ANNUAL SECURITY REPORT

This is the compliance document to the Federal Student Right-to-Know and Campus Security Act of 1990 (Clery Act), the Federal Drug-free Schools and Campuses Act of 1989, and the Higher Education Amendments of 1992 and 1998. Please see the Annual Fire Safety Report in Section 2 of this Annual Security Report.

Fort Lewis College places a high priority on the personal safety of its students, faculty, staff, and visitors. A campus community relies on a peaceful, safe, and secure environment. Preserving this environment is a responsibility everyone on campus must share.

Under the Federal Student Right-to-Know and Crime Awareness and Campus Security Act of 1990 (now known as the Jeanne Clery Disclosure of Campus Security Policy and Campus Crime Statistics Act or Clery Act), all colleges receiving federal funds are required to report crime statistics. Instructions on how to access this information will be distributed on an annual basis to all faculty, staff, and students, and to any applicant for enrollment or employment. Please keep this report as a resource document and refer to it throughout the year.

This report is descriptive only. It is not intended to serve as a contract between the College and any other party. College security policies and procedures are subject to change at any time without notice. Any inquiries concerning information presented in this brochure may be directed to the Associate Vice President for Student Affairs at (970) 247-7573.

TO REPORT A CRIME IN PROGRESS ON CAMPUS: Call 911.

Community members, students, faculty, staff and guests are encouraged to report any suspicious incident or hazardous conditions that they witness. For example, situations such as altercations, assaults, verbal arguments, vehicles blocking access, and/or unsafe driving should be reported. Anonymous callers wishing to report a crime in progress are encouraged to do so. Anonymous reports are included in the College's annual Clery Act crime statistics.

Furthermore, all community members, including students and employees, are encouraged to report crimes and other emergencies to campus police and appropriate police agencies when the victim of a crime elects to, or is unable to make such a report.

Each report will be evaluated in accordance with the [Timely Warning Policy](#).

TO FILE A REPORT FOR A CRIME THAT HAS ALREADY OCCURRED:

Call Durango La Plata Emergency Communications Center at 385-2900 or Fort Lewis College Police at 749-6581 to talk with an officer on duty. Reports can also be filed via the [Fort Lewis College Police Department](#). Persons making false crime reports are subject to campus discipline and/or legal sanctions.

To assist with campus safety, it is imperative all students, faculty, and staff take responsibility to immediately report any suspicious incident or hazardous conditions they witness.

Persons wishing to file a report confidentially or anonymously may do so; however, if the complainant wants to file criminal charges against another for a crime, he/she cannot remain anonymous or confidential. Anonymous reports are included in the annual Clery Act crime statistics. [Voluntary confidential reports](#) can be anonymously filed online.

FOR QUESTIONS REGARDING PARKING PERMITS, PARKING TICKETS, OR OTHER ADMINISTRATIVE POLICIES/PROCEDURES RELATED TO THE FORT LEWIS COLLEGE POLICE AND PARKING SERVICES DEPARTMENT: Call the Fort Lewis College Police Department administrative office at 970-247-7491.

FORT LEWIS COLLEGE POLICE DEPARTMENT

The Fort Lewis College Police Department, in partnership with the campus community, is responsible for public safety, campus parking enforcement, law enforcement, after-hours emergency maintenance (notification of Physical Plant Services staff), and emergency response. The Fort Lewis College Police Chief/Director and seven police officers are Commissioned Peace Officers through the State of Colorado, the City of Durango, and the La Plata County Sheriff's Department; they are Colorado POST-certified and receive the same training given to any police officer in the State of Colorado as required by the Colorado Peace Officer Standards and Training Board.

Fort Lewis College police officers enforce all Federal, State, local laws/ordinances, and official College policies, and have full arrest authority and jurisdiction on the Fort Lewis College campus. The Department operates twenty-four hours per day, seven days per week, and is staffed with an administrative assistant during regular business hours Monday through Friday. Fort Lewis College police officers maintain excellent working relationships with other state and local law enforcement agencies and will coordinate responses to crime when appropriate. Fort Lewis College and the City of Durango have signed two Memoranda of Understanding with the City of Durango regarding jurisdiction and communication and coordination of investigations, particularly regarding sexual assault, domestic violence, dating violence and stalking.

All off campus locations are patrolled by the local police department or the Sheriff Department and not formally monitored by Fort Lewis College. Fort Lewis College does not have any noncampus locations of student organizations officially recognized by the institution.

GEOGRAPHIC LOCATION

Fort Lewis College is a state-supported institution of higher education located on approximately 707 acres within the city of Durango and La Plata County. Fort Lewis College also owns approximately 6,319 acres located in Hesperus, Colorado, ten miles west of the Durango campus. The Hesperus site contains facilities used by the Fort Lewis College Biology/Agriculture and Forestry department.

The Fort Lewis College community contains approximately 3,400 enrolled students and 620 faculty and staff members.

GENERAL CRIME PREVENTION

A campus community must do more than just react to crime; it must look for opportunities to deter crime. A variety of programs inform students, faculty, and staff about campus security policies and procedures; and various practices have been developed to aid in crime prevention and to encourage responsibility. These include, but are not limited to:

- Safety tips and information on crime prevention are distributed regularly to the student newspaper, *The Independent*, the campus radio station, KDUR, and by campus e-mail.
- Educational programs (often through cooperation with other agencies) are held at least once per term in the residence halls and elsewhere on campus. Topics include, but are not limited to, the following: crime prevention, sexual assault awareness, personal safety, first aid, fire prevention, and alcohol and other drug abuse prevention.
- An annual email to campus informing them of Skyhawk Alert and how to get signed up to receive emergency notifications.
- Online active shooter training.
- In person active shooter training.
- Sexual assault awareness information provided on the CARE website.
- Escorts are provided based on officer availability. Call the Fort Lewis College Police Department at 970-749-6581 to arrange the escort. Students, faculty, and staff are encouraged not to walk alone in isolated areas.
- An Identification Program is available to engrave personal property. Interested students should contact the Fort Lewis College Police Department at 970-749-6581.

The Office of Student Affairs establishes and enforces standards of conduct at Fort Lewis College. Students charged with law violations may expect to have the matter handled both through the criminal justice system and the College conduct system.

SECURITY PROCEDURES AND ACCESS TO CAMPUS BUILDINGS

Fort Lewis College police officers conduct regular patrol of campus by vehicle and on foot.

Campus lighting is routinely assessed for needed improvements. Night-shift campus police officers review campus lighting and report necessary repair or replacement needs to the Physical Plant. Individuals may report light outages directly to the Physical Plant by calling 970-247-7000.

Non-residential campus buildings and facilities are open to members of the campus community and visitors during regular business and class hours. Admission to any non-residential facility after hours is limited to authorized persons with a building key. Access hours may be extended to accommodate evening classes or special events. Computer labs have specific hours set by the Office of Information Technology. Reed Library publishes its business hours at the beginning of each term. Buildings are secured by Fort Lewis College police officers, and parking lots and buildings are periodically patrolled by officers twenty-four hours per day, seven days per week.

The outside doors of the residence halls lock automatically when closed, requiring a College ID for entry. The “Blackboard” system collects data of entrances. **Students always have the responsibility to assist in maintaining their safety by keeping these doors closed and are encouraged to report unsafe conditions or maintenance, if needed.** Student rooms are individually keyed and the procedure for replacing a lost key includes a lock change. Student Housing staff and police officers patrol all residential facilities.

The Residence Director or other Student Housing official generally will not enter an occupant’s room/apartment unless accompanied by the occupant, the occupant’s authorized representative, or a second authorized College representative. **However, the College reserves the right to enter any occupant’s apartment/room for the purpose of inspection when an authorized College official has reason to believe that the following conditions may exist, which include but are not limited to:**

- An occupant of the living unit may be physically harmed or endangered.
- Significant damage is being done to College property.
- There has been a violation of the provisions contained in the Housing Contract, the *Student Housing Guide*, or subsequent written notice applicable to the operation and administration of residence halls and apartments of Fort Lewis College.
- Maintenance and/or repair is necessary.
- Routine maintenance checks.
- Occupancy verification checks.

The College will not search a room without the occupant’s permission or a court-authorized search warrant. See the *Student Housing Guide* in the *Student Handbook* for more information concerning Student Housing policies and procedures.

