may assist in identification and subsequent prosecution should the situation warrant it.

Bicycle Registration Program

Members of the campus community are encouraged to register their bicycles with the Grand Junction Police Department. Registration is only \$1 and greatly aids in the recovery of stolen bicycles and prosecution of the offender(s). It is recommended that good quality locks always be used to secure bicycles. If possible, storing bicycles inside a residence hall or apartment helps prevent them from being stolen.

Crime Stoppers

This program allows members of the campus community to call a special phone line (which is not recorded and does not have caller ID) and provide information about a crime or suspect. The caller remains anonymous, but if the information received leads to an arrest, the caller may be entitled to an award of up to \$1,000. If you have information about a crime or suspect, call 241-STOP (7867) or 1-800-221-STOP (7867).

Video Surveillance

Video cameras are located in various areas throughout the campus. Besides serving as a deterrent to crime, these cameras have assisted law enforcement in identifying suspects in several cases.

Weapon Storage

A safe is maintained at the Grand Junction Police Department Substation on the main campus to store firearms, ammunition, archery equipment, knives, etc. Students who reside on campus are welcome to store these items in the safe that are used for hunting, sporting, or competitive purposes.

Residence Life Staff Training

The Grand Junction Police Department in conjunction with the Colorado Mesa University Residence Life conducts training with the residence life staff each semester. Topics of instruction include when to call 911, suspicious activity, identifying illegal narcotics, dealing with intoxicated individuals, personal safety, and available resources.

Faculty and Staff Safety Presentations

The Grand Junction Police Department offers presentations to faculty and staff about safety on campus and reporting suspicious activity. Groups that have participated in this training include the library staff, bookstore staff, custodians, and business faculty. These presentations can be scheduled at a time convenient for the group.

Crisis Intervention Training

Several Officers with the Grand Junction Police Department have undergone specialized training to assist individuals who are in a crisis situation. All of the officers currently assigned to Colorado Mesa University have attended this training. Crisis situations can include mental illness, depression, and suicidal thoughts.

EMERGENCY CONTACT SERVICE

The Office of the Vice President for Student Services will serve as the primary referral point for students who need to be contacted due to an emergency. Although any campus personnel are free to deliver emergency messages to students when expedient, the Vice President for Student Services Office would like to be informed in order to assure appropriate follow up and documentation.

Determining messaging for "emergencies" while students are in class will be handled on a case by case basis. It is important to note that we cannot guarantee contact with any student due to their highly mobile behavior, but a good faith effort will be made. Keep in mind that we will not become a messaging service for non-emergent situations.

Depending on the type of emergency, a message will be delivered to the faculty member or work supervisor asking for the student to be dismissed and to:

1. Immediately contact the source of the message or;
2. Immediately proceed to the Vice President for Student Services office for pertinent information.

ALCOHOL AND DRUG POLICY

In the State of Colorado, it is illegal for any person under the age of twenty-one years to possess, consume, or purchase any alcoholic beverage. Any person under twenty-one years of age who possesses or consumes an alcoholic beverage anywhere in the state commits a crime. Anyone over the age of twenty-one commits a crime if they provide an alcoholic beverage to an underage person. Colorado Mesa University prohibits the possession of alcoholic beverages on any campus-controlled property without valid-use permits or permission of the University.

The State of Colorado prohibits the unlawful manufacture, distribution, sale, possession or use of drugs or controlled substances. The Grand Junction Police Department has the authority to enforce all federal, state, and local laws and official University policies. As a public institution and state agency, Colorado Mesa University expects all members of the University community to be responsible for their own behavior within the context of federal and state law and University regulations.

Colorado Mesa University is dedicated to instilling positive change in students' lives. The University believes the abuse of alcohol and drugs is counterproductive to this goal and has established campus policies and programs that support the following:

1. Reduced consumption by those who heavily use alcohol.
2. Responsible consumption for those who occasionally drink alcohol.

For additional information on CMU's drug and alcohol policy, refer to the DRUG-FREE SCHOOLS, CAMPUSES AND WORKPLACES policy publication, available in the Bishop Campus main office in Building A, as well as online at <http://www.coloradomesa.edu/hr/documents/DrugFreeSchools-2007-08-cmu.pdf>.

