INTRODUCTION

It is the policy of Colorado Mesa University (CMU) to provide for the safety and security of all members of its campus community. CMU believes that academic freedom can only flourish in an environment that is free of criminal or other disruptive activity and unsafe conditions. Colorado Mesa is committed to maintaining the campus community as a place of study, work and residence that is free from abuse, intimidation and harassment and where everyone is treated with respect and courtesy. The University will not tolerate criminal activity and will actively pursue internal discipline, criminal prosecution, or both, for all offenders.

Colorado Mesa University is a state-supported institution of higher education, whose main campus is located within the City of Grand Junction, Colorado. The Montrose Campus is a satellite campus of CMU and is operated within the City of Montrose, Colorado. The University works closely with the Montrose Police Department to coordinate efforts to provide for a safe and secure campus environment.

The Colorado Mesa University Montrose Campus annually serves approximately 250 students, 40 faculty and staff, visiting guests, and members of the public.

REPORTING OF CRIMINAL ACTIVITIES OR EMERGENCIES

The Montrose Police Department, in cooperation with the campus community, is responsible for public safety, security, parking enforcement, after hours emergency maintenance, and response to law enforcement and emergency incidents. Administrative offices are located at 434 South 1st Street. The Department has officers available 24 hours a day and can be reached by calling 911 for emergencies, (970) 252-5200 for non-emergencies or (970) 252-4010 after business hours. The Dispatcher can be reached at (970) 252-4021. The Police Department responds to all campus incidents reported by students, faculty, staff, and members of the general public.

Emergency response for fire, ambulance, or hazardous materials is the joint responsibility of the Montrose Fire Department (970-249-9181, non-emergency) and the Montrose Police Department (970-252-5200, non-emergency).

TO REPORT A CRIME OR EMERGENCY

All students, staff, and visitors should promptly report criminal incidents, accidents, and other emergencies to the Montrose Police Department by dialing 911.

Members of the campus community are encouraged to report any activity, situation, or conduct that disrupts, adversely affects, or interferes with the function of the University and the pursuit of its educational purpose.

Campus Security Authorities

“Campus security authority” is a Clery-specific term defined as a campus police or security official or other official with significant responsibility for campus and student activities. Listed below are CMU campus security authorities and the phone numbers of either the campus security authority or an administrative professional who can help in contacting the designated campus security authority.

Individuals may provide information about a crime or suspect by calling 249-8500.

For the purpose of making timely warnings and annual statistical disclosures, a [voluntary confidential report](#) of any crime can be made to the Vice President for Student Services by any person directly associated with the University.

Individuals may also anonymously report concerns via an online submission form located at the “Report a Concern” link on the University’s [Safety Resources and Services](#) webpage. The information submitted goes directly to the Student Conduct Officer and Vice President of Student Services. This reporting method should not be used to report emergencies.

The University employs no pastoral counselors, but does have a contract with professional counselors for anyone in the University community to visit if psychological assistance is needed. These counselors are not campus security authorities, but the University encourages them to refer persons that they are counseling to report crimes on a voluntary, confidential basis for inclusion in the annual crime statistics.

MONTROSE POLICE DEPARTMENT AUTHORITY

The Montrose Police Department has the authority to enforce all federal, state, and local laws, as well as official policies of Colorado Mesa University, as Level I Peace Officers (CRS 18-1-901). The authority of police officers is limited to the boundaries of the City of Montrose or anywhere when in fresh pursuit of an offender, or when called to assist another agency outside the city limits.

The Montrose Police Department maintains close relations with all federal, state, and local law enforcement entities. Criminal cases are filed into the Montrose County Courts or alternatively into the Montrose Municipal Court. Colorado Mesa University amplifies their available resources through this cooperative effort in order to support a safe, secure environment on campus.

TIMELY WARNINGS

A condition or incident that could compromise the safety and well-being of any member of the Colorado Mesa University community will result in an appropriate timely warning being issued. The warning will be communicated to the University community in one or more of the following ways: e-mail, emergency text and voice messaging system, notices on the college’s website (MAVzone portal), and posters/flyers posted around campus. The President’s

Office or the Vice President for Student Services, or the Director of the CMU Montrose Campus, in collaboration with the Montrose Police Department, will issue the warning.