Fort Lewis College incorporates environmental security design practices in the planning, building, and maintenance stages of all structures and grounds keeping. Fort Lewis College police officers on patrol will routinely file work orders with Physical Plant Services to report any problems with lighting, shrubbery, or any other maintenance concerns. Testing of emergency phone blue lights will be conducted by Fort Lewis College police officers on a quarterly basis.

Timely Warnings

As soon as pertinent information is available, the Fort Lewis College Police Department, in consultation with Fort Lewis College administrators will evaluate the need to issue a timely warning based upon the following conditions:

1. A Clery Act crime, occurring within the institution's Clery geography, has been reported to campus security authorities or police; and
2. The crime is considered by the institution to represent a serious or continuing threat to students and employees.

In determining whether to issue a timely warning, on a case-by-case basis, the institution will consider all the facts surrounding the crime including factors such as: the nature of the crime, the continuing danger to the campus community, and the possible risk of compromising law enforcement efforts.

The intent in issuing a timely warning is to enable members of the campus community to protect themselves and to aid in the prevention of similar crimes. The Fort Lewis College Police Department will issue timely warnings via campus email.

Additional methods reasonably likely to reach the entire campus community may be used as well. This includes text message, FLC app, and Omniaalert.

Please see [Timely Warning Policy](#).

Significant Emergency or Dangerous Situation

Upon receiving information of a significant emergency or dangerous situation, the individual receiving the information shall call 911 from a campus phone. The La Plata County Central Communications Center will dispatch the Fort Lewis College Police Department, in addition to any required medical and/or fire personnel.

- The Fort Lewis College Police Department will investigate reports of any emergency or dangerous situation to confirm the report.
- If the responding police officer(s) determines the report is a significant emergency or dangerous situation, they will notify the Chief of Police or designee as soon as practical to advise them of the situation.

- Without delay, the Chief of Police and Public Affairs Officer will determine the content of the notification and will withhold the names of victims as confidential. The Public Affairs Officer or designee will initiate the notification system, unless issuing a notification will, in the professional judgement of responsible authorities, compromise efforts to assist a victim or to contain, respond to, or otherwise mitigate the emergency.

Disseminating Emergency Information to Large Community

In the event of a significant emergency or dangerous situation occurring on the Fort Lewis College campus which could have a potential impact on the surrounding community:

- The Fort Lewis College Police Department will notify the La Plata County Communications Center of the potential impact to the surrounding community.
- Per the College's Emergency Response Plan, the Public Affairs Officer or designee will act as the College liaison with the media.

Testing the Emergency Response System

The Fort Lewis College Police Department, with assistance from the Environmental Health and Safety Department, will determine the type of test to be conducted on an annual basis. The type of test may vary annually.

The Fort Lewis College Police Department, with assistance from the Public Affairs Officer, will notify College Administrators, and the La Plata County Central Communications prior to conducting the test to ensure emergency responders are aware the test is not a real event. A debriefing will be held following the annual test to follow through on any corrections necessary.

The test shall utilize the emergency response of the College along with evacuation procedures. The test

will include an evacuation of at least one building on campus, and a notification on the campus emergency notification system. Each test is documented including:

- A brief summary
- Date and time of the test
- Description of the scenario
- Format used to disseminate the message
- Number of text messages sent
- List of personnel involved from outside agencies and campus
- Identification of the concerns/corrections
- Whether the test was announced or unannounced

The College's emergency response and evacuation procedures will be available in the Emergency Response Plan, emailed to campus annually along with the summary of the test.

Missing Student Notification Procedures

Anyone with knowledge or concern that a student has been missing for 24 hours, should report this information to: Campus Police as well as a Resident Assistant (RA), Residence Director (RD), Assistant Director, or Director of Student Housing and Conference Services. This does not preclude a person from making a missing-student report sooner if s/he thinks it is warranted.

Upon notification of the concern, the Student Housing Staff along with FLC PD will try to determine if the student is actually missing. Some or all of the following steps will be taken:

- Contact RAs or RDs where the student lives (if report came from elsewhere).
- Call the student's cell phone, email, or check online networking accounts (e.g., Facebook, IG, Snapchat, etc.).
- Contact roommate(s) and/or suitemates.
- Contact professors or other FLC community members who may have had contact.
- Contact any known friends or employers.
- Contact parents or emergency contacts on file.
- Check the last time the student used his/her Skycard and where.
- Key into the student's room.

If it is verified the student is missing or simply cannot determine from the efforts above, the College will notify local law enforcement within 24 hours of the determination that the student is missing.

All residents of campus housing are asked at the time of check-in to list emergency contacts in the Personal Identification Form. The Form includes information regarding the notification process to law enforcement and how the emergency contacts will be used in case a student is reported missing.

Every student residing in on-campus housing will be given the option of providing confidential contact information that will be used if the resident is reported missing. The confidential contact is not required to be a parent or guardian. A student's confidential contact information will be registered confidentially and accessible only by authorized campus officials and law enforcement in the process of investigation. Parents or guardians will be called if the resident is under the age of 18 years of age and not emancipated. During the residence halls application process, every student will be offered the opportunity to register a confidential missing person contact person or persons to be notified by the college in the event they are determined to be missing by FLCPD or local law enforcement. If the student does not wish to list a contact, they may decline to do so.

When the Fort Lewis College Police Department receives a report of a possible missing student, the officer receiving the report will conduct a full investigation of the incident as follows. If the student in question has been missing beyond 24 hours, a missing person's entry into NCIC / CCIC will be requested of Central Communications by the investigating officer.

- Investigating Officers will utilize the Fort Lewis College data base system to obtain emergency contact information for students. As part of the investigation, the officer may choose to contact the emergency contact and/or parents of the missing student to aid in the investigation.
- After investigating the missing person report, should FLCPD determine that the student is missing and has been missing for more than 24 hours, FLC will notify the student's emergency contact within 24 hours after the student is determined to be missing. If the missing student is under the age of 18 and is not an emancipated individual, FLC will notify the student's parent or legal guardian within 24 hours after FLCPD has determined that the student is missing.

Registered Sex Offender Information

According to the Campus Sex Crimes Prevention Act, information concerning persons who are required by Colorado law to register as sex offenders, including registered sex offenders who are enrolled, employed, or volunteering at Fort Lewis College, may be obtained from the Fort Lewis College Police Department, 534 Berndt Hall, Fort Lewis College, 1000 Rim Drive, Durango, CO 81301, (970) 247-7491; or the Durango Police Department, 990 East 2nd Avenue, Durango, CO 81301, (970) 385-2940; or the La Plata County Sheriff's Department, 742 Turner Drive, Durango, CO 81301 (970) 247-1157; or the Colorado Department of Public Safety, [Convicted Sex Offender Site](#).

Riot Offense Information

[Colorado Statute 23-5-124](#) prohibits any person convicted of a riot offense from enrolling in a state-supported institution of higher education for a period of twelve months following the date of conviction. CRS 23-5-124 also requires that any enrolled student who is convicted of a riot offense be immediately

suspended from the institution for a period of twelve months from the date of conviction or from the date of suspension imposed by the institution for the same riot activity.

Safe Haven for Newborns Information

In 2000, the Colorado General Assembly passed Senate Bill 00-171, which allows a parent to relinquish control of a newborn baby to a hospital or a fire station within 72 hours after birth without fear of criminal prosecution if the baby is unharmed. In 2007, the Colorado legislature asked colleges to publicize this resolution to their students. Find out more about [Safe Haven](#) online.

NOTIFYING CAMPUS OF CRIMINAL ACTIVITY

Special Alerts

If circumstances warrant (i.e., the event constitutes an ongoing or continuing threat), the College community will be notified of a crime alert by the Fort Lewis College Police Department through electronic mail, Fort Lewis College staff, notices in residence halls, and/or special bulletins.

Crime Log

Fort Lewis College police maintain a daily crime log that is open for public inspection in the Fort Lewis College Police Department administrative office during regular business hours. This log contains a brief description of the nature, date, time, general location, and disposition of crimes occurring on campus. The Police Department updates the log within two business days of the reported crime, unless that disclosure is prohibited by law or would jeopardize the confidentiality of the victim.

