INTRODUCTION

It is the policy of Colorado Mesa University (CMU) to provide for the safety and security of all members of its campus community. The University believes that academic freedom can only flourish in an environment that is free of criminal or other disruptive activity and unsafe conditions. Colorado Mesa is committed to maintaining the campus community as a place of study, work, and residence that is free from abuse, intimidation, and harassment where everyone is treated with respect and courtesy. The University will not tolerate criminal activity and will actively pursue internal discipline, criminal prosecution, or both for all offenders.

Colorado Mesa University is a state-supported institution of higher education, whose main campus is located within the City of Grand Junction, Colorado. The Montrose Campus is a satellite campus of CMU and operates within the City of Montrose, Colorado. The University works closely with the Montrose Police Department to coordinate efforts to provide for a safe and secure campus environment.

The Colorado Mesa University Montrose Campus annually serves approximately 250 students, 40 faculty and staff, visiting guests, and members of the public.

REPORTING OF CRIMINAL ACTIVITIES OR EMERGENCIES

The Montrose Police Department, in cooperation with the campus community, is responsible for public safety, security, parking enforcement, after hours emergency maintenance, and response to law enforcement and emergency incidents. Administrative offices are located at 434 South 1st Street. The Department has officers available 24 hours a day and can be reached by calling 911 for emergencies, (970) 252-5200 for non-emergencies or (970) 252-4010 after business hours. The Dispatcher can be reached at (970) 252-4021. The Police Department responds to all campus incidents reported by students, faculty, staff, and members of the general public.

Emergency response for fire, ambulance, or hazardous materials is the joint responsibility of the Montrose Fire Department (970-249-9181, non-emergency) and the Montrose Police Department (970-252-5200, non-emergency). Non-emergent incidents may also be reported on the CMU "[Report a Concern](#)" webpage.

TO REPORT A CRIME OR EMERGENCY

All students, staff, and visitors should promptly report criminal incidents, accidents, and other emergencies to the Montrose Police Department by dialing 911.

Members of the campus community are encouraged to report any activity, situation, or conduct that disrupts, adversely affects, or interferes with the function of the University and the pursuit of its educational purpose.

Campus Security Authorities

"Campus security authority" is a Clery-specific term defined as a campus police or security official or other official with significant responsibility for campus and student activities. Should an individual choose not to report directly to the Montrose Police Department as noted above, they may report the incident to a campus security authority. Listed below are CMU campus security authorities and the phone numbers of either the campus security authority or an administrative professional who can help in contacting the designated campus security authority.

Individuals may also report crimes anonymously through Crime Stoppers. The Crime Stoppers phone line is not recorded and has no caller ID. Information provided by callers is routed to the law enforcement agency investigating the case. If information leads to an arrest, up to \$1,000 may be rewarded to the caller. Individuals may provide information about a crime or suspect by calling 249-8500.

Individuals may also anonymously report concerns via an online submission form located at the “Report a Concern” link on the University’s [Safety Resources and Services](#) webpage. The information submitted goes directly to the Director of Campus Safety and Student Conduct and Vice President of Student Services. This reporting method should not be used to report emergencies. Individuals may also use this link for the purpose of making reports to be included in annual statistical disclosures.

The University employs no pastoral counselors, but does have a contract with professional counselors for anyone in the University community to visit if psychological assistance is needed. These counselors are not campus security authorities, but the University encourages them to refer persons that they are counseling to report crimes on a voluntary, confidential basis for inclusion in the annual crime statistics.

MONTROSE POLICE DEPARTMENT AUTHORITY

The Montrose Police Department has the authority to enforce all federal, state, and local laws, as well as official policies of Colorado Mesa University, as Level I Peace Officers (CRS 18-1-901). The authority of police officers is limited to the boundaries of the City of Montrose or anywhere when in fresh pursuit of an offender, or when called to assist another agency outside the city limits.

The Montrose Police Department maintains close relations with all federal, state, and local law enforcement entities. Criminal cases are filed into the Montrose County Courts or alternatively into the Montrose Municipal Court. Colorado Mesa University amplifies their available resources through this cooperative effort in order to support a safe, secure environment on campus.

TIMELY WARNINGS

A condition or incident that could compromise the safety and well-being of any member of the Colorado Mesa University community will result in an appropriate timely warning being issued. The warning will be communicated to the University community in one or more of the following ways: e-mail, emergency text and voice messaging

system, notices on the college's website (MAVzone portal), and posters/flyers posted around campus. The President's Office or the Vice President for Student Services, or the Director of the CMU Montrose Campus, in collaboration with the Montrose Police Department, will issue the warning.