Any member of the community who is aware of an incident or emergency should notify an employee of the University who will in turn notify either the President, Vice President for Student Services, the Director of the CMU Montrose Campus, or the Montrose Police Department immediately so a timely warning can be issued if need be.

EMERGENCY RESPONSE AND EVACUATION PROCEDURE

Colorado Mesa University has contracted with an emergency notification provider to send alert text messages to cellular phones and distribute voice messages in the event of an emergency situation which may pose an immediate threat to the health or safety of the campus community. While the University encourages students, faculty, and staff to participate in the emergency notification system, opting to receive the emergency notifications is completely voluntary and only one of the ways the University will attempt to alert the campus community to an emergency event.

Colorado Mesa University will, without delay—taking into account the safety of the campus community—determine appropriate content of a notification and initiate the notification system unless the notification will, in the professional judgment of authorities, compromise efforts to assist victims or to contain, respond to, or otherwise mitigate the emergency.

The content and initiation of the notification system will be determined by the University President, or his/her designee, in consultation with appropriate campus personnel. For the purposes of this procedure, the University President, in addition to preserving this authority himself, has appointed appropriate campus officials as safety designees. The identity of these officials is kept in the Campus Emergency Operations Plan.

The emergency notification system may be initiated only at the direction of the University President, or his/her designee, unless the Montrose Police Department has determined that an imminent threat requiring immediate action is posed to the campus community.

The contact information provided for the notification system will not be sold or released to any other party. The University intends to only use the provided contact information to alert the campus community of emergency situations or an event that directly poses a life-safety risk to the campus community. In addition, the emergency notification system will be tested once per term, not to exceed three (3) times per calendar year.

Colorado Mesa University does not warrant the successful delivery of each message to each individual recipient. The service depends on the individual cellular and mobile phone carriers to deliver Simple Messaging System or SMS/text messaging to each recipient. There may be a charge by your cell phone provider to receive text messages.

Alert Channels

In the case of an emergency, students, faculty, and staff will be notified through one or more of the following channels:

- Text Message
- Voice Message
- Colorado Mesa University Email
- Official CMU social media accounts
- Colorado Mesa University official website (<http://coloradomesa.edu>)

SECURITY AND ACCESS TO CAMPUS FACILITIES

The Colorado Mesa University Montrose Campus leases its facility from the Montrose Regional Library District. The CMU Montrose Campus is an open campus with facilities available to students and the public. All academic buildings are unlocked during normal academic hours. Admission to any non-residential facility after hours is limited to authorized persons with a building key. Buildings are secured by CMU faculty, staff, Montrose Library District staff, and custodial personnel; parking lots and buildings are periodically patrolled by police officers 24 hours a day, seven days a week.

Maintenance Security

The maintenance of the facility is the responsibility of the Montrose Regional Library District. All mechanical problems that could cause physical harm to the public or members of the campus community are given a priority status. Maintenance personnel are provided by the Montrose Library District. Please direct any concerns to the Montrose Campus staff at 970-249-7009; the campus staff will notify maintenance personnel. Maintenance personnel can be contacted directly by calling the Montrose Regional Library District at 970-249-9656.

RESPONSIBILITY FOR PREPARATION OF THIS REPORT

The Montrose Police Department makes a report of all crimes reported to them that occur on and near the campus. Once a year their records division compiles and classifies all of the statistics pertinent to the Campus Security Act for the purpose of making this report. Montrose Police Department Records Division may be reached Monday through Thursday, 7:00 AM to 6:00 PM, at 252-5200, except for the noon hour, 12:00 PM to 1:00 PM.

Information for student discipline statistics is generated from: Student Conduct Officer records, Residence Life records, and records from the Vice President for Student Services.

