2006 FACT BOOK

Compiled by:
The Office of Budget and Institutional Analysis

Fall 2006 Fact Book Overview

The University of Northern Colorado experienced a few changes between Academic Years 2004-05 and 2005-06. These changes included shifts in college structure and program offerings and a change in database systems for data collection and reporting. Because of these changes the Fact Book for Fall 2006 has a little different layout than previous years. All data that was used to compile this Fact Book was obtained by the Office of Budgets and Institutional Analysis and has been used for state reporting purposes.

If you have any questions about items in this Fact Book please contact Janine Walker in the Office of Budgets and Institutional Analysis at 351-2190 or Janine.walker@unco.edu

Thank you

**Due to the new College structure, the larger number of degrees conferred may have to do with the IDLA majors. The new college structure placed IDLA majors in EBS but the catalog included IDLA in HSS. So per the registrar's office, IDLA degrees awarded were included in HSS

*In 2005 the structure of academic programs was realigned among the colleges. The Monfort College of Business and the College of Performing and Visual Arts did not change significantly. However, the impact to the former Colleges of Education, Arts and Sciences, and Health and Human Sciences was significant. Comparison of these colleges' statistics to statistics of the new Colleges of Education and Behavioral Sciences, Humanities and Social Sciences, and Natural and Health Sciences is not appropriate.