Any member of the community who is aware of an incident or emergency should notify an employee of the University who will in turn notify either the President, Vice President for Student Services, the Director of the CMU Montrose Campus, or the Montrose Police Department immediately so a timely warning can be issued if need be.

EMERGENCY RESPONSE AND EVACUATION PROCEDURE

Colorado Mesa University has contracted with an emergency notification provider to send alert text messages to cellular phones and distribute voice messages in the event of an emergency situation which may pose an immediate threat to the health or safety of the campus community. While the University encourages students, faculty, and staff to participate in the emergency notification system, opting to receive the emergency notifications is completely voluntary and only one of the ways the University will attempt to alert the campus community to an emergency event.

Colorado Mesa University will, without delay—taking into account the safety of the campus community—determine appropriate content of a notification and initiate the notification system unless the notification will, in the professional judgment of authorities, compromise efforts to assist victims or to contain, respond to, or otherwise mitigate the emergency.

The content and initiation of the notification system will be determined by the University President, or his/her designee, in consultation with appropriate campus personnel. For the purposes of this procedure, the University President, in addition to preserving this authority himself, has appointed appropriate campus officials as safety designees. The identity of these officials is kept in the Campus Emergency Operations Plan.

The emergency notification system may be initiated only at the direction of the University President, or his/her designee, unless the Montrose Police Department has determined that an imminent threat requiring immediate action is posed to the campus community.

The contact information provided for the notification system will not be sold or released to any other party. The University intends to only use the provided contact information to alert the campus community of emergency situations or an event that directly poses a life-safety risk to the campus community. In addition, the emergency notification system will be tested once per term, not to exceed three (3) times per calendar year.

Colorado Mesa University does not warrant the successful delivery of each message to each individual recipient. The service depends on the individual cellular and mobile phone carriers to deliver Simple Messaging System or SMS/text messaging to each recipient. There may be a charge by your cell phone provider to receive text messages.

Alert Channels

In the case of an emergency, students, faculty, and staff will be notified through one or more of the following channels:

- Text Message
- Voice Message
- Colorado Mesa University Email
- Official CMU social media accounts
- Colorado Mesa University official website (<http://coloradomesa.edu>)

SECURITY AND ACCESS TO CAMPUS FACILITIES

The Colorado Mesa University Montrose Campus leases its facility from the Montrose Regional Library District. The CMU Montrose Campus is an open campus with facilities available to students and the public. All academic buildings are unlocked during normal academic hours. Admission to any facility after hours is limited to authorized persons with a building key. Buildings are secured by CMU faculty, staff, Montrose Library District staff, and custodial personnel; parking lots and buildings are periodically patrolled by police officers 24 hours a day, seven days a week.

Maintenance Security

The maintenance of the facility is the responsibility of the Montrose Regional Library District. All mechanical problems that could cause physical harm to the public or members of the campus community are given a priority status. Maintenance personnel are provided by the Montrose Library District. Please direct any concerns to the Montrose Campus staff at 970-249-7009; the campus staff will notify maintenance personnel. Maintenance personnel can be contacted directly by calling the Montrose Regional Library District at 970-249-9656.

RESPONSIBILITY FOR PREPARATION OF THIS REPORT

The Montrose Police Department makes a report of all crimes reported to them that occur on and near the campus. Once a year their records division compiles and classifies all of the statistics pertinent to the Campus Security Act for the purpose of making this report. Montrose Police Department Records Division may be reached Monday through Thursday, 7:00 AM to 6:00 PM, at 252-5200.

Information for student discipline statistics is generated from: Director of Campus Safety and Student Conduct records, Residence Life records, and records from the Vice President for Student Services.

The Montrose PD statistics and the student discipline statistics are compiled by the Office of Institutional Research, who updates the report. A draft of the report is sent to appropriate members of the University community to update information from their individual areas. After all updates are made, the report is posted on the University's website and students and staff are made aware of it and its location through e-mail.

Note: The Student Conduct Officer, the Vice President for Student Services and the Campus Security Command Officer receive copies of incident reports of crimes occurring off campus involving enrolled students. These data are not included in the annual statistics.

SEXUAL ASSAULT, SEXUAL HARASSMENT, DOMESTIC VIOLENCE, DATING VIOLENCE & STALKING

Colorado Mesa University is committed to providing a living environment in which students and employees can live, work, and study free from sexual harassment, sexual assault, sexual intimidation, sexual exploitation, domestic violence, dating violence, and stalking.