The Montrose PD statistics and the student discipline statistics are compiled by the Office of Institutional Research, who updates the report. A draft of the report is sent to appropriate members of the University community to update information from their individual areas. After all updates are made, the report is posted on the University's website and students and staff are made aware of it and its location through e-mail.

Note: The Student Conduct Officer, the Vice President for Student Services and the Campus Security Command Officer receive copies of incident reports of crimes occurring off campus involving enrolled students. These data are not included in the annual statistics.

Student Conduct Guidelines

1. Any member of the University community may file a complaint against any student (“respondent”) for alleged misconduct. Allegations of misconduct should be prepared in writing and presented to the Student Conduct Officer (SCO).
2. The SCO will provide a Notice of Alleged Misconduct to the involved student(s) and conduct an investigation into the matter. If a reasonable basis exists to support an allegation, the respondent student may dispose of the allegation(s) during the course of an Administrative Hearing with the SCO or his/her designee. If the alleged conduct violation fits within the guidelines of a petty offense or a misdemeanor offense as described by Colorado law, the allegation(s) will be addressed by the Student Conduct Officer. In the event the allegation(s) fits within the boundaries of a felony offense as described by Colorado law or is an assault related offense, other than a sexual assault, a student may elect to resolve the allegation(s) during the course of an Administrative Hearing with the SCO, or his/her designee, or during a hearing before a Campus Student Conduct Board.
3. The Campus Student Conduct Board is composed of six (6) members of the campus community including two students, two faculty, and two staff members. Student representation on the Campus Student Conduct Board will consist of Associated Student Government Justices of the Supreme Court. Faculty representatives are appointed by the Faculty Senate and staff representatives are appointed by the Vice President for Student Services.
4. In the event the complaint(s) is based on alleged sexual harassment, sexual assault, stalking, dating violence, or domestic violence, an investigation into the matter will be conducted by a University-designated Title IX investigator. Both the complainant and the accused will be notified of the outcome of the investigation. In most cases, the investigation will be completed within 60 days of receipt of the complaint. In those cases involving complaints based on sexual harassment and/or sexual misconduct, a hearing with the Campus Student Conduct Board is mandatory if there is a reasonable basis by which to support the allegation(s). In most cases, the hearing will be completed within 90 days of receipt of the complaint. At such hearing, every reasonable effort shall be made to avoid the complainant being directly questioned by the respondent.
5. In the case of either an Administrative Hearing or a Campus Student Conduct Board hearing, all charges shall be presented to the respondent in written form. A hearing shall be set by the SCO in a timely fashion, with reasonable scheduling accommodations made to all involved parties.
6. Hearings shall be conducted by the Campus Student Conduct Board according to the following guidelines:
 - a. Hearings normally shall be conducted in private and conducted on an informal basis. Every effort will be made to arrive at the truth and to insure a fair hearing without the appearance of a court proceeding.
 - b. Admission of any person to the hearing shall be at the discretion of the designated Chairperson of the Campus Conduct Board after consultation with all involved parties.
 - c. In hearings involving more than one accused student, the Campus Student Conduct Board, at its discretion, may permit the hearings concerning each student to be conducted separately.
 - d. The complainant and the respondent have the right to be assisted by any advisor they choose, at their own expense. The advisor may be an attorney. However, the complainant and/or respondent is responsible for representing themselves and speaking on their own behalf.
 - e. The advisor may not speak on the student’s behalf, but may advise the student.
 - f. The Campus Student Conduct Board, complainant and respondent may present witnesses, who may be subjected to questioning by all involved parties. Pertinent records, exhibits, and written statements may be accepted as evidence for consideration at the discretion of the Campus Student Conduct Board. To the maximum extent practicable, all available and pertinent records, exhibits, and written statements shall be presented to all parties in advance of the hearing.