Under the Clery Act, the Police Department may withhold information if there is clear and convincing evidence that the release of the information would: a) Jeopardize an ongoing criminal investigation or the safety of an individual; b) Cause a suspect to flee or evade detection; or c) Result in the destruction of evidence.

Fort Lewis Police will make the crime log for the most recent 60-day period open to public inspection during normal business hours. The Police Department will also make any portion of the log older than 60 days available within two business days of a request for public inspection.

Victims of a crime of violence, including non-forcible sex offenses, may be informed of the general outcome of the related campus disciplinary hearing. If the victim is deceased, the College will disclose the results to the next of kin.

CRIME STATISTICS

Fort Lewis College believes that a community that is well informed about the nature of its crime is a safety-conscious public. It is to the student's advantage to know the information that is included in this report and to act on it. Students and staff should develop personal routines that enhance their own safety and become actively involved in campus crime prevention programs.

Questions may be directed to the Fort Lewis College Police Department at 247-7491.

In preparing the Fort Lewis College Annual Security Report, including the Crime Statistics Summary, all

incidents reported to the Fort Lewis College Police Department during the immediately preceding calendar year are reviewed by the Chief of Police, the Administrative Assistant for the Police Department, the Assistant to the Vice President for Student Affairs, and the Director of Housing and Conduct. Any incident reports meeting the definitions of crimes listed below are counted.

In addition, the Student Affairs Office collects information from the following College departments and Campus Security Authorities concerning all reported crimes and disciplinary referrals for alcohol, drug, and weapons law violations: Athletics Department, Auxiliary Services, Career Services, Disability Services, Human Resources/Equal Opportunity Office, Recreational Services, Student Activities, Student Affairs Office, the Student Housing and Conference Services, and the campus TRIO programs. The Counseling Center and the Health Center may report crimes to the Student Affairs Office on a voluntary basis but are not required to do so under the Clery Act. As a matter of policy, the professional counselors in the Counseling Center are encouraged, when they deem it appropriate, to inform persons being counseled of the procedures to report crimes on a voluntary, confidential basis for inclusion into the annual crime statistics.

Fort Lewis College police officers also file a report whenever crimes occurring on campus or its boundaries, or on its Hesperus site are reported to the La Plata County Sheriff's Office, and these reports are included in Fort Lewis College's crime statistics. All reports are reviewed by the Student Affairs Office to eliminate any duplicate reports. Reported crimes are then categorized as required by law. These statistics are published in both electronic and hard copy formats within the Annual Security Report and distributed as described in the section titled "Required Notification, Clery Act." The Annual Security Report is prepared and reviewed by the Assistant to the Vice President of Student Affairs and by the Director of Housing and Conduct, ensuring policies and programs are up to date.

CONFIDENTIALITY

If you are the victim of a crime and do not wish to pursue action through the grievance procedure or the Criminal Justice System, you may still want to consider making a confidential report to aid in prevention, or for inclusion in the annual disclosure of crime statistics. Reports filed in this manner are counted and disclosed in the annual crime statistics for the institution.

If you choose to participate in a formal or informal investigation, your personally identifiable information (PII) will be kept confidential in the FLC confidential database. If any records of the incident are requested, FLC will redact any PII. Data is reported on the Annual Security Report per Clery guidelines. No PII is included in the report.

DEFINITIONS

The Crime Awareness and Campus Security Act of 1990 (now known as the Jeanne Clery Disclosure of Campus Security Policy and Campus Crime Statistics Act or Clery Act), and the Higher Education Amendments of 1998 require colleges and universities that receive federal funds to report those crimes that are classified by the Federal Bureau of Investigation Uniform Crime Reports (UCR) as criminal homicide including murder, non-negligent manslaughter, and negligent manslaughter; sex offenses including rape, fondling, incest, and statutory rape; robbery; aggravated assault; burglary; motor vehicle theft; dating violence, domestic violence, stalking, and arson.

In addition, colleges must report any hate crimes (by category of prejudice) for the crime categories listed below or any other hate crime involving bodily injury, as well as for the crimes of Larceny-Theft, Simple Assault, Intimidation, and Destruction/Damage/Vandalism.

Colleges are also required to report any arrests or referrals for campus discipline for liquor law violations, drug law violations, and illegal weapons possessions.

The following are Clery Act Crimes:

Criminal Homicide--Murder and Non-negligent Manslaughter

The willful (non-negligent) killing of one human being by another.

Criminal Homicide--Manslaughter by Negligence

The killing of another person through gross negligence.

Sex Offenses

This policy applies to all students, faculty and staff.

All of the laws of the State of Colorado related to alcohol and illicit drugs shall be obeyed. Please refer to the Uniform Controlled Substances Act, Article 18, Title 18, Colorado Revised Statutes; the Uniform Beer Code, Article 46, Title 12, Colorado Revised Statutes; the Uniform Liquor Code, Article 47, Title 12, Colorado Revised Statutes; and Drug Free schools and Campuses, 34 Code of Federal regulations, Part 86, Subpart B.

The abuse or unlawful use, consumption, transportation, offer for sale, manufacture, dispensing, sale, distribution, possession of alcohol, or inappropriate behavior resulting from the use of alcohol is always prohibited on the Fort Lewis College campus and at any sanctioned College activity whether on or off campus.

Further, the consumption of alcoholic beverages is always prohibited in all Fort Lewis College residence halls. This restriction applies to all residence hall occupants regardless of age. In the apartment complexes, a person 21 years of age or older is permitted to consume alcohol in the privacy of his/her apartment only; however, lounges and common areas are considered public spaces and open containers are prohibited. As specified in the *Student Housing Guide*, at no time are any beer kegs permitted in the residence halls, or in on-campus apartments. Providing alcoholic beverages to individuals who are under 21 years of age or possession of alcohol by individuals who are under 21 years of age is prohibited on the College campus.

The use, possession, or distribution of illegal drugs or drug paraphernalia; unlawful use, possession, or distribution of controlled substances; alteration of a drug prescription; or inappropriate behavior resulting from the use of drugs or other substances is always prohibited on the Fort Lewis College campus and at any sanctioned college activity whether on or off campus. Possession or use of medical marijuana on the Fort Lewis College campus, including residential buildings, is a violation of this policy.

SANCTIONS

Students found to be in violation of this Alcohol and Other Drug Policy will be subject to Student Housing policy sanctions as outlined in the *Student Housing Guide* and/or College sanctions as outlined in the *Grievance Procedure*. College sanctions may include substance abuse education, warning, probation, removal from College housing, suspension, or expulsion from the College itself. Students found in violation of this policy may also be subject to ineligibility for financial assistance and/or ineligibility for athletics.

Employees (including student employees, faculty, and staff), who are found to be in violation of the Alcohol and Other Drug Policy, may be subject to participation in a rehabilitation program, or disciplinary action such as reprimand, suspension, salary reduction, demotion, or termination of employment. Any employee whose act, in violation of the Alcohol and Other Drug Policy, also results in a conviction under a criminal drug statute must report the conviction in writing to his/her supervisor within five days.

Alcohol and drug testing of applicants for employment and employees may be performed when positions require a commercial driver's license or the performance of safety sensitive functions. See the addendum to the Fort Lewis College Alcohol and Drug Policy available in the Human Resources Office, 210 Berndt Hall.

Many of the acts that violate this policy also violate the criminal code and may be referred for prosecution. In such cases, law enforcement authorities may administer a separate penalty.

LEGAL SANCTIONS FOR DRUG AND ALCOHOL OFFENSES UNDER APPLICABLE LAWS

This section summarizes the legal sanctions that may be imposed for violations of local, State, and Federal laws controlling drugs and alcohol. Statutory references are included for those who wish to study the language of the statute. This section does not describe all prohibited conduct or all applicable sanctions.

FEDERAL

Every conceivable act related to the possession, use, production, and distribution of controlled substances is covered by Title 21 U.S.C. (United States Code). The list of controlled substances that may be found under Title 21 U.S.C. 812 and 21 C.F.R. (Code of Federal Regulations 1300.11 through 1300.15) is updated frequently to assure that all designer drugs are covered.

Persons convicted on Federal charges of drug trafficking within 1,000 feet of a university (21 U.S.C. 860) face penalties of prison terms and fines that are twice as high as the regular penalties for the offense, with a mandatory prison sentence of at least one year.

