INTRODUCTION

It is the policy of Colorado Mesa University (CMU) to provide for the safety and security of all members of its campus community. CMU believes that academic freedom can only flourish in an environment that is free of criminal or other disruptive activity and unsafe conditions. Colorado Mesa is committed to maintaining the campus community as a place of study, work and residence that is free from abuse, intimidation and harassment and where everyone is treated with respect and courtesy. The University will not tolerate criminal activity and will actively pursue internal discipline, criminal prosecution, or both, for all offenders.

Colorado Mesa University is a state-supported institution of higher education, whose main campus is located within the City of Grand Junction, Colorado. The Montrose Campus is a satellite campus of CMU and is operated within the City of Montrose, Colorado. The University works closely with the Montrose Police Department to coordinate efforts to provide for a safe and secure campus environment.

The Colorado Mesa University Montrose Campus annually serves approximately 300 students, 42 faculty and staff, visiting guests, and members of the public.

REPORTING OF CRIMINAL ACTIVITIES OR EMERGENCIES

The Montrose Police Department, in cooperation with the campus community, is responsible for public safety, security, parking enforcement, after hours emergency maintenance, and response to law enforcement and emergency incidents. Administrative offices are located at 434 South 1st Street. The Department has officers available 24 hours a day and can be reached by calling 911 for emergencies, (970) 252-5200 for non-emergencies or (970) 252-4010 after business hours. The Dispatcher can be reached at (970) 252-4021. The Police Department responds to all campus incidents reported by students, faculty, staff, and members of the general public.

Emergency response for fire, ambulance, or hazardous materials is the joint responsibility of the Montrose Fire Department (970-249-9181, non-emergency) and the Montrose Police Department (970-252-5200, non-emergency).

TO REPORT A CRIME OR EMERGENCY

All students, staff, and visitors should promptly report criminal incidents, accidents, and other emergencies to the Montrose Police Department by dialing 911.

Members of the campus community are encouraged to report any activity, situation, or conduct that disrupts, adversely affects, or interferes with the function of the University and the pursuit of its educational purpose.

Campus Security Authorities

“Campus security authority” is a Clery-specific term defined as a campus police or security official or other official with significant responsibility for campus and student activities. Should an individual choose not to report directly to the Montrose Police Department as noted above, they may report the incident to one of the Campus Security Authorities listed below:

Individuals may also report crimes anonymously through Crime Stoppers. The Crime Stoppers phone line is not recorded and has no caller ID. Information provided by callers is routed to the law enforcement agency investigating the case. If information leads to an arrest, up to \$1,000.00 may be rewarded to the caller. Individuals may provide information about a crime or suspect by calling 249-8500.

For the purpose of making timely warnings and annual statistical disclosures, a [voluntary confidential report](#) of any crime can be made to the Vice President for Student Services by any person directly associated with the University.

The University employs no pastoral counselors, but does have a contract with professional counselors for anyone in the University community to visit if psychological assistance is needed. These counselors are not campus security authorities, but the University encourages them to refer persons that they are counseling to report crimes on a voluntary, confidential basis for inclusion in the annual crime statistics.

MONTROSE POLICE DEPARTMENT AUTHORITY

The Montrose Police Department has the authority to enforce all federal, state, and local laws, as well as official policies of Colorado Mesa University, as Level I Peace Officers (CRS 18-1-901). The authority of police officers is limited to the boundaries of the City of Montrose or anywhere when in fresh pursuit of an offender, or when called to assist another agency outside the city limits.

The Montrose Police Department maintains close relations with all federal, state, and local law enforcement entities. Criminal cases are filed into the Montrose County Courts or alternatively into the Montrose Municipal Court. Colorado Mesa University amplifies their available resources through this cooperative effort in order to support a safe, secure environment on campus.

TIMELY WARNINGS

A condition or incident that could compromise the safety and well-being of any member of the Colorado Mesa University community will result in an appropriate timely warning being issued. The warning will be communicated to the University community in one or more of the following ways: e-mail, emergency text and voice messaging system, notices on the college’s website (MAVzone portal), and posters/flyers posted around campus. The President’s Office or the Vice President for Student Services, or the Director of the CMU Montrose Campus, in collaboration with the Montrose Police Department, will issue the warning.