- g. All procedural questions are subject to final decision by the assigned Chairperson of the Campus Student Conduct Board or, in the case of an Administrative Hearing, the Student Conduct Officer. Following the hearing, the Campus Student Conduct Board shall make a determination on the basis of whether it is more likely than not that the respondent violated the Student Code of Conduct.
- 7. Should a student disregard a notice to appear before the Campus Student Conduct Board or the Student Conduct Officer (SCO), the hearing shall continue, a determination shall be made, and sanction(s) will be imposed, as appropriate, if the student is found in violation of the Student Code of Conduct.
- 8. There shall be a single verbatim record - such as audio/video/written - of hearing proceedings. The record shall be the property of the University.
- 9. At the discretion of the Vice President for Student Services (VPSS), in extraordinary circumstances an administrative hearing may be held in lieu of a Campus Student Conduct Board (CSCB) hearing, in which case the VPSS or his/her designee shall conduct the hearing, subject to the equivalent guidelines of a CSCB hearing.

Note: In the event a student decides to leave the University prior to his/her Administrative Hearing or Campus Student Conduct Board Hearing, a Disciplinary Hold shall be placed on the student record and the student will be required to attend said hearing prior to re-admittance to the University.

Interim Suspension

The Vice President for Student Services and/or Student Conduct Officer reserves the right to temporarily suspend a student without prejudice pending the outcome of an Administrative Hearing or a Campus Student Conduct Board Hearing under the following circumstances:

1. Interim suspension may be imposed only:
 - a. To ensure the safety and wellbeing of members of the University community or preservation of University property;
 - b. To ensure the student's own physical or emotional safety and wellbeing;
 - c. If the student poses an immediate threat of disruption of, or interference with, the normal operation of the University.
2. During the interim suspension, students shall be denied access to the campus, including classes and/or all other University activities or privileges for which the student might otherwise be eligible, as determined by the Office of the Vice President for Student Services.

Administrative Withdrawal

A student may be administratively withdrawn from CMU if the University determines that the student:

1. Demonstrates ongoing behavior that is unreasonably disruptive to the normal learning processes and orderly operation of the University and/or
2. Demonstrates behavior that endangers him/herself and/or
3. Demonstrates behavior that endangers others or that creates a direct threat that may endanger others.

In the event there is evidence that the student poses an immediate threat to his or herself or others, the Student Conduct Officer or appropriate University official may impose an immediate interim suspension of the student until such time that the student issue can be handled in an appropriate manner in accordance with the Student and Academic Policies Guide.

Student Appeal Rights for Sanctions A decision reached and/or sanction imposed by the Student Conduct Officer may be appealed by either the complainant or the respondent student within (5) working days of said decision to the Vice President for Student Services. Such appeals shall be in writing and shall be delivered to the Vice President for Student Services.

A decision reached and/or a sanction imposed by Campus Student Conduct Board hearing may be appealed by the complainant or respondent within five (5) working days of the decision. Such appeals shall be made in writing and shall be delivered to the Vice President for Student Services or his/her designee.

Except as required to explain the basis of new evidence, an appeal shall be limited to review of the verbatim record of the initial hearing and supporting documents for one or more of the following purposes:

1. To determine whether the original hearing was conducted fairly in light of the charges and evidence presented, and in conformity with prescribed procedures giving the complaining party a reasonable opportunity to prepare and to present a rebuttal of those allegations;
2. To determine whether the decision reached was based on substantial evidence, that is, whether the facts in the case were sufficient to establish that it was more likely than not that a violation of the Student Code of Conduct occurred;
3. To determine if the sanction(s) imposed were appropriate given the violation of the Student Code of Conduct which the student was found to have committed;
4. To consider new evidence, sufficient to alter a decision, or other relevant facts not brought out in the original hearing, because such evidence and/or facts were not known to the person appealing at the time of the original hearing;
5. All sanctions will be considered in full effect during the appeal process; that is, students will be expected to abide by all sanctions even if the student has appealed his or her sanctions.

As a final matter of recourse after all other avenues have been exhausted, the complainant or an accused student may appeal a sanction or administrative withdrawal to the President of the University. Such an appeal is chiefly an opportunity to explain special circumstances that might be taken into account with respect to the penalties imposed. The purpose of an appeal to the President is not to initiate a rehearing of substantive issues of fact or to request a new determination of whether a violation of rules has occurred.