Secondary civil consequences also may flow from criminal drug violations. Property associated with

criminal acts (including homes and/or vehicles) can be confiscated by State or Federal governments.

Those convicted of felony violations may be barred from governmental employment and from licensed professions such as law, medicine, and teaching.

The maximum penalty for the most serious offense is 16 years in prison and a \$750,000 fine.

STATE

State criminal statutes (which may generally be found under Titles 12 and 18 of the Colorado Revised Statutes) cover the same scope of conduct; and although the sentences and fines are generally less severe than Federal laws, life sentences are possible for repeat offenders. The maximum penalty for the least serious state offense is a fine of \$100 (C.R.S. 18-18-406(1)).

State laws concerning driving under the influence of alcohol apply equally to driving under the influence of drugs.

State laws regulating the production, dispensation, possession, and use of alcohol may be found in Title 12 of the Colorado Revised Statutes. Perhaps their most significant aspect for a college campus is the prohibition of the distribution of alcoholic beverages to any person under the age of 21, to a visibly intoxicated person, or to a known drunkard. They also prohibit any form of assistance to these categories of people in obtaining alcoholic beverages. Violation of these laws is a misdemeanor punishable by fines of \$1,000 and jail sentences of a year. However, such conduct may, in some circumstances, constitute contributing to the delinquency of a minor, which is a felony offense punishable by an eight-year prison sentence and a \$500,000 fine.

Criminal sanctions also apply to those who operate motor vehicles while under the influence of alcohol and/or drugs. Under Section 42-4-1301, Colorado Revised Statutes, the maximum penalty for such an act is two years in jail and a \$5,000 fine. If someone is injured as a result, the act is a felony punishable by four years in prison and a \$100,000 fine. If someone is killed, the sentence can be eight years and a \$500,000 fine. All such convictions also result in the revocation of driving privileges.

State law requires drivers who are stopped by the police for suspected violation of this law to submit to scientific tests that determine the amount of alcohol in their blood. Those who refuse automatically lose their driver's license.

DURANGO CITY ORDINANCES

The Code of Ordinances for the City of Durango makes it unlawful for any person in the city to carry or have any open containers of alcohol on any street, sidewalk, alley, parking lot, or other public place in the city, or in any motor vehicle in the city or on the grounds of any public or private school, college or university in the city. It is also unlawful for any person to drink alcohol in any of the above-mentioned places in the city.

SEXUAL MISCONDUCT

SEXUAL ASSAULT, DOMESTIC VIOLENCE, DATING VIOLENCE, AND STALKING

PREVENTION AND AWARENESS PROGRAMS

Fort Lewis College conducts comprehensive educational programming to prevent and bring awareness regarding sexual assault, domestic violence, dating violence and stalking, as well as gender-based harassment and sexual exploitation.

At the start of the fall semester, written notification is sent via email to students and employees about existing counseling, health, mental health, victim advocacy, legal assistance, student financial aid, and other services available to victims, both within the institution and in the community.

Programming Content

Educational initiatives consist of primary prevention and awareness programs for all incoming students and new employees and ongoing awareness and prevention programs for students, faculty and staff that:

- Identifies sexual assault, domestic violence, dating violence, and stalking as prohibited conduct by Fort Lewis College policies and state criminal law;
- Defines what behavior constitutes sexual assault, domestic violence, dating violence, stalking, and consent pursuant to Fort Lewis College policies and state criminal law (see definitions on page 24-25 of ASR)
- Defines what behavior and actions constitute consent to sexual activity pursuant to Fort Lewis College policies and state criminal law;
- Provides safe and positive options for bystander intervention that may be carried out by an individual to prevent harm or intervene when there is a risk of sexual assault, domestic violence, dating violence, or stalking against a person other than the bystander;
- Provides information on risk reduction so that students and employees may recognize warning signs of abusive behavior and how to avoid potential attacks; and,
- Provides an overview of the information that follows below in this policy statement.

Description of Programs

Fort Lewis College has developed an annual educational campaign consisting of presentations that include distribution of educational materials to new students; participating in and presenting information and materials during new employee orientation; participating in the Faculty orientation program; and presenting educational programs throughout the year.

Specifically, Fort Lewis College offers the following for new students during mandatory orientation:

- New student orientation booklets that include bystander intervention tips and options for reporting sexual assault anonymously, confidentially, and otherwise.
- Elephant in the Room, a peer theater program which includes scenarios that are educational about sexual assault and date rape, followed by group discussion sessions with counselors and wellness educators.

Residential students, most of whom are new students, are offered additional information through residential programming, which may involve collaborations with FLC Police, Durango's Sexual Assault Services Organization, FLC Student Wellness Initiatives, FLC faculty, etc. Each hall must offer this programming through live presentations/interactive events and/or bulletin boards.

This year, topics included but were not limited to: sexual assault, consent, bystander intervention, healthy relationships, domestic and dating violence, gender based sexual harassment, sexual exploitation, rape culture, community resources on sexual and domestic violence, reporting procedures, and self-defense.

The BAD ASS training promotes safe and positive options for bystander intervention through the following steps:

1. Notice the event. Be aware of your surroundings and what is going on around you.
2. Identify the event as a problem. Check your gut; if something doesn't seem right, it probably isn't.
3. Assume Personal Responsibility. Be the person who does something. If not you, then who?
4. Know How to Help. Know how & when to help. Step in earlier rather than later. Get help from others when appropriate. Know your options.
5. Take Action! *DIRECT: Address the issue head on. Speak up, step in...when it's safe to do so.
*DISTRACT: Causing a simple distraction may diffuse the situation. *DELEGATE: It's okay to find someone else to intervene. Maybe it's making an anonymous report online, talking to an RA about your concerns, calling the police, or alerting the bartender/party host about a potentially dangerous situation.

Fort Lewis College also requires all new employees to complete discrimination and harassment training. All responsible employees (all faculty and most staff, including student staff such as RA's and Orientation Leaders) were required to complete training about duties upon receipt of a report of sexual assault. This training includes information about supporting and understanding the specific experience of sexual assault victims.

Additional presentations about sexual assault and other sexual misconduct were offered in classrooms and through co-curricular forums, such as the Gender and Sexuality Resource Center.

- **Dating Violence** means violence committed by a person—(A) who is or has been in a social relationship of a romantic or intimate nature with the victim; and (B) where the existence of such a relationship shall be determined based on a consideration of the following factors: (i) The length of the relationship, (ii) The type of relationship, (iii) The frequency of interaction between the persons involved in the relationship.
- **Domestic Violence** includes felony or misdemeanor crimes of violence committed by a current or former spouse or intimate partner of the victim, by a person with whom the victim shares a child in common, by a person who is cohabitating with or has cohabitated with the victim as a spouse or intimate partner, by a person similarly situated to a spouse of the victim under the domestic or family violence laws of Colorado or applicable jurisdiction, or by any other person against an adult or youth victim who is protected from that person's acts under the domestic or family violence laws of the jurisdiction.
- **Stalking** means engaging in a course of conduct directed at a specific person that would cause a reasonable person to— A) fear for their safety or the safety of others; or (B) suffer substantial emotional distress.
- Attempts to engage in any act prohibited by this policy are also a violation of this policy

Consent: Affirmative, knowing, and voluntary words or actions that create a mutually understandable and clear agreement to engage in sexual activity. It is the responsibility of each person involved in the sexual activity to ensure that he or she has the affirmative consent of the other or others to engage in the sexual activity. Silence, lack of protest, or resistance, by themselves, cannot be interpreted as consent. Consent must be ongoing throughout a sexual activity and can be revoked at any time. The existence of a dating relationship between the persons involved, or the fact of past sexual relations between them, by itself cannot be interpreted as consent. Consent is not effectively given if force, threats, intimidation or coercion were involved, or if a person is incapable of giving consent due to use of drugs or alcohol, or due to intellectual or other disability.

Formal Complaint: A document filed by a Complainant or signed by the Title IX Coordinator alleging Sexual Harassment against a Respondent and requesting that Fort Lewis College investigate the allegation of Sexual Harassment.

Complainant: An individual who is alleged to be the victim of conduct that could constitute Sexual Harassment.

Parties: Complainant or respondent.