Any member of the community who is aware of an incident or emergency should notify an employee of the University who will in turn notify either the President, Vice President for Student Services, the Director of the CMU Montrose Campus, or the Montrose Police Department immediately so a timely warning can be issued if need be.

EMERGENCY RESPONSE AND EVACUATION PROCEDURE

Colorado Mesa University has contracted with an emergency notification provider to send alert text messages to cellular phones and distribute voice messages in the event of an emergency situation which may pose an immediate threat to the health or safety of the campus community. While the University encourages students, faculty, and staff to participate in the emergency notification system, opting to receive the emergency notifications is completely voluntary and only one of the ways the University will attempt to alert the campus community to an emergency event.

Colorado Mesa University will, without delay—taking into account the safety of the campus community—determine appropriate content of a notification and initiate the notification system unless the notification will, in the professional judgment of authorities, compromise efforts to assist victims or to contain, respond to, or otherwise mitigate the emergency.

The content and initiation of the notification system will be determined by the University President, or his/her designee, in consultation with appropriate campus personnel. For the purposes of this procedure, the University President, in addition to preserving this authority himself, has appointed appropriate campus officials as safety designees. The identity of these officials is kept in the Campus Emergency Operations Plan.

The emergency notification system may be initiated only at the direction of the University President, or his/her designee, unless the Montrose Police Department has determined that an imminent threat requiring immediate action is posed to the campus community.

The contact information provided for the notification system will not be sold or released to any other party. The University intends to only use the provided contact information to alert the campus community of emergency situations or an event that directly poses a life-safety risk to the campus community. In addition, the emergency notification system will be tested once per term, not to exceed three (3) times per calendar year.

Colorado Mesa University does not warrant the successful delivery of each message to each individual recipient. The service depends on the individual cellular and mobile phone carriers to deliver Simple Messaging System or SMS/text messaging to each recipient. There may be a charge by your cell phone provider to receive text messages.

Alert Channels

In the case of an emergency, students, faculty, and staff will be notified through one or more of the following channels:

- Text Message
- Voice Message
- Colorado Mesa University Email
- Reverse 911 calls placed to key land line locations on campus
- Colorado Mesa University official website (<http://coloradomesa.edu>)

SECURITY AND ACCESS TO CAMPUS FACILITIES

The Colorado Mesa University Montrose Campus leases its facility from the Montrose Regional Library District. The CMU Montrose Campus is an open campus with facilities available to students and the public. All academic buildings are unlocked during normal academic hours. Admission to any non-residential facility after hours is limited to authorized persons with a building key. Buildings are secured by CMU faculty, staff, Montrose Library District staff, and custodial personnel; parking lots and buildings are periodically patrolled by police officers 24 hours a day, seven days a week.

Maintenance Security

The maintenance of the facility is the responsibility of the Montrose Regional Library District. All mechanical problems that could cause physical harm to the public or members of the campus community are given a priority status. Maintenance personnel are provided by the Montrose Library District. Please direct any concerns to the Montrose Campus staff at 970-249-7009; the campus staff will notify maintenance personnel. Maintenance personnel can be contacted directly by calling the Montrose Regional Library District at 970-249-9656.

RESPONSIBILITY FOR PREPARATION OF THIS REPORT

The Montrose Police Department makes a report of all crimes reported to them that occur on and near the campus. Once a year their records division compiles and classifies all of the statistics pertinent to the Campus Security Act for the purpose of making this report. Montrose Police Department Records Division may be reached Monday through Thursday, 7:00 AM to 6:00 PM, at 252-5200, except for the noon hour, 12:00 PM to 1:00 PM.

Information for Student Discipline Statistics is generated from: Student Conduct Officer records, Residence Life records, and records from the Vice President for Student Services.

The Montrose PD statistics and the Student Discipline Statistics are compiled by the Office of Institutional Research and Assessment staff, who updates the report. A draft of the report is sent to appropriate members of the University community to update information from their individual areas. After all updates are made, the report is posted on the University's website and students and staff are made aware of it and its location through e-mail.