Sexual Harassment

It is the policy of Colorado Mesa University to maintain a campus environment free from sexual harassment. Unwelcome sexual advances, requests for sexual favors, and other verbal or physical conduct of a sexual nature may constitute sexual harassment when submission to or rejection of this conduct explicitly or implicitly affects or interferes with a student's or employee's work or academic performance, or creates an intimidating, hostile or

objectively offensive academic or work environment. To constitute sexual harassment, such conduct must be severe, pervasive and objectively offensive.

Sexual harassment can occur in a variety of circumstances, including but not limited to the following:

1. The victim as well as the harasser may be a woman or a man. The victim does not have to be of the opposite sex.
2. The harasser can be another student, staff member, faculty member, or a non-employee.
3. The victim does not have to be the person harassed but could be anyone affected by the objectively offensive conduct.
4. Unlawful sexual harassment may occur without economic injury to the victim.
5. The harasser's conduct must be unwelcome.

Reporting sexual harassment may help the reporting student in coping with the situation, as well as assist the student with resources to ensure that the student, and others, can attend the University in a safe environment. If the perpetrator of the harassment is another student, the incident should be reported to the Title IX Coordinator, the Office of Student Services in Lowell Heiny Hall 448, a Residence Life staff member, or the Sexual Assault Response Team at (970) 270-5895. Instances of sexual harassment by a University employee should be reported to the Title IX Coordinator or Human Resources at 970-248-1426.

Sexual Assault

Colorado Mesa University is committed to providing a living environment in which students can live, work, and study free from Non-Consensual Sexual Contact (NCSC) and Non-Consensual Sexual Intercourse (NCSI), collectively referred to hereafter as Sexual Assault.

1. Non-Consensual Sexual Contact (NCSC) is:

Preservation of Evidence

The preservation of any evidence may assist in proving that the alleged criminal offense occurred or may be helpful in obtaining a protection order. Evidence can range from the clothing of the victim to hair samples, bedding, body fluids, bruising, bite marks, electronic communication, and/or photographs. To assist law enforcement in the collection of evidence, the following guidelines are recommended:

- Do not shower
- Do not use the bathroom
- Maintain the clothing worn during the attack separate from other clothing
- Leave bedding material, sheets, blankets, and pillows alone

Sexual Consent

Sexual activity requires consent, which is a voluntary, positive agreement between the participants to engage in specific sexual activity. Any sexual contact without consent (which includes NCSC and NCSI) is prohibited.

“Consent” means cooperation in act or attitude pursuant to be an exercise of free will and with knowledge of the nature of the act. A current or previous relationship shall not be sufficient to constitute consent. Submission to sexual activity because of fear does not constitute consent. A previous sexual relationship does not indicate consent to future sexual activity.

Sexual activity is a violation of the Student Code of Conduct under the following circumstances:

- When it is forced; or
- When the complainant is incapacitated, and that incapacity is known to or should have been known to the respondent; or
- When it is non-consensual.

Stalking

The term “stalking” is defined as engaging in a course of repetitive conduct directed at a specific person that would cause a reasonable person to fear for his or her safety or the safety of others or to suffer substantial emotional stress.

Domestic Violence

The term “domestic violence” includes felony or misdemeanor crimes of violence committed by a current or former spouse or intimate partner of the victim, by a person with whom the victim shares a child in common, by a person who is cohabitating with or has cohabitated with the victim as a spouse or intimate partner, by a person similarly situated to a spouse of the victim under the domestic or family violence laws of the jurisdiction receiving grant monies, or by any other person against an adult or youth victim who is protected from that person’s acts under the domestic or family violence laws of the jurisdiction.

Dating Violence

The term “dating violence” means violence committed by a person:

- Who is or has been in a social relationship of a romantic or intimate nature with the victim; and

- Where the existence of such a relationship shall be determined based on a consideration of the following factors:

Requests for Confidentiality

Colorado Mesa University strongly supports a student's interest in confidentiality in sexual misconduct cases. Requests for confidentiality will be respected to the maximum extent possible. The Title IX Coordinator will normally be responsible for evaluating requests for confidentiality. Complainants should be aware that a request for confidentiality may limit CMU's ability to respond fully to the incident, including pursuing disciplinary action against the alleged respondent. In addition, the substance of complaints, investigations and statements are subject to disclosure upon receipt of a subpoena or mandatory disclosure request from a civil or criminal court action. While all efforts will be made to respect requests for confidentiality, confidentiality cannot be guaranteed when other members of the CMU community may be at risk or when the University is provided with a lawful subpoena. In those cases, CMU may be required to investigate or take action on the basis of facts it discovers and disclose confidential information. In instances where it is determined that a request for confidentiality cannot be honored, CMU will notify the complainant prior to disclosing his or her identity to the respondent.

