

SUPPLEMENT TO
Colorado State Teachers
College Bulletin

Series XVIII

FEBRUARY, 1919

Number 11 *a*

Program of Courses
FOR THE
Summer Quarter
1919

The Quarter—June 16 to August 22
First Half Quarter—June 16 to July 18
Second Half Quarter—July 21 to August 22

Published Monthly by State Teachers College, Greeley, Colorado
Entered as Second Class Matter at the Postoffice at Greeley
Colorado, under the Act of August 24, 1912

Your Major Course. Every regular student entering the college for the first time on or after October 1, 1918, must select one of the new courses of study. Earlier matriculants may complete the courses they began, but are advised to select one of the new courses, if it is convenient to do so. Indicate on your program card the course you are pursuing.

Your Adviser. The Director of your course is your adviser. Before completing your program for the Summer Quarter, consult him or her about what subjects you purpose to take.

Order of Registration. Get your registration material. Fill out the cards with care, noting the following regulations:

a. Exercises Courses in Physical Education are required at least two-thirds of the time you are in residence, and it is recommended that a course be taken each Quarter. These may be taken with or without credit.

b. Students who have already established a record in this college for doing superior work of A or AA quality may before registering ask permission of the Student Program Committee (Dean McCracken, Chairman), to take more work. Eighteen hours is the maximum which this committee will allow.

c. When you fill in your Temporary Program Card and the smaller class cards, use only the Designation of the course as it appears in the first column of this program.

Do not at any time write out the Description which appears in the second column. These cards must be made out as indicated, or made over.

d. Having filled out all your cards, go to the Registrar's Office, and there pay your incidental fees. Program changes after registration are authorized by Dean Cross.

Fees: Full Quarter. \$30.00; Half Quarter. \$15.00.

Citizens of other states than Colorado \$5.00 per quarter additional; \$2.50 the half quarter.