Note: The Student Conduct Officer, the Vice President for Student Services and the Campus Security Command Officer receive copies of incident reports of crimes occurring off campus involving enrolled students. These data are not included in the annual statistics.

SEXUAL ASSAULT, SEXUAL HARASSMENT, DOMESTIC VIOLENCE, & STALKING

Colorado Mesa University is committed to providing a living environment in which students can live, work, and study free from sexual harassment, sexual intimidation, sexual exploitation, domestic violence, dating violence, and stalking.

Sexual Harassment

It is the policy of Colorado Mesa University to maintain a campus environment free from sexual harassment. Unwelcome sexual advances, requests for sexual favors, and other verbal or physical conduct of a sexual nature constitute sexual harassment when submission to or rejection of this conduct explicitly or implicitly affects or interferes with a student's work or academic performance, or creates an intimidating, hostile or offensive academic or work environment.

Sexual harassment can occur in a variety of circumstances, including but not limited to the following:

1. The victim as well as the harasser may be a woman or a man. The victim does not have to be of the opposite sex.
2. The harasser can be another student, staff member, faculty member, or a non-employee.
3. The victim does not have to be the person harassed but could be anyone affected by the offensive conduct.
4. Unlawful sexual harassment may occur without economic injury to the victim.
5. The harasser's conduct must be unwelcome.

Reporting sexual harassment may help you in coping with the situation, as well as assist you with resources to insure that you, and others, can attend university in a safe and comfortable environment. Report any instances to the Affirmative Action Coordinator, Barbara Case King, Lowell Heiny Hall 240, or call 248-1266. If the perpetrator of the harassment is another student, please report the incident to the Office of Student Services in Lowell Heiny Hall 107, or call 248- 1366.

Sexual Assault

Colorado Mesa University is committed to providing a living environment in which students can live, work, and study free from unlawful sexual contact, intrusion, or penetration.

1. "Sexual contact" means the knowing touching of the victim's intimate parts by the actor, or of the actor's intimate parts by the victim, or the knowing touching of the clothing covering the immediate area of the victim's or actor's intimate parts if that sexual contact is for the purposes of sexual arousal, gratification, or abuse.
2. "Sexual intrusion" means any intrusion, however slight, by any object or any part of a person's body, except the mouth, tongue, or penis, into the genital or anal opening of another person's body if that sexual intrusion can reasonably be construed as being for the purposes of sexual arousal, gratification, or abuse.
3. "Sexual penetration" means sexual intercourse, cunnilingus, fellatio, analingus, or anal intercourse. Any penetration, however slight, is sufficient to complete the crime.

Stalking

Stalking is a pattern of behavior in which a credible threat is made to another person, and in connection with such threat, repeatedly follows, approaches, contacts/communicates, or places under surveillance that person, a member of that person's immediate family, or someone with whom that person has or has had a continuing relationship that would cause a reasonable person to feel fear.

Domestic Violence

Domestic violence is an act or threatened act of violence upon a person with whom the actor is or has been involved in an intimate relationship with another person. The violence can include an actual act of violence against another person or used as a method of coercion, control, punishment, intimidation, or revenge directed against a person with whom the actor is or has been involved in an intimate relationship.

If you are the victim of unwanted sexual contact, intrusion, or penetration, domestic violence or stalking, you should immediately take action by notifying the Grand Junction Police Department, the Sexual Assault Response Team (SART), or the Vice President for Student Services. The contact information for the above organizations is as follows:

2. Campus Community --- At the request of student organizations, staff or faculty, presentations on sexual harassment, sexual assault, and alcohol and other drugs are presented for the general public, by the "AWARE Program" (Drug Abuse Prevention and Education) which is a component of the Colorado Mesa University "Student Assistance Program." 4. Sexual Assault Response Team – Provides training at the request of organizations on campus to reinforce the definition of sexual assault and give information on when and how to report sexual assaults.

What to Do If You Are Assaulted

DO: Victims of a sexual assault are encouraged to seek medical help, report the crime, and tell someone such as a counselor, friend, authority figure, parent or a police department authority.