The deadline for filing either such appeal is five (5) working days from the date of decision by the Vice President for Student Services or his/her designee.

Standard of Proof

The University views violations of the Student Code of Conduct as a civil process and separate from the Rule of Law, which govern civil and criminal behavior. As such, determinations of student responsibility shall be made on the basis of the preponderance of the evidence. Preponderance of the Evidence is defined as whether it is more likely than not that a student committed the alleged violation(s). Overall, it is the responsibility of the SCO and the Campus Student Conduct Board to evaluate all evidence, statements, and witnesses to ensure every effort is made to arrive at the truth.

SEX OFFENDER REGISTRATION

The Campus Sex Crimes Prevention Act (CSCPA) of 2000 is a federal law that provides for the tracking of convicted sex offenders enrolled at, volunteering at, or employed by institutions of higher education. The CSCPA is an amendment to the Jacob Wetterling Crimes Against Children and Sexually Violent Offender Act. The federal law requires state law enforcement agencies (in Colorado, it is the Colorado Bureau of Investigation through the Montrose Police Department) to provide Colorado Mesa University with a list of registered sex offenders who have indicated they are either enrolled at, volunteering at, or employed by CMU.

Colorado Mesa University is required to inform the campus community that a list of registered sex offenders residing within the city limits of Montrose will be maintained and available at the Montrose Police Department, 434 South 1st Street, Montrose, Colorado 81401.

Information about registered sex offenders enrolled at, volunteering at, or employed by Colorado Mesa University can be obtained by contacting the Investigations Section of the Montrose Police Department at (970) 252-5200.

The CSCPA further amends the Family Educational Rights and Privacy Act of 1974 (FERPA) to clarify that nothing in the Act can prohibit an educational institution from disclosing information provided to the institution concerning registered sex offenders.

The sex offender registry includes only those persons who have been convicted of certain acts of unlawful sexual behavior since July 1, 1991, and who are in compliance with the sex offender registration laws. Persons should not rely solely on the sex offender registry as a safeguard against perpetrators of sexual assault in their communities. The crime for which a person is convicted may not accurately reflect the level of risk.

This information should not be used to inflict retribution or additional punishment on any person convicted of an offense involving unlawful sexual behavior. Any reports of harassment will be investigated and prosecuted.

Offenders posted on this site include only those having committed specific crimes, and does not include a complete listing of individuals registered with the Montrose Police Department. For a complete listing of individuals who are in compliance with sex offender registration laws, and who are registered with the Montrose Police – contact the

Records Section located at 434 South 1st Street, Montrose. Records staff are on duty Monday through Thursday, 7:00 AM to 6:00 PM, at 252-5200, except for the noon hour, 12:00 PM to 1:00 PM.

Offenders who are not in compliance may be listed on the State of Colorado website. You can access this website by logging on to <https://www.colorado.gov/apps/cdps/sor/> or through links from the State of Colorado government page.

CRIME PREVENTION PROGRAMS

Security and Safety Awareness Campaign

This program is designed to make the campus community aware of campus crime and provide information on reporting and implementing self-security to reduce overall campus crime. Self-help tips and reporting information are provided through posters, brochures and media advertising. This campaign is provided in the fall and the spring semester.

Whistle Stop Program

The program was implemented in 2001 to provide students, faculty and staff with a means to bring immediate attention should they find themselves in a situation they perceive as threatening. Whistles are provided free of charge as well as training as to when usage would be appropriate. Training is also provided that instructs anyone hearing a whistle to immediately activate the emergency response system by dialing 911 to provide responders with a location, as well as other pertinent information which may assist in identification and subsequent prosecution should the situation warrant it.

Bicycle Registration Program

Members of the campus community are encouraged to register their bicycles with the Montrose Police Department. Registrants receive a bicycle license from the City of Montrose with an identifying number and the bicycle serial number is filed with the department.

Video Surveillance

Video cameras are located in various areas throughout the campus. Besides serving as a deterrent to crime, these cameras have assisted law enforcement in identifying suspects in several cases.