SEXUAL ASSAULT AND SEXUAL HARASSMENT EDUCATIONAL PROGRAMMING

Training, orientation, and education about sexual assault and the University response are required for *all* University agencies that provide services to CMU Students who are sexually assaulted. Violations involving the Residence Life Community Standards should be directed to the appropriate Residence Life staff member. Generally, University jurisdiction and discipline shall be limited to conduct which occurs on University premises, property owned or controlled by the University, all satellite campuses, or at University authorized functions, or that which adversely affects the University community and/or the pursuit of its objectives. In those instances where a student displays a body of evidence of poor decisions and behavior both in and outside of the classroom, such as academic dishonesty coupled with other student conduct violations, the Vice President for Student Services and the Vice President for Academic Affairs shall confer on appropriate action.

Student Conduct / Grievance Procedure

1. Any member of the University community may file a complaint against any other student (“respondent”) for alleged misconduct. Allegations of misconduct should be prepared in writing and presented to the Director of Campus Safety and Student Conduct. The Director of Campus Safety and Student Conduct will provide a Notice of Alleged Misconduct to the involved student(s) and conduct an investigation into the matter. If a reasonable basis exists to support an allegation, the respondent student may dispose of the allegation(s) during the course of an Administrative Hearing with the Director of Campus Safety and Student Conduct or his/her designee. If the alleged conduct violation fits within the guidelines of a petty offense or a misdemeanor offense as described by Colorado law, the allegation(s) will be addressed by the Student Conduct Officer. If the alleged conduct violation fits within the boundaries of a felony offense as described by Colorado law or is an assault-related offense, other than a sexual assault, when appropriate a student may elect to either resolve the allegation(s) during the course of an Administrative Hearing with the Director of Campus Safety and Student Conduct, or his/her designee, or during a hearing before a Campus Student Conduct Board. The Campus Student Conduct Board is composed of six (6) members of the campus community, to include two students, two faculty members, and two staff members. Student representation on the Campus Student Conduct Board will consist of Associated Student Government Justices of the Supreme Court. Faculty representatives are appointed by the Faculty Senate and staff representatives are appointed by the Vice President for Student Services.
2. The Residence Life Conduct Board is composed of six or more residents from across campus and overseen by professional staff member of Residence Life. The Residence Life Conduct Board shall have jurisdiction to hear and resolve all complaints alleging a violation of Residence Life Community Standards other than complaints that involve allegations of petty offences, misdemeanors, and felonies, which are to be addressed by the Director of Campus Safety and Student Conduct, or complaints that involve allegations of Sexual Harassment, which are to be addressed by Campus Student Conduct Board.
3. All complaints that are based on behavior prohibited by Title IX (i.e., alleged Sexual Harassment which includes sexual harassment, sexual assault, stalking, dating violence, or domestic violence) will be resolved by the Campus Student Conduct Board, as described in this section, with more specific procedures described above.
4. In the case of either an Administrative Hearing or a Campus Student Conduct Board hearing, all allegations and supporting witness statements, evidence, investigative reports, etc., shall be presented in advance to both the Complainant and Respondent. A hearing shall be called by the Vice President for Student Services (VPSS) in a timely fashion, with reasonable scheduling accommodations made to all involved parties. The VPSS shall also designate one member of the Campus Student Conduct Board as Chairperson for the hearing.
5. Student Conduct Hearings shall be conducted by the Campus Student Conduct Board according to the following guidelines:
 - a. Hearings normally shall be conducted in private and conducted on an informal basis. Every effort will be made to arrive at the truth and to insure a fair hearing without the appearance of a court proceeding.
 - b. Admission of any person to the hearing shall be at the discretion of the designated Chairperson of the Campus Conduct Board after consultation with all involved parties.
 - c. In hearings involving more than one accused student, the Campus Student Conduct Board, at its discretion, may permit the hearings concerning each student to be conducted separately or together, based on the circumstances.
 - d. The Complainant and the Respondent have the right to be assisted by any Advisor they choose, generally at their own expense. However, in the event that a party is unable to procure an Advisor for the hearing, the party shall notify the Title IX Coordinator at least 10 days in advance of the hearing and the University will appoint an Advisor for the party at the expense of the University. The advisor may be an attorney, friend, family member, appointed Advocate, etc. Except in the instances of the cross examination of the other party, the complainant and/or respondent is responsible for

representing themselves and speaking on their own behalf. The Advisor may, however, advise the student during the hearing.