DO NOT: Medical help is important for your safety after a sexual assault. Until you are examined by a medical professional do not douche, bathe, shower, or throw away or wash clothing or bedding.

Remember, it is critical to preserve medical and criminal evidence for a future judicial case. The decision is up to you to pursue criminal and/or University disciplinary charges.

Referrals

Any person may refer a victim or a student suspected of sexual assault and/or sexual harassment to any law enforcement authority for assistance in filing an incident report with the appropriate authority. In cases of sexual assault/sexual harassment, which involve student-to-student misconduct, the same processes as other violations of the Student Code of Conduct will be followed. Where sexual assault and/or sexual harassment involves staff to student misconduct, the incident will be investigated by the Affirmative Action Officer.

MEDICAL, LEGAL, COUNSELING AND SUPPORTIVE RESOURCES FOR VICTIMS

Generally, University jurisdiction and discipline shall be limited to conduct which occurs on University premises, property owned by the University, all satellite campuses, or at University authorized functions, or that which adversely affects the University community and/or the pursuit of its objectives. If the alleged charges cannot be disposed of by mutual written consent by the student and the SCO, the SCO shall convene a hearing before the Campus Student Conduct Board.

 - f. The advisor may not speak on the student's behalf, but may advise the student.
 - g. The Campus Student Conduct Board, complainant and the accused have the privilege of presenting witnesses, who may be subjected to questioning by involved parties. Pertinent records, exhibits, and written statements may be accepted as evidence for consideration at the discretion of the Campus Student Conduct Board.

5. All sanctions will be considered in full effect during the appeal process; that is, students will be expected to abide by all sanctions and in spite of the appeal process.

As a final matter of recourse after all other avenues have been exhausted, a student may appeal to the President of the University. Such an appeal is chiefly an opportunity for the student to seek clemency by explaining special circumstances that might be taken into account with respect to the penalties imposed. The purpose of an appeal to the President is not to initiate a rehearing of substantive issues of fact or a new determination of whether a violation of rules has occurred.

The deadline for filing either such appeal is five working days from the date of decision by the Vice President for Student Services or his/her designee.

Interpretation and Revision

Any question of interpretation regarding the Student Code of Conduct shall be referred to the Vice President for Student Services or his/her designee for final determination.

It is reasonable to expect that some students will not agree with established policies; and means to implement change are available to students via student government representation and/or formal proposals for policy change to the University Administration. However, until a particular policy is administratively altered, students are responsible to abide by published policies or risk being held accountable student conduct for misconduct.

The Student Code of Conduct shall be reviewed at least once every five years under the direction of the Vice President for Student Services or his/her designee.

SEX OFFENDER REGISTRATION

The Campus Sex Crimes Prevention Act (CSCPA) of 2000 is a federal law that provides for the tracking of convicted sex offenders enrolled at, volunteering at, or employed by institutions of higher education. The CSCPA is an amendment to the Jacob Wetterling Crimes Against Children and Sexually Violent Offender Act. The federal law requires state law enforcement agencies (in Colorado, it is the Colorado Bureau of Investigation through the Montrose Police Department) to provide Colorado Mesa University with a list of registered sex offenders who have indicated they are either enrolled at, volunteering at, or employed by CMU.

Colorado Mesa University is required to inform the campus community that a list of registered sex offenders residing within the city limits of Montrose will be maintained and available at the Montrose Police Department, 434 South 1st Street, Montrose, Colorado 81401.

Information about registered sex offenders enrolled at, volunteering at, or employed by Colorado Mesa University can be obtained by contacting the Investigations Section of the Montrose Police Department at (970) 252-5200.

The CSCPA further amends the Family Educational Rights and Privacy Act of 1974 (FERPA) to clarify that nothing in the Act can prohibit an educational institution from disclosing information provided to the institution concerning registered sex offenders.

The sex offender registry includes only those persons who have been convicted of certain acts of unlawful sexual behavior since July 1, 1991, and who are in compliance with the sex offender registration laws. Persons should not rely solely on the sex offender registry as a safeguard against perpetrators of sexual assault in their communities. The crime for which a person is convicted may not accurately reflect the level of risk.

