Bibliography  
OF  
School Gardens

By Albert J. Carter, Librarian

Published by the Trustees of the State Normal School of  
Colorado, Greeley, Colo.

Entered at the Postoffice, Greeley, Colo., as Second Class Matter.

## PREFACE.

---

This little bibliography of School Garden literature is not, in any way, considered complete. It consists principally, of references to books and articles; which have, from time to time, come under the observation of the librarian and assistants.

Persons interested would confer a favor, by forwarding to the librarian, references to any good articles upon the subject, that they may find, and not herein listed.