- e. The Campus Student Conduct Board, Complainant and Respondent may call witnesses, who may be subjected to questioning by all involved parties. Pertinent records, exhibits, and written statements may be accepted as evidence for consideration at the discretion of the Campus Student Conduct Board. To the maximum extent practicable, all available and pertinent records, exhibits, proposed witnesses and written statements shall be presented to all parties in advance of the hearing.
 - f. All procedural questions are subject to final decision by the assigned Chairperson of the Campus Student Conduct Board or, in the case of an Administrative Hearing, the Student Conduct Officer. Following the hearing, the Campus Student Conduct Board shall make a determination of responsibility on the basis of whether it is more likely than not that the Respondent violated the Student Code of Conduct. The Complainant and the Respondent shall be notified of the outcome of the hearing, including the finding of responsibility and sanctions, if any, concurrently and as reasonably soon after the hearing as possible.
6. Should a student disregard a notice to appear before the Campus Student Conduct Board or the Director of Campus Safety and Student Conduct, the hearing process will continue without the student's participation, a determination of responsibility will be made using the available information and evidence, and sanction(s) will be imposed, as appropriate, if the student is found in violation of the Student Code of Conduct.
 7. There shall be a single verbatim record - such as audio/video/written - of hearing proceedings. The record shall be the property of the University.
 8. At the discretion of the Vice President for Student Services (VPSS), in extraordinary circumstances an administrative hearing may be held in lieu of a Campus Student Conduct Board (CSCB) hearing, in which case the VPSS or his/her designee shall conduct the hearing, subject to the equivalent guidelines of a CSCB hearing. Such an administrative hearing in lieu of a CSCB shall only be called for in instances whereby (1) a CSCB cannot practicably set a hearing in a reasonable time frame, and (2) material harm/damage may be experienced by one or more parties as a result.

Note:

If student has a disability and would like to request an accommodation to assist her/him through the discipline process, he/she may do so by informing the Director of Campus Safety & Student Conduct, the Title IX Coordinator, or the Office of the Vice President for Student Services. They will then work with Educational Access Services (EAS) to assess and accommodate the request as approved by EAS.

In the event a student decides to leave the University prior to his/her Administrative Hearing or Campus Student Conduct Board Hearing, a Disciplinary Hold shall be placed on the student record and the student will be required to attend said hearing prior to re-admittance to the University.

Sanctions

The following sanctions may be imposed upon a student found to have violated the Student Code of Conduct:

1. Warning - A notice in writing to the student that the student is violating or has violated institutional regulations.

Interim Suspension

The Vice President for Student Services and/or Director of Campus Safety and Student Conduct reserves the right to temporarily suspend a student without prejudice pending the outcome of an Administrative Hearing or a Campus Student Conduct Board Hearing under the following circumstances:

1. Interim suspension may be imposed only:
 - a. To ensure the safety and wellbeing of members of the University community or preservation of University property;
 - b. To ensure the student's own physical or emotional safety and wellbeing;
 - c. If the student poses an immediate threat of disruption of, or interference with, the normal operation of the University.
2. During the interim suspension, students shall be denied access to the campus, including classes and/or all other University activities or privileges for which the student might otherwise be eligible, as determined by the Vice President for Student Services.

Administrative Withdrawal

A student may be administratively withdrawn from CMU if the University determines that the student:

1. Demonstrates ongoing behavior that is unreasonably disruptive to the normal learning processes and orderly operation of the University; and/or
2. Demonstrates behavior that endangers him/herself and unreasonably disrupts the campus community; and/or
3. Demonstrates behavior that endangers others or that creates a direct threat that may endanger others.

In the event there is evidence that the student poses an immediate threat to his or herself or others, the Student Conduct Officer or appropriate University official may impose an immediate interim suspension of the student until such time that the student issue can be handled in an appropriate manner in accordance with the Maverick Guide.