Protection Order: Any order that prohibits the Restrained Person from contacting, harassing, injuring, intimidating, molesting, threatening, touching, stalking, sexually assaulting or abusing any Protected Person, or from entering or remaining on premises, or from coming within a specified distance of a Protected Person or premises, or from taking, transferring, concealing, harming, disposing of, or threatening harm to an animal owned, possessed, leased, kept, or held by a Protected Person, or any other provision to protect the Protected Person from imminent danger to life or health.

Victims may apply for a [civil restraining order](#) through local law enforcement. The Coordinator may refer the Complainant for assistance with applying for a civil restraining order. In addition, Fort Lewis College complies with Colorado law in recognizing court protection orders. Individuals who wish to may provide a copy of such an order to the Fort Lewis College Police and/or the Coordinator.

Respondent: An individual who has been reported to be the perpetrator of conduct that could constitute Sexual Harassment.

Retaliation

- Retaliation is prohibited.
- A report of alleged Retaliation may be made to the Title IX Coordinator in person, by mail, by telephone, or by electronic mail. The Title IX Coordinator is Molly Wieser. She may be contacted at 230 Skyhawk Station, (970) 247-7241, and/or tellsomeone@fortlewis.edu.
- Any Mandatory Reporter who receives a report of alleged Retaliation must promptly report the alleged Retaliation to the Title IX Coordinator.
- Allegations of Retaliation may be investigated and adjudicated under the Fort Lewis College Grievance Procedure.

AMNESTY

The College's primary concern is safety. The use of drugs or alcohol never makes the victim at fault for sexual misconduct. Complainants and witnesses will receive amnesty for drug or alcohol use that occurs in the same incident where sexual misconduct is alleged. In addition, a respondent's voluntary use of drugs or alcohol will never function as a defense to a violation of this policy.

PRIVACY AND CONFIDENTIALITY

Fort Lewis College will maintain as confidential any Supportive Measures provided to the Complainant or Respondent, to the extent that maintaining such confidentiality would not impair the ability of Fort Lewis College to provide the Supportive Measures.

Any party or the informal resolution facilitator in an informal resolution shall not voluntarily disclose any information concerning any informal resolution communication or any communication provided in confidence to the informal resolution facilitator, unless and to the extent that:

- All parties to the proceeding and the facilitator consent in writing; or
- The informal resolution communication reveals the intent to commit a felony, inflict bodily harm, or threaten the safety of a child under the age of eighteen years; or
- The informal resolution communication is required by statute to be made public; or
- Disclosure of the informal resolution communication is necessary and relevant to an action alleging willful or wanton misconduct of the facilitator.

REPORTING

- At any time, any person may report sex discrimination, including sexual harassment (whether or not the person reporting is the person alleged to be the victim of sex discrimination), in person, by mail, by telephone, or by electronic mail to the Title IX Coordinator, or by any other means that results in the Title IX Coordinator receiving the person's verbal or written report, including:
 - Filing a report online at www.fortlewis.edu/TellSomeone;
 - Coming to the Title IX office during office hours at 230 Skyhawk Station;
 - E-mailing tellsomeone@fortlewis.edu;
 - Calling the Title IX office at 970-247-7241.
- Any Mandatory Reporter who receives an allegation of Sexual Harassment must promptly provide the report of Sexual Harassment to the Title IX Coordinator.
- Upon receiving a report of alleged Sexual Harassment, the Title IX Coordinator will promptly:
 - Inform the Complainant of the method for filing a Formal Complaint.
 - Inform the Complainant of the availability of Supportive Measures with or without the filing of a formal complaint.
 - Provide to Complainant, Respondent, or both, a resource sheet explaining their rights and responsibilities, reporting options, procedures for disciplinary action, and available services, including requesting changes in academic, living, transportation, working situations, or other supportive measures detailed below.

- Individuals who report a crime of Title IX Sexual Harassment will be given the option to notify proper law enforcement authorities, including on campus and local police or be assisted by campus authorities in notifying law enforcement authorities, if the victim so chooses.

SUPPORTIVE AND INTERIM MEASURES

- The Title IX Coordinator will ensure that Supportive Measures are offered to the Complainant and/or the Respondent as appropriate, as reasonably available, and without fee or charge to the Complainant or the Respondent. Supportive Measures may be offered before or after the filing of a Formal Complaint, or where no Formal Complaint has been filed.
- The purpose of Supportive Measures is to restore or preserve equal access to the Institution's Education Program or Activity without unreasonably burdening the other Party. Supportive Measures include measures designed to protect the safety of all Parties or the Institution's educational environment, as well as measures designed to deter sexual harassment.
- Any interim supportive measure may be made permanent with consent of the affected party.
- Individuals who wish to have a support person present during a report may do so. They may also be present at any stage of informal or formal resolution other than during a hearing. That person may not speak at any proceeding and must maintain the confidentiality of proceedings. The College is not responsible for providing a support person, and parties are responsible for choosing a support person who is available for scheduled events related to the proceedings.
- Individuals who require a reasonable accommodation for a disability may request such accommodations at any point after a report is made.
- Supportive Measures do not include disciplinary sanctions. The Formal Resolution Process, as detailed in Section 8 below must be completed before disciplinary sanctions may be imposed on a Respondent.
- Fort Lewis College will maintain as confidential any Supportive Measures provided to the Complainant or Respondent, to the extent that maintaining such confidentiality would not impair the ability of Fort Lewis College to provide the Supportive Measures.
- The Title IX Coordinator is responsible for coordinating the effective implementation of supportive measures, though measures may be implemented by a variety of individuals and offices. Where supportive measures are implemented by confidential resources such as the Counseling Center or the Health Center, the Coordinator will rely on the professionalism of those offices to properly implement the measures requested.
- Supportive Measures may include, but are not limited to:
 - a. Counseling
 - b. Extensions of deadlines or other course-related adjustments
 - c. Campus escort services
 - d. Increased security and monitoring of certain areas of the campus
 - e. Exploration and utilization of academic support services on campus.
 - f. Interim and/or mutual restrictions on contact between the Parties.
 - g. Interim and/or mutual changes in work or housing locations.
 - h. Interim and/or mutual modifications of work or class schedules.
 - i. Interim and/or mutual limitations on hours for using campus services.
 - j. Interim and/or mutual restriction from campus facilities, events, co-curricular activities, athletics, and/or residential building(s).
 - k. Other similar measures

- Fort Lewis College may remove individuals from its grounds, Education Program or Activity on an emergency basis as follows:
 - a. A Student Respondent may be removed from a College Education Program or Activity on an emergency basis under the Fort Lewis College Interim Suspension Policy wherein the College
 - i. Undertakes an individualized safety and risk analysis;
 - ii. Determines that an immediate threat to the physical health or safety of any student or other individual arising from the allegations of Sexual Harassment justifies removal; and
 - iii. Provides the Respondent with notice and an opportunity to challenge the decision immediately following the removal,
- Employees may be suspended on an interim basis per the terms of the employee’s employment, including relevant handbooks ([Faculty or Administrative Employee handbooks](#)) or State of Colorado rules regarding Classified Employees.
- An individual who is not a student or an employee may be restricted from campus grounds and/or activities on an emergency basis or permanently per the [Persona Non Grata policy](#).
- Individuals may further be restricted from campus or portions of campus under the terms of a lawful restraining order.
- Complainants need not report incidents to the College or law enforcement in order to receive support from the College. Complainants may request interim measures even if they choose not to make a formal complaint by contacting the Coordinator.

COMPLAINT RESOLUTION

Fair and Equitable Process

No individual designated as a Title IX Coordinator, Investigator, Decisionmaker, Appeal Decisionmaker, or person designated to facilitate an informal resolution process may have a conflict of interest or bias for or against Complainants or Respondents generally or an individual Complainant or Respondent. Throughout the processes, Fort Lewis College will objectively evaluate all relevant evidence, including both inculpatory (incriminating) and exculpatory (exonerating) evidence.

Fort Lewis College sexual misconduct investigators receive regular training on the issues related to dating violence, domestic violence, sexual assault, and stalking and how to conduct an investigation and hearing process that protects the safety of victims and promotes accountability. Investigator training, conducted by the Title IX Coordinator, covers relevant evidence and how it should be used during a proceeding, proper techniques for questioning witnesses, basic procedural rules for conducting a proceeding, and avoiding actual and perceived conflicts of interest.