MEDICAL MARIJUANA POLICY

If the Colorado Department of Public Health and Environment (CDPHE) issues a Medical Marijuana Registry identification card to a student, Colorado law allows that student to possess a limited amount of marijuana for medicinal purposes. However, possession of a Medical Marijuana Registry identification card does not authorize a student to possess, use, or distribute marijuana in any form, in any university residence hall/apartment, dining facility, classroom building, or in any other public area or facility within university premises. If you are living on campus please refer to the Housing Handbook for further information regarding this matter.

Alcohol and Drug Abuse Prevention Educational Programming

Educating the campus about the risks of using drugs and alcohol is one goal of a recent initiative to promote "Student Wellness." Monthly e-mails are sent to students along with a link to the current edition of "Student Health 101," an online magazine directed at college students.

WEAPONS POLICY

Campus safety is of the utmost priority at Colorado Mesa University. Weapons are not appropriate to the university experience. Weapons of any kind, functional or not, may not be carried or brandished on Colorado Mesa University property except for those covered under C.R.S. 18-12-105(2).

WHEN IN DOUBT CONTACT THE GRAND JUNCTION POLICE DEPARTMENT FOR CLARIFICATION.

On-campus residents under housing contract may possess sporting rifles or shotguns in accordance with housing policies and may store sporting rifles, shot guns, and bow and arrows along with the ammunition for the same in the weapons safe located at the Police Department substation.

No weapons of any kind may be placed within the residence halls or Walnut Ridge.

Students who seek accommodations for special circumstances may seek permission by contacting the Grand Junction Police Department or the Vice President for Student Services.

MISSING STUDENT POLICY

The purpose of this policy is to establish procedures for the University's response to reports of missing students, as required by the Higher Education Opportunity Act of 2008.

This policy applies to students who reside in on-campus housing. This includes properties rented by the University for the current academic year.

For purposes of this policy, a student may be considered to be a "*missing student*" if the person's absence is contrary to his/her usual pattern of behavior, have been missing for 24 hours, or unusual circumstances may have caused the absence. Such circumstances could include a reasonable/reliable report or suspicion that the missing student may be endangered. Examples include, but are not limited to, possible victim of foul play, expression of suicidal thoughts, alcohol or other drug abuse, a life-threatening situation, or recent contact with persons who may endanger the student's welfare.

I. Procedures for designation of confidential emergency contact information

- 1) At the beginning of each semester students who live in on-campus housing will have the opportunity to designate an individual or individuals to be contacted by the University if the student is determined to be missing. This information will be maintained confidentially and will be available only to the Vice President for Student Services, Grand Junction Police Department, the Director of Residence Life or their designee.
- 2) In the event a student who is under the age of 18 and is not emancipated is determined to be missing pursuant to the procedures set forth in the missing student policy, the University is required to notify a custodial parent or guardian, in addition to the student's designated contact.

II. Official notification procedures for missing students

- 1) Any individual who has information that a residential student may be missing must notify the Vice President for Student Services office or Residence Life as soon as possible.
- 2) The Vice President for Student Services Office or Residence Life will work with campus police, other campus offices, the reporting person(s) and the student's acquaintances to gather all essential information about the student (description, clothes last worn, where student might be, who student might be with, vehicle description, information about the student's physical and mental well being, an up-to-date photograph, class schedule, etc.). Appropriate campus staff will be notified to aid in the search for the student.
- 3) If the above actions are unsuccessful in locating the student or it is immediately apparent that the student is a missing person (e.g. witnessed abduction), the Vice President for Student Services Office or Residence Life will immediately:
 - a. Contact the appropriate local law enforcement agency to report the student as a missing person and the local law enforcement agency will take charge of the investigation.
 - b. Notify the emergency contact (for students 18 and over) or the emergency contact and the parent/guardian (for students under age of 18 and not emancipated) that the student is believed to be missing.

Note: When a student who does not reside on-campus is reported missing, local law enforcement authorities will be notified.

Fire safety education and training programs

During the initial residence hall/apartment floor meetings Residence Life staff talk with students about fire safety, the alarm system and where to evacuate to in the event of a fire alarm. If a fire does occur it should be reported to an Area/Residence Hall Coordinator, Assistant Director of Residence Life, Director of Residence Life, Vice President of Student Services, or the Grand Junction Police.