Student Appeal Rights for Sanctions

A decision reached and/or a sanction imposed by the Director of Campus Safety and Student Conduct may be appealed by either the complainant or the respondent student within (5) working days of said decision to the Vice President for Student Services. Such appeals shall be in writing and shall be delivered to the Vice President for Student Services.

A decision reached and/or a sanction imposed by Campus Student Conduct Board hearing may be appealed by the complainant or respondent within (5) working days of said decision to the Vice President for Student Services. Such appeals shall be in writing and shall be delivered to the Vice President for Student Services.

Except as required to explain the basis of new evidence, an appeal shall be limited to review of the verbatim record of the initial hearing and supporting documents for one or more of the following purposes:

1. To determine whether the original hearing was conducted fairly in light of the charges and evidence presented, and in conformity with prescribed procedures giving the complaining party a reasonable

- opportunity to prepare and to present a rebuttal of those allegations;
2. To determine whether the decision reached was based on substantial evidence, that is, whether the facts in the case were sufficient to establish that it was more likely than not that a violation of the Student Code of Conduct occurred;
 3. To determine if the sanction(s) imposed were appropriate given the violation of the Student Code of Conduct which the student was found to have committed;
 4. To consider new evidence, sufficient to alter a decision, or other relevant facts not brought out in the original hearing, because such evidence and/or facts were not known to the person appealing at the time of the original hearing;

All sanctions will be considered in full effect during the appeal process; that is, students will be expected to abide by all sanctions even if the student has appealed his or her sanctions.

In instances where the VPSS has a conflict, he/she shall designate another appellate officer from the university's executive management team (e.g., the Vice President for Academic Affairs, the Vice President for Finance and Administration, etc.) to determine the appeal.

Interpretation and Revision

Any question of interpretation regarding the Student Code of Conduct shall be referred to the Vice President for Student Services or his/her designee for final determination.

It is reasonable to expect that some students will not agree with established policies; means to implement change are available to students via student government representation and/or formal proposals for policy change to the University Administration. However, until a particular policy is administratively altered, students are responsible to abide by published policies or risk being held accountable for misconduct.

The Student Code of Conduct shall be reviewed at least once every five years under the direction of the Vice President for Student Services or his/her designee.

Standard of Proof

The University views violations of the Student Code of Conduct as a civil process and separate from formal legal proceedings, which govern civil and criminal behavior. Determinations of student responsibility shall be made on the basis of the preponderance of the evidence. "Preponderance of the evidence" is defined as whether it is more likely than not that a student committed the alleged violation(s). Overall, it is the responsibility of Director of Campus Safety and Student Conduct, the Campus Student Conduct Board, the Residence Life Conduct Board, or the Academic Dishonesty Committee, as the case may be, to evaluate all evidence, statements, and witnesses to ensure every effort is made to arrive at the truth.

SEX OFFENDER REGISTRATION

The Campus Sex Crimes Prevention Act (CSCPA) of 2000 is a federal law that provides for the tracking of convicted sex offenders enrolled at, volunteering at, or employed by institutions of higher education. The CSCPA is an amendment to the Jacob Wetterling Crimes Against Children and Sexually Violent Offender Act. The federal law requires state law enforcement agencies (in Colorado, it is the Colorado Bureau of Investigation through the Montrose Police Department) to provide Colorado Mesa University with a list of registered sex offenders who have indicated they are either enrolled at, volunteering at, or employed by CMU.

Colorado Mesa University is required to inform the campus community that a list of registered sex offenders residing within the city limits of Montrose will be maintained and available at the Montrose Police Department, 434 South 1st Street, Montrose, Colorado 81401.

Information about registered sex offenders enrolled at, volunteering at, or employed by Colorado Mesa University can be obtained by contacting the Investigations Section of the Montrose Police Department at 970-252-5200.

The CSCPA further amends the Family Educational Rights and Privacy Act of 1974 (FERPA) to clarify that nothing in the Act can prohibit an educational institution from disclosing information provided to the institution concerning registered sex offenders.

The sex offender registry includes only those persons who have been convicted of certain acts of unlawful sexual behavior since July 1, 1991, and who are in compliance with the sex offender registration laws. Persons should not rely solely on the sex offender registry as a safeguard against perpetrators of sexual assault in their communities. The crime for which a person is convicted may not accurately reflect the level of risk.

This information should not be used to inflict retribution or additional punishment on any person convicted of an offense involving unlawful sexual behavior. Any reports of harassment will be investigated and prosecuted.