Fort Lewis College will not make credibility determinations based on a person’s status as a Complainant, Respondent, or witness.

A Respondent is presumed not responsible for alleged conduct until a determination regarding responsibility is made at the conclusion of the Formal Resolution Process described below.

The processes described herein are subject to the reasonably prompt timeframes stated. These timeframes may be extended for good cause upon written notice to the Parties setting forth the reason for such extension. Good cause may include considerations such as the absence of a Party, a Party’s advisor, or a

witness; concurrent law enforcement activity; or the need for language assistance or accommodation of disabilities.

Informal Resolution Process

Allegations against a Respondent may be resolved through an informal resolution process. The informal resolution process does not involve a full investigation and adjudication. Processes and outcomes may be tailored to the needs of the parties. Process does not need to involve face to face meetings. Outcomes can involve the supportive measures described on page 29. Outcomes can also involve (by agreement) remedies and/or sanctions described on pages 38-39.

Examples of informal resolution processes that may be used include but are not limited to mediation, facilitated dialogue, conflict coaching, and restorative justice. The Title IX Coordinator may offer the informal resolution process to the Parties after a formal complaint is filed and only if all Parties voluntarily consent, in writing, to the informal resolution process. At any time prior to agreeing to a resolution, any Party has the right to withdraw from the informal resolution process and resume the formal resolution process.

The informal resolution process is not available to resolve allegations of Sexual Harassment in which the Complainant is a student of Fort Lewis College and the Respondent is an employee of the Institution.

Fort Lewis College will make a good faith effort to complete the informal resolution process within an average of sixty to ninety days, without jeopardizing the rights of a Party.

Notice of Availability of Informal Resolution Process

The Title IX Coordinator will issue written notice to the parties disclosing:

- The allegations;
- The requirements of the informal resolution process, including the circumstances under which it precludes the Parties from resuming a Formal Complaint arising from the same allegations;
- Any consequences resulting from participating in the informal resolution process, including the records that will be maintained or could be shared;
- That either Party may withdraw from the informal resolution process and resume the formal grievance process prior to agreeing to a resolution.

An Informal Resolution Agreement is a written agreement that confirms an agreement to resolve the allegations against the Respondent and records the outcome of that agreement.

After the Parties have agreed to a resolution that is accepted by the Title IX Coordinator, neither Party may appeal the resolution.

Formal Resolution Process

A Formal Complaint may be filed by a Complainant at www.fortlewis.edu/title9complaint or by the Title IX Coordinator.

Dismissal

The Title IX Coordinator will dismiss a Formal Complaint under this policy, and no investigation will be conducted under this policy, if:

- The conduct alleged in the Formal Complaint would not constitute Sexual Harassment even if proved; or
- The conduct alleged in the Formal Complaint did not occur within the Jurisdiction/Applicability of the policy, as described in Section 3 above.
- The Complainant notifies the Title IX Coordinator in writing that the Complainant would like to withdraw the Formal Complaint or any allegations therein;
- The Respondent is no longer enrolled or employed by the Institution;
- Specific circumstances prevent Fort Lewis College from gathering evidence sufficient to reach a determination as to the formal complaint or allegations therein.

The dismissal of a Formal Complaint under Section 8.2.1 of this Policy does not preclude Fort Lewis College from investigating or acting under other applicable policies regarding conduct that is not subject to this Policy. Such policies may include but are not limited to the Student Conduct Policy, the Faculty Handbook, and the Administrative Professional Handbook. Upon dismissal of the Formal Complaint or any allegations therein, the Title IX Coordinator will promptly send written notice of the dismissal and the reasons therefor simultaneously to the Parties.

Timeframe for Conclusion

Fort Lewis College will make a good faith effort to complete the formal resolution process, including the hearing but excluding appeals, within an average of sixty to ninety days, without jeopardizing the rights of a Party. Parties who desire an update on the progress of an investigation may notify the Title IX Coordinator at tellsomeone@fortlewis.edu.

The College may, within its discretion, place a hold on a student account while any investigation or proceeding conducted pursuant to this policy is pending.

Written Notice

Upon receipt of a Formal Complaint, the Title IX Coordinator will issue written notice of allegations to the Respondent and Complainant, if known. The written notice will be provided to each Party with three days (unless waived by a party) to prepare a response before any initial interview. The notice of allegations will include:

- Notice of this policy and the processes within this policy, including the informal resolution process described in Section 7 above;
- The identities of the Parties involved, if known;
- The conduct allegedly constituting sexual harassment;
- The date and location of the incident, if known;
- A statement that the Respondent is presumed not responsible for the alleged conduct;

- A statement that a determination regarding responsibility is made at the conclusion of the formal resolution process;
- A statement that Parties may have an advisor of their choice, who may be, but is not required to be, an attorney;
- A statement that Parties may inspect and review evidence;
- A statement that, pursuant to the Student Conduct Policy and any similar provisions in employee handbooks or in Fort Lewis College policy, knowingly making false statements or knowingly submitting false information during this process is prohibited. If, during an investigation, Fort Lewis College decides to investigate additional allegations about the Complainant or Respondent relating to the same facts or circumstances but not include in the earlier written notice, Fort Lewis College will provide notice of the additional allegations to the Parties whose identities are known.

Advisor

Each Party has the right to have an advisor of their choice, but Parties are not required to have an advisor. It is a party's responsibility to select an advisor whose schedule permits attendance at scheduled interviews. Parties must either find a free advisor or pay for the advisor themselves, except for purposes of witness examination. The advisor may be, but need not be, an attorney. If the advisor is an attorney, the party must notify the Title IX Coordinator 24 hours in advance of the interview or hearing.

The advisor may be present at any proceedings that are part of the formal resolution process. If a Party wishes to have an advisor present at a proceeding, Fort Lewis College will work within reason to schedule the proceeding so the advisor may attend, without unreasonably delaying the progress of the formal resolution process. A Party's advisor may not speak on behalf of the Party.

Investigation

Fort Lewis College will investigate the allegations in a Formal Complaint and the investigation will be conducted by a Fort Lewis College selected investigator.

The Institution, and not the Complainant or the Respondent, has the burden of proof and the burden of gathering evidence sufficient to reach a determination regarding responsibility.

Fort Lewis College cannot access, consider, disclose, or otherwise use a Party's records that are made or maintained by a health care professional acting in their professional capacity, and which are made or maintained in connection with the provision of treatment to the Party, unless Fort Lewis College obtains that Party's voluntary written consent to do so for the resolution process.

During the investigation, until the Investigation Report is issued, each Party has an opportunity to present witnesses and evidence to the Investigator. Witnesses will be interviewed without parties present. Parties may not attempt to influence the statements of witnesses or other parties. Witnesses are voluntary and may not be coerced into participating. Witnesses and evidence offered after the Investigation Report is issued will be included as an addendum to the Report if they were not previously available and are relevant.

The Investigator will provide written notice of the date, time, location, participants, and purpose of any investigative interview or other meeting to any Party whose participation is invited or expected, no less than three days in advance (unless waived).

Prior to completion of the investigation report, the Title IX Coordinator will send to each Party and to each Party's advisor, if any, all evidence obtained as part of the investigation, whether or not Fort Lewis College intends to rely on such evidence in reaching a determination regarding responsibility, that is directly related to the allegations raised in the Formal Complaint.

Each Party may submit a written response, which the Investigator will consider prior to conclusion of the investigation and completion of the investigative report. The written response, if any, must be submitted to the Title IX Coordinator by Investigator within 10 days after the Title IX Coordinator sends the evidence to the Party, unless the deadline is extended for good cause. These written responses will be shared with the parties as well. Parties who have responded in full prior to the elapse of 10 days may waive the remainder of the 10 days permitted for response. They can do this by notifying the Title IX Coordinator at tellsomeone@fortlewis.edu that their response is complete and they waive the remaining days.

The Investigator will create an investigative report that fairly summarizes relevant evidence. The Investigator must conduct an objective evaluation of all relevant evidence, including both inculpatory and exculpatory evidence. The investigation report shall not include a finding as to responsibility. At least ten days prior to the scheduled hearing, the Title IX Coordinator will send to each Party and to each Party's advisor, if any, the investigative report. Each Party may submit a written response within five days., Title IX Coordinator will submit responses to the Hearing Panel for consideration at the hearing. The response deadline may be extended for good cause.