EMERGENCY CONTACT SERVICE

The Office of the Director of the Colorado Mesa University Montrose Campus, or the Office of the Vice President for Student Services will serve as the primary referral points for students who need to be contacted due to an emergency. Although any campus personnel are free to deliver emergency messages to students when expedient, the Office of the Director of the Colorado Mesa University Montrose Campus, and the Vice President for Student Services Office would like to be informed in order to assure appropriate follow up and documentation.

Determining messaging for "emergencies" while students are in class will be handled on a case by case basis. It is important to note that we cannot guarantee a contact with any student due to their highly mobile behavior, but a good faith effort will be made. Keep in mind that we will not become a messaging service for non-emergent situations.

Depending on the type of emergency, a message will be delivered to the faculty member or work supervisor asking for the student to be dismissed and to:

1. Immediately contact the source of the message or;
2. Immediately proceed to the Colorado Mesa Montrose campus office for pertinent information.

ALCOHOL AND DRUG POLICY

As a public institution and state agency, Colorado Mesa University expects all members of the University community to be responsible for their own behavior within the context of state and federal law and University regulations.

Colorado Mesa University is dedicated to instilling positive change in students' lives. The University believes the abuse of alcohol and drugs is counterproductive to this goal and has established campus policies and programs, consistent with state and federal law, which support responsible use for those adults who choose to partake in the consumption of alcohol.

The Campus Policy Regarding Alcohol and Drug Use:

1. The possession or use of alcoholic beverages and illegal drugs is not allowed in any residence halls. Alcoholic beverages may not be used by, possessed by, or distributed to any person under twenty-one (21) years of age. Illegal drugs, including marijuana, may not be used by, possessed by, or distributed to anyone on campus property, to include all campus buildings.
2. Alcoholic beverages may be consumed in pre-approved areas, such as "The Point" and for pre-approved events by the President's Office or his/her designee. At all other times and in all other locations, the possession and consumption of alcoholic beverages on campus and in all campus buildings, including the residence halls and apartments, is not permitted by students, faculty, staff, or guests regardless of whether those individuals are twenty-one (21) years of age or not.
3. Illegal use, possession, or distribution of drugs and/or drug paraphernalia on campus will result in disciplinary action and probable arrest.
4. All controlled substances on campus in violation of state and federal laws, or local ordinances, will be confiscated or destroyed and may be subject to criminal action.
5. Visible intoxication/impairment and any disruptive behavior conducted on campus or at campus-sponsored events off campus resulting from the use of alcohol or other drugs may result in disciplinary actions.
6. Furnishing alcoholic beverages or drugs to persons under the legal age or possession and consumption of alcoholic beverages by those under the legal age will result in disciplinary action and probable arrest.
7. Use of University funds to purchase alcoholic beverages is prohibited.
8. The disciplinary actions for violations of the campus alcohol/drug policy are intended to accomplish the following objectives: To deter students from further violations of campus policy and to educate students concerning the health effects of alcohol/drug abuse.

Students are responsible for observing University policy, state and federal regulations pertaining to alcohol and controlled substances. Students who are in violation of the University policy will be subject to the following disciplinary review:

1. Incidents which occur within the residence halls or apartments, will be reviewed by Residence Life and handled by the appropriate Coordinator or Residence Life Student Conduct Board. For more severe incidents, the student may be required to report to the Student Conduct Officer.
2. The Student Conduct Officer will handle all other incidents that occur both on and off campus. The Student Conduct Officer will not handle incidents that occur within the residence halls or apartments, unless referred by the Director of Residence Life.
3. Students who violate local, state, and federal laws shall be contacted by the Student Conduct Officer to address the alleged violation(s).
4. A student that is convicted in a criminal court for possession of illegal drugs or substances can lose all financial aid assistance, per federal financial aid rules.

For additional information on CMU's drug and alcohol policy, refer to the DRUG-FREE SCHOOLS, CAMPUSES AND WORKPLACES policy publication, available upon request at the Office of Human Resources and online at <http://www.coloradomesa.edu/hr/documents/DrugFreeSchools-October2013.pdf> or the [Maverick Guide](#).