Offenders posted on this site include only those having committed specific crimes, and does not include a complete listing of individuals registered with the Montrose Police Department. For a complete listing of individuals who are in compliance with sex offender registration laws, and who are registered with the Montrose Police – contact the Records Section located at 434 South 1st Street, Montrose. Records staff are on duty Monday through Thursday, 7:00 AM to 6:00 PM, at 252-5200, except for the noon hour, 12:00 PM to 1:00 PM.

Offenders who are not in compliance may be listed on the State of Colorado website. You can access this website by logging on to <https://apps.colorado.gov/apps/dps/sor/> or through links from the State of Colorado government page.

CRIME PREVENTION PROGRAMS

Security and Safety Awareness Campaign

This program is designed to make the campus community aware of campus crime and provide information on reporting and implementing self-security to reduce overall campus crime. Self-help tips and reporting information are provided through posters, brochures and media advertising. This campaign is provided in the fall and the spring semester.

Bicycle Registration Program

Members of the campus community are encouraged to register their bicycles with the Montrose Police Department. Registrants receive a bicycle license from the City of Montrose with an identifying number and the bicycle serial number is filed with the department.

Video Surveillance

Video cameras are located in various areas throughout the campus. Besides serving as a deterrent to crime, these cameras have assisted law enforcement in identifying suspects in several cases.

EMERGENCY CONTACT SERVICE

The Office of the Director of the Colorado Mesa University Montrose Campus, or the Office of the Vice President for Student Services will serve as the primary referral points for students who need to be contacted due to an emergency. Although any campus personnel are free to deliver emergency messages to students when expedient, the Office of the

Director of the Colorado Mesa University Montrose Campus, and the Vice President for Student Services Office would like to be informed in order to assure appropriate follow up and documentation.

Determining messaging for "emergencies" while students are in class will be handled on a case by case basis. It is important to note that we cannot guarantee a contact with any student due to their highly mobile behavior, but a good faith effort will be made. Keep in mind that we will not become a messaging service for non-emergent situations.

Depending on the type of emergency, a message will be delivered to the faculty member or work supervisor asking for the student to be dismissed and to:

1. Immediately contact the source of the message or;
2. Immediately proceed to the Colorado Mesa Montrose campus office for pertinent information.

ALCOHOL AND DRUG POLICY

As a public institution and state agency, Colorado Mesa University expects all members of the University community to be responsible for their own behavior within the context of state and federal law and University regulations.

Colorado Mesa University is dedicated to instilling positive change in students' lives. The University believes the abuse of alcohol and drugs is counterproductive to this goal and has established campus policies and programs, consistent with state and federal law, which support responsible use for those adults who choose to partake in the consumption of alcohol.

The Campus Policy Regarding Alcohol and Drug Use:

1. The possession or use of alcoholic beverages and illegal drugs is not allowed in any residence halls. Alcoholic beverages may not be used by, possessed by, or distributed to any person under twenty-one (21) years of age. Illegal drugs, including marijuana, may not be used by, possessed by, or distributed to anyone on campus property, to include all campus buildings.
2. Alcoholic beverages may be consumed in pre-approved areas, such as "The Point" and for pre-approved events by the President's Office or his/her designee. At all other times and in all other locations, the possession and consumption of alcoholic beverages on campus and in all campus buildings, including the residence halls and apartments, is not permitted by students, faculty, staff, or guests regardless of whether those individuals are twenty-one (21) years of age or not.
3. Illegal use, possession, or distribution of drugs and/or drug paraphernalia on campus will result in disciplinary action and probable arrest.
4. All controlled substances on campus in violation of state and federal laws, or local ordinances, will be confiscated or destroyed and may be subject to criminal action.
5. Visible intoxication/impairment and any disruptive behavior conducted on campus or at campus- sponsored events off campus resulting from the use of alcohol or other drugs may result in disciplinary actions.
6. Furnishing alcoholic beverages or drugs to persons under the legal age or possession and consumption of alcoholic beverages by those under the legal age will result in disciplinary action and probable arrest.
7. Use of University funds to purchase alcoholic beverages is prohibited.
8. The disciplinary actions for violations of the campus alcohol/drug policy are intended to accomplish the following objectives: To deter students from further violations of campus policy and to educate students concerning the health effects of alcohol/drug abuse.