Hearing

A hearing panel serves as the Decisionmaker at the hearing. The hearing will be held by a panel (one or more individuals) selected by Fort Lewis College. The Decisionmaker will conduct a live hearing. Prior to the hearing, the Decisionmaker will review the investigative report and the written responses provided by the Parties, if any. The hearing will occur virtually in a manner allowing the participants to simultaneously see and hear the party or witness answering questions. If both parties and the College agree, the hearing may occur in person.

Hearings will be recorded, at least by audio. Recordings or a transcript of the recording will be available to the Parties for inspection and review.

Standard of Evidence

The determination of responsibility will be made by the Decisionmaker using the preponderance of the evidence standard. (i.e., the information gathered demonstrates that it is "more likely than not" that the misconduct occurred).

Relevant Evidence Considered

In making a determination of responsibility or sanctions, the Decisionmaker may only consider relevant evidence. Relevant evidence is evidence having any tendency to make the existence of any fact that is of consequence to the determinations to be made more probable or less probable than it would be without the evidence. The Decisionmaker will not consider:

- Evidence about the Complainant's sexual predisposition or prior sexual behavior, except that the Decisionmaker may consider:
 - a. Evidence about the Complainant's prior sexual behavior, when offered to prove that someone other than the Respondent committed the conduct alleged by the Complainant; or
 - b. Evidence concerning specific incidents of the Complainant's prior sexual behavior with respect to the Respondent, when offered to prove consent.
- Any statement of a Party or witness, if the Party or witness does not submit to cross-examination at the hearing, in reaching a determination regarding responsibility.
 - a. The Decisionmaker will not draw an inference about the determination regarding responsibility based solely on a Party's or witness's absence from the hearing or refusal to answer cross-examination or other questions.
- Information protected under a legally recognized privilege, unless the person holding such privilege has waived the privilege.

The Decisionmaker must conduct an objective evaluation of all relevant evidence, including both inculpatory and exculpatory evidence. Credibility determinations may not be based on a person's status as a Complainant, Respondent, or witness.

Witness Examination

Neither parties nor advisors make opening or closing statements. The Decisionmaker may ask questions on direct examination, cross examination, and redirect. The Decisionmaker will allow each Party's advisor to cross examine witnesses, and to redirect their own party or witnesses after cross examination. Parties may speak only in response to questions from the Decisionmaker or in response to cross examination or redirect questions.

Cross examination and redirect questions may not be asked by either Party. Cross examination and redirect may only be conducted by one advisor acting on a Party's behalf, or by the Decisionmaker. Advisors may cross examine opposing parties and witnesses. Those questions must be limited to matters raised in the final investigation report or direct questions by the Decisionmaker.

Redirect: Immediately after an individual has been cross examined, that individual's advisor or the Decisionmaker may ask questions of the same individual to clarify matters covered in the cross examination.

Advisors who wish to ask cross examination questions should submit them in advance to the Decisionmaker if possible, so that relevance questions may be resolved in advance. Non-attorney advisors who will conduct cross examination must complete the Fort Lewis College training for the purpose of performing cross examination. Any advisor must sign a commitment to the FLC Advisor Rules of Decorum.

If a Party wishes to ask cross examination questions of a Party or witness and does not have an advisor, Fort Lewis College will select and provide an advisor to the Party, free of charge, for the limited purpose of

conducting cross examination. Only relevant questions may be asked of a Party or witness, and they are only relevant the first time they are asked. Cross examination questions are not relevant if they were answered on direct examination. Before a Party or witness answers a question, the Decisionmaker will determine whether the question is relevant and explain any decision to exclude a question as not relevant.

Written Determination

After considering the investigative report, including any Party's written response to the investigative report, and all relevant evidence presented at the hearing, and after considering party statements regarding sanctioning, the Decisionmaker will issue a written determination. The Title IX Coordinator will provide the written determination simultaneously to the Parties.

The written determination will include:

- Identification of the allegations potentially constituting Sexual Harassment;
- A description of the procedural steps from the receipt of the Formal Complaint through the determination, including any notifications to the Parties, interviews, site visits, methods used to gather other evidence, and hearings held;
- Findings of fact supporting the determination;
- Conclusions regarding the application of [applicable policy] to the facts;
- A statement of, and rationale for, the result as to each allegation, including:
- A determination regarding responsibility;
- Any disciplinary sanctions imposed on the Respondent (may be provided separately after any sanctioning proceeding);
- Whether remedies will be provided to the Complainant;
- Procedures and permissible bases for the Parties to appeal.

The written determination becomes final 3 days after it is sent to the Parties, unless an appeal is filed.

If an employee respondent is found not to be responsible for violating the policy, the investigation report and/or the hearing panel may, if applicable, include a determination that the employee respondent engaged in conduct that was inappropriate or unprofessional. In such cases, the matter will be referred to Human Resources, which will determine an appropriate action or response.

Appeal

Either Party may appeal:

- Dismissal of a Formal Complaint or any allegations therein; or
- A determination regarding responsibility.
- No other issue may be appealed.

A Party may only appeal on one or more of the following bases:

- Procedural irregularity that affected the outcome of the matter;

- New evidence that was not reasonably available at the time the determination regarding responsibility or dismissal was made, that could affect the outcome of the matter;
 - a. This basis for appeal is not satisfied simply because evidence was not presented during the proceedings, if the evidence was reasonably available at the time the determination was made.
- The Title IX Coordinator, Investigator, or Decisionmaker had a conflict of interest or bias for or against Complainants or Respondents generally, or the individual Complainant or Respondent, that affected the outcome of the matter.

Parties who wish to file an appeal must notify the Title IX Coordinator in writing at tellsomeone@fortlewis.edu no later than 3 days after the conclusion of a case. A case concludes with either the notice of dismissal, written determination with a finding of “Not Responsible”, or issuance of any disciplinary sanction is sent to the Party.

The Appeal Decisionmaker is an Associate Vice President of Student Affairs (or designee), for students; The President (or designee) for faculty; The Appointing Authority or designee for classified staff;

The written appeal must state with specificity the issues being appealed; and the bases for the appeal.

Fort Lewis College will make a good faith effort to complete the appeal within 7 days. The timeframe for completion of appeal may be extended for good cause. If the timeframe for completion of appeal is extended, the Title IX Coordinator will notify both Parties in writing of the delay or extension and the reasons for the delay or extension.

After receiving a timely written appeal, the Title IX Coordinator will notify the Parties in writing that the appeal was filed and the process for submitting a written statement in support of, or challenging, the issues being appealed.

The appeal, including any written statements submitted by the Parties, will be considered by the Appeal Decisionmaker. The Appeal Decisionmaker may also consider the investigative report, including any Party’s written response to the investigative report, all relevant evidence presented at the hearing, and the recording of the hearing. Information provided exclusively for the purposes of sanctioning is not relevant to an appeal unless the sanctioning outcome or process is clearly being appealed.

The Appeal Decisionmaker will issue a written determination of appeal, which will describe the result of the appeal and the rationale for the result. The Title IX Coordinator will provide the written determination of appeal simultaneously to the Parties. The result of the appeal is final.

REMEDIES/SANCTIONS

Sanctions are decided by the Decisionmaker in consultation with the Title IX Coordinator and are only implemented where Respondent is found responsible. If the Respondent has a Constitutional due process right to a separate administrative process under the law, sanctions are not imposed until the completion of that process, or waiver thereof. Sanctions are not stayed for a criminal proceeding to resolve, however.

Remedies are designed to restore or preserve equal access to the Institution's Education Program or Activity. Remedies may be disciplinary or punitive and need not avoid burdening the Respondent. The Title IX Coordinator is responsible for the effective implementation of remedies.

Procedure

When the Decisionmaker notifies the Coordinator that a finding of responsibility has been reached, the Title IX Coordinator will invite parties to provide input about the sanction.

The Decisionmaker may elect to have a separate remote sanctioning hearing particularly in cases where termination, suspension or expulsion was a possible sanction, no later than one week after the close of the hearing that resulted in a finding of responsibility. Parties will be notified in writing of any finding of responsibility, and of the date, time and manner of any sanctioning hearing. Both parties may make a statement up to 15 minutes in length at such a sanctioning hearing.