This information should not be used to inflict retribution or additional punishment on any person convicted of an offense involving unlawful sexual behavior. Any reports of harassment will be investigated and prosecuted.

Offenders posted on this site include only those having committed specific crimes, and does not include a complete listing of individuals registered with the Montrose Police Department. For a complete listing of individuals who are in compliance with sex offender registration laws, and who are registered with the Montrose Police – contact the Records Section located at 434 South 1st Street, Montrose. Records staff are on duty Monday through Thursday, 7:00 AM to 6:00 PM, at 252-5200, except for the noon hour, 12:00 PM to 1:00 PM.

Offenders who are not in compliance may be listed on the State of Colorado website. You can access this website by logging on to <http://sor.state.co.us/> or through links from the State of Colorado government page.

CRIME PREVENTION PROGRAMS

Security and Safety Awareness Campaign

This program is designed to make the campus community aware of campus crime and provide information on reporting and implementing self-security to reduce overall campus crime. Self-help tips and reporting information is provided through posters, brochures and media advertising. This campaign is provided in the fall and the spring semester.

Whistle Stop Program

The program was implemented in 2001 to provide students, faculty and staff with a means to bring immediate attention should they find themselves in a situation they perceive as threatening. Whistles are provided free of charge as well as training as to when usage would be appropriate. Training is also provided that instructs anyone hearing a whistle to immediately activate the emergency response system by dialing 911 to provide responders with a location, as well as other pertinent information which may assist in identification and subsequent prosecution should the situation warrant it.

Bicycle Registration Program

Members of the campus community are encouraged to register their bicycles with the Montrose Police Department. Registrants receive a bicycle license from the City of Montrose with an identifying number and the bicycle serial number is filed with the department.

Video Surveillance

Video cameras are located in various areas throughout the campus. Besides serving as a deterrent to crime, these cameras have assisted law enforcement in identifying suspects in several cases.

EMERGENCY CONTACT SERVICE

The Office of the Director of the Colorado Mesa University Montrose Campus, or the Office of the Vice President for Student Services will serve as the primary referral points for students who need to be contacted due to an emergency. Although any campus personnel are free to deliver emergency messages to students when expedient, the Office of the Director of the Colorado Mesa University Montrose Campus, and the Vice President for Student Services Office would like to be informed in order to assure appropriate follow up and documentation.

Determining messaging for "emergencies" while students are in class will be handled on a case by case basis. It is important to note that we cannot guarantee a contact with any student due to their highly mobile behavior, but a good faith effort will be made. Keep in mind that we will not become a messaging service for non-emergent situations.

Depending on the type of emergency, a message will be delivered to the faculty member or work supervisor asking for the student to be dismissed and to:

1. Immediately contact the source of the message or;
2. Immediately proceed to the Colorado Mesa Montrose campus office for pertinent information.

ALCOHOL AND DRUG POLICY

In the State of Colorado it is illegal for any person under the age of twenty-one years to possess, consume, or purchase any alcoholic beverage. Any person under twenty-one years of age who possesses or consumes an alcoholic beverage anywhere in the state commits a crime. Anyone over the age of twenty-one commits a crime if they provide an alcoholic beverage to an underage person. Colorado Mesa University prohibits the possession of alcoholic beverages on campus-controlled property without valid use permits or permission of the University.

The State of Colorado prohibits the unlawful manufacture, distribution, sale, possession or use of drugs or controlled substances. The Grand Junction Police Department has the authority to enforce all federal, state, and local laws and official University policies. As a public institution and state agency, Colorado Mesa University expects all members of the University community to be responsible for their own behavior within the context of federal and state law and University regulations.

Colorado Mesa University is dedicated to instilling positive change in students' lives. The University believes the abuse of alcohol and drugs is counterproductive to this goal and has established campus policies and programs that support the following:

1. Reduced consumption by those who heavily use alcohol.
2. Responsible consumption for those who occasionally drink alcohol.

For additional information on CMU's drug and alcohol policy, refer to the DRUG-FREE SCHOOLS, CAMPUSES AND WORKPLACES policy publication, available upon request at the Office of Human Resources and online at <http://www.coloradomesa.edu/hr/documents/DrugFreeSchools-2007-08-cmu.pdf> or the [Maverick Guide](#).