Students are responsible for observing University policy, state and federal regulations pertaining to alcohol and controlled substances. Students who are in violation of the University policy will be subject to the following disciplinary review:

1. Incidents which occur within the residence halls or apartments, will be reviewed by Residence Life and handled by the appropriate Coordinator or Residence Life Student Conduct Board. For more severe incidents, the student may be required to report to the Student Conduct Officer.
2. The Student Conduct Officer will handle all other incidents that occur both on and off campus. The Student Conduct Officer will not handle incidents that occur within the residence halls or apartments, unless referred by the Director of Residence Life.
3. Students who violate local, state, and federal laws shall be contacted by the Student Conduct Officer to address the alleged violation(s). A student that is convicted in a criminal court for possession of illegal drugs or substances can lose all financial aid assistance, per federal financial aid rules.

For additional information on CMU's drug and alcohol policy, refer to the [DRUG-FREE SCHOOLS, CAMPUSES AND WORKPLACES](#) policy publication or the [Maverick Guide](#).

MEDICAL MARIJUANA POLICY

If the Colorado Department of Public Health and Environment (CDPHE) issues a Medical Marijuana Registry identification card to a student, Colorado law allows that student to possess a limited amount of marijuana for medicinal purposes. However, possession of a Medical Marijuana Registry identification card does not authorize a student to possess, use, or distribute marijuana in any form, in any University residence hall/apartment, dining facility, classroom building, or in any other public area or facility within University premises.

Recreational marijuana use, possession, and distribution on campus property or at a University sponsored event or activity is a violation of the Residence Life Policy and the Student Code of Conduct.

Alcohol and Drug Abuse Prevention Educational Programming

Colorado Mesa University strives to promote healthy lifestyles and provide resources for students and staff who want to pursue healthy choices. Marijuana 101 and Prime for Life classes are available to educate students about the risks of using drugs and alcohol. The newest initiative to promote healthy choices is the addition of addictions/substance abuse counseling services provided by a licensed addiction counselor who is available for individual or group counseling sessions using the evidenced-based Prime for Life curriculum. Participation in addictions counseling sessions may be voluntary or sanctioned as a part of the conduct process.

WEAPONS POLICY

Campus safety is of the utmost priority at Colorado Mesa University. Weapons are not appropriate to the University experience. Weapons of any kind, functional or not, may not be carried or brandished on Colorado Mesa University property except for those covered under C.R.S. 18-12-105(2). This policy applies to students who reside in on-campus housing. This includes properties rented by the University for the current academic year.

For purposes of this policy, a student may be considered to be a "*missing student*" if the person's absence is contrary to his/her usual pattern of behavior, have been missing for 24 hours, or unusual circumstances may have caused the absence. Such circumstances could include a reasonable/reliable report or suspicion that the missing student may be endangered. Examples include, but are not limited to, possible victim of foul play, expression of suicidal thoughts, alcohol or other drug abuse, a life-threatening situation, or recent contact with persons who may endanger the student's welfare.

- I. Procedures for designation of confidential emergency contact information

At the beginning of each semester students who live in on-campus housing will have the opportunity to designate an individual or individuals to be contacted by the University if the student is determined to be missing. This information will be maintained confidentially and will be available only to the Vice President for Student Services, Grand Junction Police Department, the Director of Residence Life or their designee.
 2. In the event a student who is under the age of 18 and is not emancipated, is determined to be missing pursuant to the procedures set forth in the missing student policy, the University is required to notify a custodial parent or guardian, in addition to the student's designated contact.

Appropriate campus staff will be notified to aid in the search for the student.
 3. If the above actions are unsuccessful in locating the student or it is immediately apparent that the student is a missing person (e.g. witnessed abduction), the Vice President for Student Services Office or Residence Life will immediately:
 - a. Contact the appropriate local law enforcement agency to report the student as a missing person and the local law enforcement agency will take charge of the investigation.
 - b. Notify the emergency contact (for students 18 and over) or the emergency contact and the parent/guardian (for students under age of 18 and not emancipated) that the student is believed to be missing.

Note: When a student who does not reside on-campus is reported missing, local law enforcement authorities will be notified.

ANNUAL FIRE SAFETY REPORT

The following portion of the Annual Safety Report contains information regarding fire safety systems for each residence hall, fire drills, safety policies and fire safety educational training. If a fire does occur it should be reported to an Area/Residence Hall Coordinator, the Assistant Director of Residence Life, Director of Residence Life, Vice President for Student Services, or the Grand Junction Police.

Fire Statistics

There were no reportable fires in any residence halls in 2017 or 2018. In 2019 one unintentional fire caused by a candle tipping over occurred in Garfield Hall.