Because statements regarding sanctioning are submitted after a determination of responsibility has been made, they are not evidence. The complainant's written or remote hearing statement will not be shown to the respondent unless the complainant requests otherwise. The complainant, however, may see and hear the respondent's statement, or review it after it is made.

If a Respondent is found responsible for Sexual Harassment under this Policy, potential remedies and/or sanctions include but are not limited to imposition of the following measures, potentially permanently:

Legislative Declaration

The Board of Trustees for Fort Lewis College has general supervision of the College and plenary power to enact rules and regulations for the governance of the College. The Board of Trustees has delegated to the President of the College the power and duty to adopt such policies as are reasonable and necessary for the proper conduct of the operations and activities of the College, provided those policies are lawful and consistent with the bylaws, policies and procedures set forth in the Board's Manual of Policies and Procedures. The President of the College finds and determines that the free and unregulated possession of weapons on the Fort Lewis College campus would:

- Create an unreasonable risk to the health, welfare and safety of students, employees and campus visitors and the preservation of property on the Fort Lewis College campus by careless or malicious use;
- Create a climate of fear and intimidation that would distract and interfere with the reasoned discourse and cooperation required for productive learning and working environments on Fort Lewis College campus; and
- Be inconsistent with the academic mission of Fort Lewis College.

The following policy is lawful and is not inconsistent with the bylaws, policies and procedures set forth in the Board's Manual of Policies and Procedures:

ANNUAL FIRE SAFETY REPORT

This is the compliance document to the Higher Education Opportunity Act of 2008, also known as the Campus Fire Safety Right-to-Know Regulations. The Annual Security Report is found in Section 1 of this Annual Security Report.

Fort Lewis College places a high priority on the personal safety of its students, faculty, staff, and visitors. A campus community relies on a peaceful, safe, and secure environment. Preserving this environment is a responsibility everyone on campus must share.

Under the Higher Education Opportunity Act of 2008 (“Act”), all colleges receiving federal funds are required to report fire safety statistics. Instructions on how to access this information will be distributed on an annual basis to all faculty, staff, and students, and to any applicant for enrollment or employment. Please keep this report as a resource document and refer to it throughout the year. This report is descriptive only. It is not intended to serve as a contract between the College and any other party. College security policies and procedures are subject to change at any time without notice. Any inquiries concerning information presented in this brochure may be directed to the Associate Vice President for Student Affairs at (970) 247-7573.

Any future renovations will comply with the national fire code.

DEFINITIONS (as defined by the Act)

Fires: any instance of open flame or other burning in a place not intended to contain the burning or in an uncontrolled manner.

Fire Safety Systems: any mechanism or system related to the detection of a fire, the warning resulting from a fire, or the control of a fire. Examples include sprinkler systems, fire detection devices, stand-alone smoke alarms, and fire doors and walls.

Fire Drills: a supervised practice of a mandatory evacuation of a building for a fire.

Fire-Related Injuries: injuries that resulted in treatment at a medical facility, including at an on-campus health center.

On-Campus Student Housing Facilities: a dormitory or other residential facility for students that is located on an institution’s campus.

FIRE LOG

A public Fire Log is maintained by the Assistant Director for Student Housing and Conference Services and the campus policy and may be accessed by visiting the Student Housing Office at 240 Skyhawk Station. The Fire Log records, by the date that the fire was reported, any fire that occurred in an on-campus student housing facility. It includes the nature, date, time, and general location of each fire. Entries are entered into the log within two days of receipt of the report of the fire.

CAMPUS HOUSING FIRE SAFETY INFORMATION

Fire Safety Equipment

- All residence halls have smoke detectors in the hallways, student rooms and public areas.
- All apartments have smoke detectors in each bedroom, kitchens, living rooms, and public areas.
- Fire alarm pull stations are located in the hallways and breezeways of all buildings.
- The smoke detectors and pull stations are linked to a Central System, monitored by Advanced Alarm Monitoring Service, which notifies the Durango La Plata Emergency Communications Center, which in turn notifies the Campus Police and Durango Fire Protection District. The Central System also notifies Fort Lewis College Physical Plant Services through a computer- monitored system of all alarms.
- All residence halls have at least one fire extinguisher on each floor and all apartments have one fire extinguisher in each unit. Fire extinguishers are checked and serviced once a year unless they have been used then they are replaced immediately.

Fire Protocols

- Each fall, the Student Housing staff spend two hours in fire training provided by the Durango Fire Protection District, covering how to use a fire extinguisher, how to evacuate a building, how to check hot doors and other issues related to fire safety.
- Within the first two weeks of occupancy during the fall and winter trimesters, fire drills are conducted in all residential facilities.
- Fire safety rules and procedures are provided to students in the [Student Housing Guide](#) and in the [Student Handbook](#).
- Any resident who purposely and maliciously attempts to set fire to, or burn, or causes to be burned or procures the burning of any building in the Student Housing Program, or any of the furnishings or equipment in, attached to, or around such buildings will be subject to prosecution and penalty under the laws of the State of Colorado. Violation of this policy will result in removal from the Student Housing Program and termination of the Housing Contract.
- Individuals intentionally causing false fire alarms are in violation of state laws and will be removed from the Student Housing Program.
- In addition, residents tampering with any fire- fighting equipment (i.e., extinguishers, hoses, alarms, exit signs, smoke detectors, etc.) will be removed from the Student Housing Program and may be subject to further disciplinary action by Fort Lewis College officials, and/or the criminal justice system.

In Case of Fire

When Moving into a Room or Apartment:

- Make note of fire exit plans and the alternative routes.
- Make note of fire exits, alarm boxes, smoke detectors and extinguishers.

What to Do in the Event of a Fire:

- Sound the alarm and call 911.
- Upon discovering a fire, put it out with the nearest fire extinguisher if it can be done safely.
- Leave the building via posted instructions or the nearest safe exit.
- Contact student housing staff (RA or RD) or Fire Marshal. Provide as much information as possible about the fire. Be mindful of residents with disabilities or the sound sleepers in the area.

Where to Go

- Keep low to the floor if there is smoke in the room. Feel the doorknob and door before opening any doors. If it's hot, DO NOT open the door. If the knob is not warm, open the door slowly. If heat and heavy smoke are in the corridor, close the door and stay in the room.
- If it is not possible to exit the room, seal cracks under the door with clothing items or a rug. Hang an object (sheet or shirt) out the window and close the window. The hanging object will notify fire personnel that the room is occupied.
- When exiting the room, close all doors and windows. When exiting through a smoke-filled corridor/room, move quickly in a crouched position (remember, smoke rises), place a wet towel or clothing item over your head to prevent serious smoke inhalation. Take short breaths through your nose.
- Exit the building according to the evacuation plan and meet student housing staff at the designated area for your community. Do not re-enter the building for any reason. Stay calm until the re-enter signal is given.

Safety: Shelter in Place

In certain circumstances, including but not limited to as an active shooter on campus and some severe weather occurrences, safety measures may include sheltering in place.

- STAY in the room/classroom/designated location.
- CLOSE and lock all doors and windows. If no locks, place heavy objects in front of them to impede entry.
- MOVE to the safest place in the room.
- Immediately COMPLY with directions from safety personnel.

Handbook Policies

The following items are published and can be referenced in *Student Housing Guide* in the *Student Handbook*.

- Fireworks, firecrackers, open flames (candles or oil lamps), explosive materials of any kind, and the burning of incense are always prohibited in the Fort Lewis College residence halls or apartments.
- Smoking is not permitted in any campus housing facility or public area.
- Appliances with open coils such as toaster ovens, hot plates, and toasters are prohibited in the residence hall facilities.
- Only one microwave and two small refrigerators are permitted in each residence hall room.

Reporting

For the purposes of Clery reporting, any fires that occurred in a residence hall should be reported to

the Assistant Director for Student Housing and Conference Services or the Fort Lewis College Chief of Police.

Improvements in Fire Safety

Fort Lewis College has planned the following future improvements in fire safety:

- Increase the number of fire marshals in the residence halls.
- Ensure the decibels of fire alarms in all residence halls are at an appropriate level.
- Add sprinkler system to Centennial Apartments
