Safety and Security Report 2008 Pueblo County Sheriff's Office at CSU-Pueblo

The following information is intended to educate current and prospective students and staff at CSU-Pueblo of certain policies and crime statistics.

The University believes a community that is well informed about crime is a safety conscious public. Not only is it an individual's right to know the information included in this report, it is an advantage to act on it. Personal routines should be developed to enhance one's safety and to become actively involved in campus crime-prevention programs such as community policing. If questions arise regarding the following statistics, contact the Pueblo County Sheriff's Office at CSU-Pueblo. Contact can be made via phone at 719-549-2373 or in person at our office located at 2200 Bonforte Blvd., Administration Building 118.

This report is mandated by the "Jeanne Clery Disclosure of Campus Security Policy and Campus Crime Statistics Act," which was originally enacted by Congress in 1990 as the Campus Security Act. The act was renamed in 1998 in the memory of Jeanne Clery, who was murdered at Lehigh University in her dorm room in 1986. Her parents, Howard and Connie Clery, made it their goal to make colleges and universities safer by mandating the disclosure of campus crime and security policies. Only if students are aware of the campus crimes will they take appropriate precautions to protect themselves.

This report is published by the Pueblo County Sheriff's Office at CSU-Pueblo and updated yearly.

Law Enforcement Qualifications and Authority

Law enforcement services are provided by the Pueblo County Sheriff's Office. The Pueblo County Sheriff's Office is staffed with experienced state Certified Peace Officers who are current in Colorado Peace Officer Standards and Training (P.O.S.T) procedures. Deputies are on campus 24 hours a day/7 days a week, including holidays.

Campus Service Officers (CSO's) also are utilized to provide added security on campus. CSO's are students and are not P.O.S.T. certified peace officers.

Request Law Enforcement Assistance

Warning the Campus Community

Pueblo County Sheriff's Office at CSU-Pueblo strives to keep the campus community informed of safety and security issues.

If a crime presents an ongoing threat to students and employees, a timely warning will be issued. The warning will be issued through the college e-mail system to students, faculty, staff and the campus' student newspaper, *The CSU-Pueblo Today*. Anyone with information warranting a timely warning should report the circumstances to the Sheriff's Office, by phone (549-2373) or in person at the Pueblo County Sheriff's Office at CSU – Pueblo, in Administration 118.

Sex Offender Registration Information

Sex offenders currently required to register must provide notice when they are employed at, volunteer at, or are enrolled at CSU-Pueblo. Law enforcement information concerning registered sex offenders at CSU-

Pueblo may be obtained from the Pueblo County Sheriff's Office at CSU-Pueblo during normal business hours. Additional information can be found on the web site of the Colorado Bureau of Investigations at <http://sor.state.co.us/>

Building Security

Preserving a safe and secure environment is a responsibility everyone on campus must share. Employees have the responsibility to secure their work area and the students have the responsibility to lock their residence hall and apartment doors and secure their personal property.

Most campus buildings and facilities are accessible to members of the campus community, guests, and visitors during normal business hours Monday through Friday, excluding holidays. Certain facilities may be open for designated hours on Saturdays.

Exterior doors on campus buildings are locked and secured each evening by Facilities personnel. Buildings may be secured at different times based on factors such as night classes, special events, or computer lab times.

The Belmont Residence Hall is accessible to campus members and visitors from 8 a.m. to 10 p.m. From 10 p.m. to 8 a.m. the residence hall has restricted access. During those hours, the entrances are secured and access is limited to BRH residents with proper identification. Visitors must be accompanied by a BRH resident and are required to sign in. Hall hours may vary during holidays, breaks, and special events.

We ask that you take the following steps to stay aware and avoid circumventing policies or rules that are meant to preserve your safety and that of others.

- Do not prop doors open or allow strangers into campus buildings that have been secured.
- Do not lend keys or leave them unattended in your work or living space.
- Notify the Sheriff's Office at CSU–Pueblo of any suspicious activities or individuals.

Crime Prevention

The Pueblo County Sheriff's Office provides the following crime prevention services to improve the safety of the campus community. Throughout the year, the deputies will participate in various programs to address the community policing philosophy and provide information as it relates to crime prevention, alcohol use, and illegal drugs.

Campus Service Officers: CSU–Pueblo students who provide additional foot patrol, building security, parking enforcement, and Safe-Walks.