MEDICAL MARIJUANA POLICY

If the Colorado Department of Public Health and Environment (CDPHE) issues a Medical Marijuana Registry identification card to a student, Colorado law allows that student to possess a limited amount of marijuana for medicinal purposes. However, possession of a Medical Marijuana Registry identification card does not authorize a student to possess, use, or distribute marijuana in any form, in any university residence hall/apartment, dining

facility, classroom building, or in any other public area or facility within university premises. If you are living on campus please refer to the [Maverick Guide](#) or [Residence Life Community Guidelines](#) for further information regarding this matter.

Alcohol and Drug Abuse Prevention Educational Programming

Educating the campus about the risks of using drugs and alcohol is one goal of a recent initiative to promote “Student Wellness.” Monthly e-mails are sent to students along with a link to the current edition of “Student Health 101,” an online magazine directed at college students.

WEAPONS POLICY

Campus safety is of the utmost priority at Colorado Mesa University. Weapons are not appropriate to the university experience. Weapons of any kind, functional or not, may not be carried or brandished on Colorado Mesa University property except for those covered under C.R.S. 18-12-105(2).

WHEN IN DOUBT CONTACT THE MONTROSE POLICE DEPARTMENT FOR CLARIFICATION.

On-campus residents under housing contract may possess sporting rifles or shotguns in accordance with University policy and may store sporting rifles, shot guns, and bow and arrows along with the ammunition for the same in the weapons safe located at the Police Department substation.

No weapons of any kind may be placed within the residence halls.

Students who seek accommodations for special circumstances may seek permission by contacting the Grand Junction Police Department or the Vice President for Student Services.

MISSING STUDENT POLICY

The purpose of this policy is to establish procedures for the University’s response to reports of missing students, as required by the Higher Education Opportunity Act of 2008.

This policy applies to students who reside in on-campus housing. This includes properties rented by the University for the current academic year.

For purposes of this policy, a student may be considered to be a “*missing student*” if the person’s absence is contrary to his/her usual pattern of behavior, have been missing for 24 hours, or unusual circumstances may have caused the absence. Such circumstances could include a reasonable/reliable report or suspicion that the missing student may be endangered. Examples include, but are not limited to, possible victim of foul play, expression of suicidal thoughts, alcohol or other drug abuse, a life-threatening situation, or recent contact with persons who may endanger the student’s welfare.

- I. Procedures for designation of confidential emergency contact information
 1. At the beginning of each semester students who live in on-campus housing will have the opportunity to designate an individual or individuals to be contacted by the University if the student is determined to be missing. This information will be maintained confidentially and will be available only to the Vice President for Student Services, Grand Junction Police Department, the Director of Residence Life or their designee.
 2. In the event a student who is under the age of 18 and is not emancipated is determined to be missing pursuant to the procedures set forth in the missing student policy, the University is required to notify a custodial parent or guardian, in addition to the student’s designated contact.

II. Official notification procedures for missing students

1. Any individual who has information that a residential student may be missing must notify the Vice President for Student Services office or Residence Life as soon as possible.
2. The Vice President for Student Services Office or Residence Life will work with campus offices, the reporting person(s) and the student's acquaintances to gather all essential information about the student (description, clothes last worn, where student might be, who student might be with, vehicle description, information about the student's physical and mental well being, an up-to-date photograph, class schedule, etc.). Appropriate campus staff will be notified to aid in the search for the student.
3. If the above actions are unsuccessful in locating the student or it is immediately apparent that the student is a missing person (e.g. witnessed abduction), the Vice President for Student Services Office or Residence Life will immediately:
 - a. Contact the appropriate local law enforcement agency to report the student as a missing person and the local law enforcement agency will take charge of the investigation.
 - b. Notify the emergency contact (for students 18 and over) or the emergency contact and the parent/guardian (for students under age of 18 and not emancipated) that the student is believed to be missing.

Note: When a student who does not reside on-campus is reported missing, local law enforcement authorities will be notified.
