## **Mission Statement**

The University of Northern Colorado shall be a comprehensive baccalaureate and specialized graduate research university with selective admission standards. The University shall offer a comprehensive array of baccalaureate programs and master's and doctoral degrees primarily in the field of education. The University of Northern Colorado has statewide authority to offer graduate programs for the preparation of educational personnel.

## **Vision Statement**

The University of Northern Colorado strives to be a leading student-centered university that promotes effective teaching, lifelong learning, the advancement of knowledge, research, and a commitment to service. Graduates are educated in the Liberal Arts and professionally prepared to live and contribute effectively in a rapidly changing, technologically advanced society.

Description: The University of Northern Colorado is a comprehensive baccalaureate and specialized graduate research university with a continuing commitment to its historical role in the preparation of educators. The University offers a broad range of undergraduate and graduate programs in the arts, sciences, humanities, business, human sciences and education. The array and quality of UNC programs provide a unique resource to Colorado. All students are required to study in the liberal arts tradition, which prepares them to think and act responsibly in a dynamic, diverse and global society. Multicultural content and interdisciplinary programs enrich academic experiences. University curricula are designed to improve students' competencies in critical thinking, communication, and problem solving, leadership, and technological applications.

As a Carnegie Research Intensive Institution, the University of Northern Colorado's graduate programs emphasize advanced scholarship within a discipline and acquisition of professional abilities for career advancement. Graduate education includes a variety of master's degrees that complement the University's mission and purposes and a select number of doctoral programs that emphasize scholarship and research, clinical practice, pedagogy, or performance. The University provides a full range of student support services and recreational opportunities. The James A. Michener Library and the Music Library provide information resources through sophisticated technology and established collections.

## **Values, Purposes and Goals**

The University provides services that support equal learning opportunities for all students. Learning occurs in an environment characterized by small classes taught by full-time faculty. UNC faculty, at both the graduate and undergraduate levels, subscribe to a teacher/scholar model in which excellence in instruction is complemented by activities in scholarship and service. Support for the continuous improvement of teaching, learning, scholarship and service is provided through University programs, policies and practices.

Values: The University of Northern Colorado believes that its distinctive service to society can only be offered in a student-centered atmosphere of integrity that is grounded in honesty, trust, fairness, respect, and responsibility. For this reason, the University is committed to promoting an environment in which:

1. academic integrity is valued and expected;
2. excellence is sought and rewarded;
3. teaching and learning flourish;
4. diversity of thought and culture is respected;
5. intellectual freedom is preserved; and
6. equal opportunity is afforded.

Purposes and Goals: The University of Northern Colorado is committed to the following purposes and goals; to prepare a well educated citizenry whose understanding of issues enables them to be contributing members of a rapidly changing, technologically advance, diverse society.

To prepare undergraduate students:

1. Students will acquire a solid foundation of general knowledge in the liberal arts and sciences.
2. Students will develop a variety of competencies in critical thinking, communication, problem-solving and current technology.
3. Students will develop an appreciation for diversity, citizenship, artistic expression, and a positive, healthy lifestyle through educational, cultural, social, and recreational programs.
4. Students will develop a life-long commitment to scholarship and service.
5. Students will acquire depth of knowledge in a specialized scholarly discipline.
6. Students will acquire the knowledge and skills that prepare them for careers and/or advanced scholarly work.
7. Students will master methods of inquiry to acquire deeper understanding of their discipline.
8. Students will demonstrate knowledge of professional standards and practice.

To prepare graduate students in specialized fields of study:

1. Students will acquire an appreciation for and ability to work in an increasingly diverse population.
2. Students will engage in scholarly activity, research, and creative endeavors to advance the knowledge and practices of the discipline.
3. Students will acquire advanced knowledge and skills consistent with the professional preparation and standards of the discipline.
4. Students will develop a commitment to scholarship and life-long learning.
5. Students will develop those competencies essential to assuming leadership positions in their professional fields.

The 19-Meal Plan allows students access to meals in all dining services on campus It includes breakfast, lunch and dinner Monday-Friday and Brunch and Dinner on Saturday and Sunday. The 19-meal plan is a per semester plan

# Financial Highlights

The following information are excerpts from the 2007 – 2008 Annual Report for University of Northern Colorado, produced by the Financial Services Office.

## Financial Highlights

Selected financial highlights for the fiscal year ending June 30, 2008 include:

- University assets total \$337.2 million, with liabilities of \$176.5 million, resulting in net assets of \$160.7 million.
- Capital assets of \$225.7 million comprise 67% of the University assets.
- Total revenue in 2008 was \$157.2 million, including \$152.4 million of Operating Revenue which includes College Opportunity Fund stipends and State Fee-for-Service contract revenue. Total revenue in 2007 was \$153.2 million, including \$144.4 million of Operating Revenue.
- Operating Expenses for 2008 and 2007 totaled \$153.4 million and \$143.4 million, respectively.

### Operating Revenues

Operating revenue for fiscal years 2008, 2007 and 2006 of \$152.4, \$144.4 and \$137.8 million, respectively, is derived from Tuition and Fees, Auxiliary Activity, Grants & Contracts, State Fee-for-Service and Other.

Tuition and fees for fiscal years 2008, 2007 and 2006 are shown net of \$7.8, \$6.4, and \$7.0 million scholarship allowances, respectively. Auxiliary revenue for fiscal years 2008, 2007 and 2006 is net of \$2.4, \$2.0 and \$2.2 million in scholarship allowances, respectively. Scholarship allowances are those portions of UNC's tuition and fees which are paid by other revenues, primarily federal and state grants for financial aid, but also general institutional scholarships.

### State Funding

With Colorado's implementation of the College Opportunity Fund and discontinuation of direct state appropriations, UNC's finances are more immediately impacted by changes in enrollment.

Fiscal year 2008 headcount enrollment and credit hour production were down from fiscal year 2007. Early fall 2008 (fiscal year 2009) enrollment statistics indicate an additional enrollment decline.