Campus Safe-Walk Program: The Safe-Walk Program is available to any campus member wishing to be escorted from one location to another on campus.

Residence Hall and Building Patrol: Patrols include Deputies and CSO's patrolling in and around the buildings.

Emergency Call Boxes: Call boxes are located around campus in eight (8) different locations. They can be found by looking for the orange colored box with a blue light on it, which is attached to a light pole.

Lighting Survey: A deputy provides the Director of Facilities a lighting survey indicating any outside lighting concerns.

Operation ID: Campus members are offered the use of an engraver to mark their valuables.

Building Proctors: All buildings on campus have an assigned building proctor and deputy.

Campus Survey: An annual survey is sent out to campus members regarding the performance of the Pueblo County Sheriff's Office at CSU - Pueblo.

Sexual Harassment

Colorado State University-Pueblo is firmly committed to maintaining a work and learning environment where students, faculty, and staff are treated with dignity and respect. Sexual harassment and acts of discrimination are illegal, often demeaning for the individual student or employee, and can disrupt the University's positive learning and

working environment. All members of the University community have a responsibility to be aware of what behaviors constitute sexual harassment, to be responsible for their own actions, and to help create an environment free of sexual harassment.

Colorado State University-Pueblo defines sexual harassment as unwelcome sexual advances, requests for sexual favors, and other verbal or physical conduct of a sexual nature when one or more of the following criteria are met:

- Submission to such conduct is made either explicitly or implicitly a term or condition of an individual's employment or of academic status in a course, program, or activity.
- Submission to or rejection of such conduct by an individual is used as a basis for employment or academic educational decisions affecting such individual.
- Such conduct is sufficiently severe, persistent, or pervasive to have the purpose or effect of unreasonably interfering with an individual's work and/or academic educational performance or creating an intimidating, hostile, or offensive work and/or learning environment.

Retaliation against any person for filing a complaint, participating in, or cooperating in an investigation is prohibited.

If you believe that you have been sexually harassed or that you have been retaliated against for filing a complaint or participating in an investigation by anyone during your work and/or academic activities at Colorado State University-Pueblo, you should report this conduct immediately. You may report this conduct to an officer of the University, instructional dean, division/department director, Director of Diversity or a Human Resources representative.

The University has appointed a Director of Diversity who is responsible for the Affirmative Action/Equal Employment Opportunity policies of the University. Inquiries and/or complaints may be referred to that office in the Administration Building, Room 310A or by calling (719) 549-2521. The Director of Diversity or his designate will investigate all credible allegations of sexual harassment in a timely manner. The official Sexual Harassment Policy is available on the web at <http://www.colostate-pueblo.edu/hr/>, the Diversity Office, or the Human

Resources Office.

Complaints may be referred to the Office for Civil Rights, U.S. Department of Education, 1961 Stout Street, Denver, CO 80294; the Colorado Civil Rights Division, 1560 Broadway St., Suite 1050, Denver, CO 80202; or the U.S Equal Opportunity Employment Commission, 303 East 17th Avenue, Denver, CO 80203.

Sexual Assault

The victim of a sexual assault should contact the Pueblo County Sheriff's Office at CSU-Pueblo as soon as possible. Evidence in sexual assault cases can be lost because of delays in reporting. Victims are encouraged not to shower, clean up, change or launder clothing or further disturb the area where the assault occurred since any of these actions can reduce the chances of law enforcement recovering evidence in support of the victim. If a crime occurs on campus, the Sheriff's Office should be notified immediately. The Sheriff's Office has primary jurisdiction on the campus, and normally no other agency responds to a campus emergency call except upon an invitation from the Sheriff's Office.

Victims of a sexual assault occurring off campus are encouraged to promptly notify the law enforcement jurisdiction in which the assault occurred. The Sheriff's Office will assist any victim with notifications to other agencies. In Pueblo County, the easiest access is by dialing 911. Even though another jurisdiction's law enforcement agency may handle the official investigation of an assault, they may not offer all of the services provided by the University. This process begins by notifying the Sheriff's Office.

The University will consider changing on-campus living arrangements and academic changes on a case-by-case basis for victims of crime.

In a disciplinary hearing, the accuser and accused are given the same opportunities to have others present during the proceedings. Both the accused and the accuser shall be informed of the outcome of the disciplinary proceedings alleging sexual assault. In a disciplinary hearing, the sanctions for sexual assault range from a warning to expulsion.