MEDICAL MARIJUANA POLICY

If the Colorado Department of Public Health and Environment (CDPHE) issues a Medical Marijuana Registry identification card to a student, Colorado law allows that student to possess a limited amount of marijuana for medicinal purposes. However, possession of a Medical Marijuana Registry identification card does not authorize a student to possess, use, or distribute marijuana in any form, in any University residence hall/apartment, dining facility, classroom building, or in any other public area or facility within University premises. If you are living on campus please refer to the [Maverick Guide](#) or [Residence Life Community Guidelines](#) for further information regarding this matter.

Recreational marijuana use, possession, and distribution on campus property or at a University sponsored event or activity is a violation of the Residence Life Policy and the Student Code of Conduct.

Alcohol and Drug Abuse Prevention Educational Programming

Colorado Mesa University strives to promote healthy lifestyles and provide resources for students and staff who want to pursue healthy choices. Marijuana 101 and AlcoholEdu classes are available to educate students about the risks of using drugs and alcohol. The newest initiative to promote healthy choices is the addition of addictions/substance abuse counseling services provided by a licensed addiction counselor who is available for individual or group counseling sessions using the evidenced-based Prime for Life curriculum. Participation in addictions counseling sessions may be voluntary or sanctioned as a part of the conduct process.

MISSING STUDENT POLICY

The purpose of this policy is to establish procedures for the University's response to reports of missing students, as required by the Higher Education Opportunity Act of 2008.

This policy applies to students who reside in on-campus housing. This includes properties rented by the University for the current academic year.

For purposes of this policy, a student may be considered to be a "*missing student*" if the person's absence is contrary to his/her usual pattern of behavior, have been missing for 24 hours, or unusual circumstances may have caused the absence. Such circumstances could include a reasonable/reliable report or suspicion that the missing student may be endangered. Examples include, but are not limited to, possible victim of foul play, expression of suicidal thoughts, alcohol or other drug abuse, a life-threatening situation, or recent contact with persons who may endanger the student's welfare.

- I. Procedures for designation of confidential emergency contact information

At the beginning of each semester students who live in on-campus housing will have the opportunity to designate an individual or individuals to be contacted by the University if the student is determined to be missing. This information will be maintained confidentially and will be available only to the Vice President for Student Services, Grand Junction Police Department, the Director of Residence Life or their designee.
 2. In the event a student who is under the age of 18 and is not emancipated, is determined to be missing pursuant to the procedures set forth in the missing student policy, the University is required to notify a custodial parent or guardian, in addition to the student's designated contact.
- II. Official notification procedures for missing students
 1. Any individual who has information that a residential student may be missing must notify the Vice President for Student Services office or Residence Life as soon as possible.
 2. The Vice President for Student Services Office or Residence Life will work with campus offices, the reporting person(s) and the student's acquaintances to gather all essential information about the student (description, clothes last worn, where student might be, who student might be with, vehicle description, information about the student's physical and mental well-being, an up-to-date photograph, class schedule, etc.). Appropriate campus staff will be notified to aid in the search for the student.
 3. If the above actions are unsuccessful in locating the student or it is immediately apparent that the student is a missing person (e.g. witnessed abduction), the Vice President for Student Services Office or Residence Life will immediately:
 - a. Contact the appropriate local law enforcement agency to report the student as a missing person and the local law enforcement agency will take charge of the investigation.
 - b. Notify the emergency contact (for students 18 and over) or the emergency contact and the parent/guardian (for students under age of 18 and not emancipated) that the student is believed to be missing.

Note: When a student who does not reside on-campus is reported missing, local law enforcement authorities will be notified.

Fire safety education and training programs

During the initial residence hall/apartment floor meetings Residence Life staff talk with students about fire safety, the alarm system and where to evacuate to in the event of a fire alarm. If a fire does occur it should be reported to an

Area/Residence Hall Coordinator, the Assistant Director of Residence Life, Director of Residence Life, Vice President for Student Services, or the Grand Junction Police.
